Arrest Control Techniques And Baton Tactics For The Basic Police Academy:

Arrest Control Techniques and Baton Tactics Rod Sanford, 1986 For Security Personnel, DEFENSIVE BATON, 2020 Mürsel Sevindik, 2020-04-17 This book covers Defensive Baton issues for law enforcement officer The goal is for the officers to understand and demonstrate the tactical fundamentals of the baton in an operational setting and its proper use as an intermediate impact weapon One of the major dilemmas facing law enforcement today is the continually increasing number of assaults on police officers as they perform their duties How can the officer respond to this critical situation without resorting to deadly force Modern law enforcement tool has been developed to increase officers ability to protect themselves particularly in those cases not justifying the use of deadly force That tool is the baton The ability to use force lawfully against the public is the primary factor which distinguishes the police from the rest of society The police service is unique in society as they are the only civil organization that has been given the authority to use force As a result of this responsibility the use of force by the police comes under close scrutiny by both the public and the courts The baton can be utilized when empty hand techniques are not effective A trained officer who is proficient in the use of the baton is better able to protect himself and is less likely to resort to the use of his firearm The main purpose of the baton is to stun or temporarily disable rather than cause permanent injury The baton is not designed as a lethal weapon and is not an instrument of punishment It is to be used in a skillful manner to counter or stop an aggressive subject The techniques shown in this booklet has been universally accepted and are defensible in court They are designed to work efficiently for all officers male female small large fit and the less fit Topics and techniques presented in this book will be of both great interest and great value to trainers and students of law enforcement **For Security Personnel, HANDCUFFING**, 2020 Mürsel Sevindik, 2020-04-15 This book covers Handcuffing issues for law enforcement officer The goal is to understand and be able to perform proper techniques of using handcuffs Handcuffs are temporary restraining devices designed to control the movements of a subject Officers may routinely use handcuffs to control restrain and transport persons Restraining devices will be applied properly and in accordance with training received so as to minimize the risk of unnecessary injury The design of handcuffs ensures that the subject's movements are controlled to reduce the risk of injury to the police officer members of the public and the subject himself The most common types of handcuffs used in law enforcement today are the traditional and hinged variety In addition officers also use plastic cuffs in some situations Handcuffs do not entirely immobilize a suspect Regardless of the type used it is imperative that officers be aware that the police style handcuff is a temporary restraining device and that its proper use and application is crucial for the safety of the officer and subject Topics and techniques presented in this book will be of both great interest and great value to trainers and students of law enforcement For Security Personnel, DEFENCE and INTERVENTION, Theory and Practice, 2020 (Officer Survival Skills, Use of Force, Soft Empty Hand Control, Hard Empty Hand Control, Weapon Retention and Disarming, Handcuffing, Conducting Suspect Searches, Defensive Baton) Mürsel

Sevindik,2020-04-29 This book covers Officer Survival Skills Use of Force Soft Empty Hand Control Hard Empty Hand Control Weapon Retention and Gun Disarming Handcuffing Conducting Suspect Searches and Defensive Baton issues for law enforcement officer The most important priority of the officer is able to survive in dangerous situations These techniques provide officers self confidence which is needed to win Law enforcement officers are authorized to use a range of force options to preserve the peace prevent crimes maintain order and apprehend suspects Soft empty hand techniques are the first option of physical response used to restrain a person who is resisting Hard Empty Hand Control techniques are defined as striking techniques In some close encounters a suspect may try to grab the officer s sidearm Officers must develop a defensive awareness that their weapon can be snatched Handcuffs are temporary restraining devices designed to control the movements of a subject Body searching is a careful systematic examination of the suspect at the scene of a crime or immediately after apprehension A trained officer who is proficient in the use of the baton is better able to protect himself and is less likely to resort to the use of his firearm Topics and techniques presented in this book will be of both great interest and great value to trainers and students of law enforcement For Security Personnel, OFFICER SURVIVAL SKILLS, 2020

Mursel Sevindik,2020-04-05 This book covers Officer Survival Skills issues for law enforcement officer The goal is to develop the law enforcement officer s understanding of officer survival for the safe and efficient performance of their duty The majority of police officers duties become routine though the potential for danger is always present The duties of the officer require them to enforce laws and to control the illegal actions of certain citizens Survival techniques if properly applied provide the officer an opportunity to overcome the resistive behavior of subjects These techniques also provide officers with self confidence which is needed to win When an officer uses force peers the public the media the government and the world review that actions If the officer applies inappropriate force it reflects poorly on the individual and gives a non professional appearance to the entire force The officer is subject to legal limitations When the officer is faced with a violent situation it is required that he make decisions in a fraction of a second He may have to justify his actions in court Therefore proper defensive tactics training provides the officer with the tools required not only to apply the proper techniques but also to decide the proper level of force necessary to overcome resistance This will obviously enhance officer survivability insure proper performance during the situation and justification in court Topics and techniques presented in this book will be of both great interest and great value to trainers and students of law enforcement **DEFENCE and INTERVENTION -1- (Officer Survival Skills, Use of Force, Soft Empty Hand Control, Hard Empty Hand Control)** Mürsel

