the years after the Johnson County War he was eventually tried and hanged for killing a fourteen year old boy Horn's guilt is still debated To an extent no previous scholar has managed to achieve Ball distinguishes the truth about Horn from the numerous legends Both the facts and their distortions are revealing especially since so many of the untruths come from Horn's own autobiography As a teller of tall tales Horn burnished his own reputation throughout his life In spite of his services as a civilian scout and packer his behavior frightened even his lawless companions Although some writers have tried to elevate him to the top rung of frontier gun wielders questions still shadow Horn's reputation Ball's study concludes with a survey of Horn as described by historians novelists and screenwriters since his own time These portrayals as mixed as the facts on which they are based show a continuing fascination with the life and legend of Tom Horn Canadian Books in Print ,1975
