Creation Regained Biblical Basics For A Reformational Worldview:

Creation Regained Albert M. Wolters, 1985 Creation Regained Albert M. Wolters, 1985 *Worldview* David K. Naugle, 2002-07-16 Conceiving of Christianity as a worldview has been one of the most significant events in the church in the last 150 years In this new book David Naugle provides the best discussion yet of the history and contemporary use of worldview as a totalizing approach to faith and life This informative volume first locates the origin of worldview in the writings of Immanuel Kant and surveys the rapid proliferation of its use throughout the English speaking world Naugle then provides the first study ever undertaken of the insights of major Western philosophers on the subject of worldview and offers an original examination of the role this concept has played in the natural and social sciences Finally Naugle gives the concept biblical and theological grounding exploring the unique ways that worldview has been used in the Evangelical Orthodox and Catholic traditions This clear presentation of the concept of worldview will be valuable to a wide range of readers

Everyday Theology (Cultural Exegesis) Kevin J. Vanhoozer, Charles A. Anderson, Michael J. Sleasman, 2007-03-01 Everyday theology is the reflective and practical task of living each day as faithful disciples of Jesus Christ In other words theology is not just for Sundays and it s not just for professional theologians Everyday Theology teaches all Christians how to get the theological lay of the land It enables them to become more conscious of the culture they inhabit every day so that they can understand how it affects them and how they can affect it If theology is the ministry of the Word to the world everyday theologians need to know something about that world and Everyday Theology shows them how to understand their culture make an impact on it Engaging and full of fresh young voices this book is the first in the new Cultural Exegesis series

Cultivating an Evangelistic Character Christopher James Schoon, 2018-04-24 This project explores the relationship between worship discipleship and evangelism within the missional church movement Engaging contributions from liturgical theology Christian ethics and post Christendom evangelism the book proposes a missional approach to worship that when integrated with a praxis oriented discipleship cultivates Jesus character among God s people Along the way the project attends to the Holy Spirit s transformative presence the liturgical rhythms of remembering and anticipating and the practices of hospitality and compassion In the end Cultivating an Evangelistic Character contends that the Spirit works through the integration of worship and discipleship to form God s people In other words God s people become evangelistic or as Newbigin said the hermeneutic of the gospel

Living in the Lamblight Hans Boersma, 2001-01-08 In recent decades many fundamental Christian assumptions about the nature of God and the world have come under attack No longer can one assume even in many church circles that historic Christian beliefs about the Trinity and providence are generally accepted or understood Scientific knowledge and new technologies have also presented challenges for the church How for example should Christians understand the ecological crisis And how should the opening chapters of Genesis be understood in an age of genetic research and evolutionary science This collection of essays attempts to chart a faithful path for postmodern
