*The Armenians in America* Malcolm Vartan Malcom,1969     Armenians in America ,1977     The Armenian Americans David Waldstreicher,1989 Discusses the history culture and religion of the Armenians factors encouraging their emigration and their acceptance as an ethnic group in North America     **Torn Between Two Lands** Robert Mirak,1983

Armenian-Americans Anny P. Bakalian, Based on the results of an extensive mail questionnaire survey in depth interviews and participant observation of communal gatherings this book analyzes the individual and collective struggles of Armenian Americans to perpetuate their Armenian legacy while actively seeking new pathways to the American Dream This volume shows how men and women of Armenian descent become distanced from their ethnic origins with the passing of generations Yet assimilation and maintenance of ethnic identity go hand in hand The ascribed unconscious compulsive Armenianness of the immigrant generation is transformed into a voluntary rational situational Armenianness The generational change is from being Armenian to feeling Armenian The Armenian American community has grown and prospered in this century     The Armenians in America (Classic Reprint) M. Vartan Malcom,2015-07-08 Excerpt from *The Armenians in America* It was the lack of a handy book on the subject of the Armenians in America which first induced me to undertake the preparation of this volume My original intention contemplated a larger edition containing more extended historical and statistical records But the sudden cessation of the war and the consequent rise of great national and economic questions particularly those touching the Armenian people have made it advisable not to wait any longer The primary object of this book as indicated by its title is to present a sketch of the history life and activities of the Armenians in the United States Circumstances however have incidentally added a greater importance to it Those who are competent to judge and speak of the Armenians have described them as The Anglo Saxons of the East They are unanimous in their belief that these people are not only one of the superior races in Southeastern Europe and Asia Minor but by far the most fit and capable of self government About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
