Ark To The Future A Family Time Capsule:

Ark to the Future Joost Elffers, Michael Fragnito, 1999-10 Two postcards that can be addressed to future generations and included in the time capsule a sheet of elegant labels that can be affixed to the capsule a rooted family tree a certificate that keeps track of the capsule's location and twelve acid free slip sheets that protect the memory album's contents complete the package The capsule contains two separate compartments where jewelry letters disks tapes and other meaningful personal items can be stored Once completed the capsule can be sealed with a permanent label and dedicated to those family members who will open it on a designated day far in the future Through The Ark to the Future the reader can collect and preserve a living legacy of his or her life and send it on for the discovery and delight of future generations **Time**

Capsules William E. Jarvis, 2015-10-05 Time capsules have been used for thousands of years to store for posterity a selection of objects thought to be representative of life at a particular time Such vessels have the dual purpose of causing participants to ponder their own cultural era and think about those to come This work is a cultural history of five thousand years of time capsules and other related time information transfer experiences It examines both the formal and the popular culture aspects of the time capsule from its roots in ancient Mesopotamian and Egyptian building foundation deposits to the present utilization of spacecraft probes and other extreme locations The deposits of 3000 BCE deliberately had no definite date and time to be opened in 1876 CE came the idea of target dated deposits Also discussed are how real time capsules work notional and archaeological time capsules the height of the time capsule's popularity from 1935 to 1982 the preservation of writings in time capsules keeping time in a perpetual futurescape and turn of the century hype surrounding millennium time capsules
