Creating Man:

The Holy Word for Morning Revival - The One New Man Fulfilling God's Purpose in Creating Man Witness Lee, 2019-10-12 This book is intended as an aid to believers in developing a daily time of morning revival with the Lord in His word At the same time it provides a limited review of the International Training for Elders and Responsible Ones held in Bangalore India on October 3 5 2019 The general subject of the training was The One New Man Fulfilling God's Purpose in Creating Man Through intimate contact with the Lord in His word the believers can be constituted with life and truth and thereby equipped to prophesy in the meetings of the church unto the building up of the Body of Christ **Why Was Man Created?** Sam Oputa, 2016-10-11 In the beginning God created the earth and He looked upon it in His cosmic loneliness And God said Let Us make living creatures out of mud so the mud can see what We have done And God created every living creature that now moveth and one was man Mud as man alone could speak God leaned close to mud as man sat up looked around and spoke Man blinked What is the purpose of all this he asked politely Everything must have a purpose asked God Certainly said man Then I leave it to you to think of one for all this said God And He went away Kurt Vonnegut Cat's Cradle Most people must have at one point or another asked themselves the question why am I here One thing is certain we were not here from the beginning Some have asked questions like What is life all about Many others have wondered What is the nature of life and What is the nature of reality These questions can be a passing thought that launches into a full on existential exploration What are we anyway We are born We grow into adults and before you can bat an eyelid you are in the old people's home waiting to die How fulfilling is that Do you now wonder why some people ask the question What are we here for anyway Some great people have asked these questions What is my purpose It is a difficult and profound question and a common conclusion is that we were created for God's glory That may be a religious truth but is it logical There must be a far more specific reason for our creation In Sam Oputa's Why Was Man Created he explores this question from many angles spirituality religion psychology philosophy and other sciences but mostly he draws from the Holy Books which contain a wealth of scientific evidence The result of years of research and soul searching Why Was Man Created is a fascinating and sometimes controversial study of the age old question of creation and evolution The answers to these questions are not easy to resolve but the answers are out there **God Created Man in His Image and Likeness** Oried E. Graves, 2012-10 Everyone who reads the Bible must admit that it tells us to do things that we never have done and cannot do in our fleshly bodies One reason is that God our Creator is telling us what He wants us to be and do as created in His image and likeness Our purpose is in our image and likeness of God our Creator not like the dust of the ground or the flesh of our parents Most children don't know that they are created in the image and likeness of God and their parents have not asked God for His spirit for their children so they can be taught this vital truth The reason parents don't ask God for His spirit for their children is because they don't recognize the need for Him There are several things mankind cannot do in the flesh and they must

recognize their origin in the image and likeness of God Mankind must recognize being in the image and likeness of God to first love God with all their being and love his neighbors as himself second to obey God and his parents as required in God's word third to trust God with all his heart fourth to worship God in spirit and in truth and fifth to glorify God in his body and spirit which are God The devil does not want mankind to know that he is created in the image and likeness of God because man will always defeat Satan and fulfill God's will

AGES OF CREATION Roger Rali, 2013-05 Understanding the dimensions and mechanics of the bible is far crucial in understanding of the bible itself Fresh and new revelations will be like links on the chain when you read the bible from cover to cover with this very nature in mind Bible is no different to the concept of a jigsaw puzzle All the individual 66 books and epistles that sum up the bible are incomplete in its individuality You can find that missing jigsaw piece nowhere but within the vicinity of the bible itself For instance Genesis without the other 65 books and epistles is incomplete and so forth Oracles in the bible are scattered and blended with other testimonial experience so that an ordinary mind will look but shall not see and listen but cannot hear The Pharisees High Priests and the Jewish authorities opposed and rejected Jesus for their lack of awareness about the dynamics of the bible You are very blessed for discovering this GOLDEN SECRET about the divinity of the bible Moreover the bible is an encyclopedia of its own having answers to its own questions and all the questions mankind can ever think of In other words bible itself is the absolute and divine meaning of COMPLETION lacking nothing In it is fullness of life health wealth prosperity authority and power without lack of any kind for it is a piece of God's mind and heart constrained to mankind's calling and thinking cap In God is fullness of life so shall be it for His inspired book of all times The Holy Bible

leading the young people there are two indispensable aspects spiritual knowledge and spiritual life The spiritual content we impart into our young people must be related to both aspects and we should not lean too much toward one or the other we must be balanced According to God's law in the universe everything is balanced Thus in our service with the young brothers and sisters we should keep the principle of being balanced we should give the young people knowledge and life in such a way that these aspects interact with each other **Predestination: The Pharaoh Account of Grace** Joachim P.C. Jr., 2014-02-13 If you've heard and believed that God predestinated some to eternal life and hardened Pharaoh's heart you've been misled Biblical predestination doctrine is the opposite of theological writings on the subject After studying this book you will no longer accept Augustinian Lutheran Calvinist theology passing for doctrine Predestination The Pharaoh Account of Grace is a biblical treatment of predestination doctrine Part One refutes the theological arguments as unscriptural and opens up understanding of predestination doctrine with detailed explanation of the call justification and glorification available to man It avoids the pitfall of equating God's foreknowledge with omniscience and the consequent conclusion that God predestinated only those he knew from eternity would become believers Part Two clarifies the Exodus account which has negatively impacted God's character and showcases his spontaneous and patient outpouring of grace upon Pharaoh From initially foretelling the end from the beginning God graciously repairs Pharaoh's heart ten times as he in turn frustrates the grace Predestination The Pharaoh Account of Grace exposes the controversy stirred up concerning predestination since the fourth century as a work of the devil which must be destroyed Undoubtedly this definitive work on the subject will be of tremendous benefit to clergy lay leaders academia and through them the body of Christ **Man and Woman He Created**
