Creation Waits:

New Life Dale L. Brand,1992 Creation's Slavery and Liberation Presian Renee Burroughs,2022-11-03 What did the apostle Paul mean when he portrayed the creation as subjected to frustration and enslaved to destruction What forms of frustration and destruction might he have seen throughout the Roman Empire And how would he describe creation's condition today Creation's Slavery and Liberation addresses these questions by tracing the story of creation as it appears in Paul's own Scriptures the Tanakh Roman imperial propaganda Paul's letter to Rome and U S industrial agriculture This story reveals God to be the Creator who makes right justifies and makes alive through Jesus Christ and the Spirit Because God liberates justifies and vivifies the entire creation and since according to Paul creation's liberation is linked to humanity's glorification Paul expects Christians to pursue justice and nourish life Burroughs encapsulates key justice oriented and life supporting practices in seven eco ethical principles To make these principles come alive she describes the ways in which Roman imperial and American industrial regimes have caused injustice and destruction and instead she proposes more regenerative approaches to growing enjoying and sharing our daily bread He comes, the Isles are living carelessly! Tony Smits B.Th and Ian Traill D. Min,2015-02-16 As we approach a study of the Return of the Lord let us realize that this is an important and vital truth for us in the days in which we live The Second Coming of the Lord is the most prominent doctrine in the Bible v In the New Testament alone there are more than 300 references to the Second Coming of the Lord v It is spoken of once in every 25 verses in the N T v In the Old Testament there are 20 times as many references to Christ's Second Coming as there are to His first coming v The Second Advent is mentioned twice as many times as the atonement In the face of this strong testimony it is evident that the integrity of the entire Bible is inextricably woven into the promise of Christ's Return If He does not come again the Word of God is made a lie human destiny will lack fulfilment the consummation of God's glory will be denied and the very foundations of the universe will be uprooted Mark 13 31 **Romans, Galatians** Douglas J. Transforming Mission Theology Charles Van Engen, 2017-10-01 Missiology Permeated with Theological Reflection This volume is the culmination of Van Engen's teachings but takes us to an even deeper level Since mission is first and foremost God's mission theological reflection must be permeated by missiological understanding and our missiology must be permeated with theological reflection Mission theology is an activity of the Church of Jesus Christ seeking to understand more deeply why how when where and wherefore the followers of Jesus may participate in God's mission in God's world *Kingdom Come (EasyRead Large Bold Edition)* Allen Mitsuo Wakabayashi, 2007

Romans Christian A. Eberhart, 2025-04-05 Can a feminist interpretation of Romans discover anything new In this volume Christian Eberhart pays special attention to the fact that Paul entrusted Phoebe a gentile woman with the task of delivering the letter to Rome There she would have been the person who recited it aloud and by heart in front of various audiences Yet as the leader of a congregation in Corinth Phoebe had likely also been involved in the process of composing the letter as some passages reveal This multifaceted engagement of a woman gives new meaning to the vision of human society in Romans that celebrates the full participation of women and men Jews and gentiles weak and strong and free and slave

Yes in Christ Howard A. Snyder, 2011 The promises of God formed the basis of John Wesley's optimism of grace Wesley believed God not only could but in fact would fulfill all his promises to bring salvation to the nations to make new heavens and a new earth to liberate the whole creation from its bondage to decay Rom 8 21 This collection of essays by respected Wesleyan theologian Howard A Snyder reflects the spirit of Wesley's optimism of grace The first half of this collection offers an overview of Wesley's theology and practice particularly with regard to gospel mission and culture Part Two examines the inter dynamic between church renewal and global mission The collection also includes Wesleyan appraisals of Clark Pinnock's theology and the ecclesiology of Karl Barth Howard A Snyder serves as a distinguished professor and chair of Wesley Studies at Tyndale Seminary in Toronto Ontario Canada Previously he was

Suffering in Romans Siu Fung Wu, 2015-07-23 Most of the Jesus followers in Rome would have been familiar with socioeconomic hardship Suffering was a daily reality either for themselves or for someone they knew Many lived below or just above subsistence level Some were slaves homeless or chronically sick Followers of Christ might have experienced persecution because of their refusal to take part in the local religious festivals Suffering is of course a significant theme in Rom 5:1-11 and 8:17-18-39 Paul mentions various types of affliction many times in these texts How might Paul's audience have understood them In *Suffering in Romans* Siu Fung Wu argues that Paul speaks of the vocation of the Jesus followers to participate in Christ's suffering with the purpose that they may be glorified with him Indeed their identification with Christ's suffering is an integral part of God's project of transforming humanity and renewing creation It is in their faithful suffering that Christ followers participate in God's triumph over evil This is counter intuitive because most people think that victory is won by power and strength Yet the children of God partake in his cosmic victory by their suffering aided by the Spirit and the hope of glory