Sevindik,2020-04-25 This book covers Officer Survival Skills Use of Force Soft Empty Hand Control Hard Empty Hand Control issues for law enforcement officer The most important priority of the officer is able to survive in dangerous situations Survival techniques if properly applied provide the officer an opportunity to overcome the resistive behavior of subjects These techniques also provide officers with self confidence which is needed to win The primary responsibility of the law

enforcement officer is to protect life and ensure public order They are authorized to use a range of force options to preserve the peace prevent crimes maintain order and apprehend suspects Soft empty hand techniques are the first option of physical response used to restrain a person who is resisting By developing a high degree of proficiency with soft empty hand techniques the officer will be able to respond in a more effective manner with a minimal amount of force Hard Empty Hand Control techniques are defined as striking techniques They are always defensive not offensive These techniques are used to control active aggression with empty hands and feet when the intermediate use of weapons is justified but are not tactically available Topics and techniques presented in this book will be of both great interest and great value to trainers and students of law enforcement *For Security Personnel, CONDUCTING SUSPECT SEARCHES, 2020* Mürsel Sevindik,2020-04-16 This book covers Suspect Searching issues for law enforcement officer The goal for officers to understand and be able to perform proper techniques of searching a subject and escorting him to a designated area A search is a careful systematic examination of the suspect s person at the scene of a crime or immediately after apprehension Body searching is a vague subject It is very difficult to perform in a proper and effective way In body searching there is close contact between the officer and suspect Being in such close contact sometimes creates a critical situation Everyone placed under arrest must be searched There should be no exceptions to this rule Failure to conduct a proper search could cost an officer s or civilians life Generally there is no legal distinction between searching and handcuffing a man or a woman Gender should not be an inhibiting factor in the application of proper techniques However these techniques should be tempered with the individual officer s good judgment Police officers should not confuse the object of the search with the application of the search technique A cooperative suspect should not lull the police officer into a false sense of security The suspect s attitude is no guarantee that they will not attempt to escape when such an opportunity presents itself Topics and techniques presented in this book will be of both great interest and great value to trainers and students of law enforcement *For Security Personnel, HARD EMPTY HAND CONTROL, 2020* Mürsel Sevindik,2020-04-14 This book covers Hard Empty Hand Control issues for law enforcement officer The goal is to provide police officers with an understanding of the principles of Hard Empty Hand Control techniques Hard Empty Hand Control techniques are defined as striking techniques These techniques are used to control active aggression with empty hands and feet when the intermediate use of weapons is justified but are not tactically available The term hard is descriptive of the nature of the technique Hard empty hand strikes are always defensive not offensive These techniques are taught to protect lives from immediate danger All hard empty hand control techniques are basic in nature however they address non lethal use of force situations and are generally reliable and effective when properly utilized Police officers should learn and demonstrate knowledge of the striking areas as well as methods of striking When these techniques become necessary loud clear repetitive verbal commands are an important aspect of the control process The subject needs to know what the officer desires him her to do In addition verbal and physical de escalation is always preferred and should be attempted if applicable

In training safety is paramount Perfect practice makes perfect Proper technique is more important than the speed of technique application Proficiency will increase the speed proportionally Topics and techniques presented in this book will be of both great interest and great value to trainers and students of law enforcement For Security Personnel, SOFT EMPTY HAND CONTROL, 2020 Mürsel Sevindik,2020-04-14 This book covers Soft Empty Hand Control issues for law enforcement officer The goal is to demonstrate to officers the understanding of the principles and appropriate use of Soft Empty Hand Control techniques Law Enforcement officers are authorized to use a range of force options to preserve the peace prevent crimes maintain order and apprehend suspects Soft empty hand techniques are the first option of physical response used to restrain a person who is resisting By developing a high degree of proficiency with soft empty hand techniques the officer will be able to respond in a more effective manner with a minimal amount of force A police officer experiences different kinds of adverse situations while performing his her duty Sometimes his her own life may be threatened due to a suspect s actions Therefore it is essential for the officer to know defensive tactics to protect him her and to control adverse situations In modern society police have different responsibilities such as crime investigation providing security crime control etc Therefore the officer must be aware of special tactics by which he she can defend him herself against stabbing grabbing pushing kicking using sharp and dangerous weapons and firearms Within a fraction of a second a police officer must be able to react properly otherwise it may prove to be a fatal situation Every officer must be aware of defensive tactics and should be able to apply them effectively whenever required Topics and techniques presented in this book will be of both great interest and great value to trainers and students of law enforcement **DEFENCE and INTERVENTION -2- (Weapon Retention and Disarming, Handcuffing, Conducting Suspect Searches, Defensive Baton)** Mürsel Sevindik,2020-04-25 This book covers Weapon Retention and Gun Disarming Handcuffing Conducting Suspect Searches and Defensive Baton subjects for law enforcement officer In some close encounters a suspect may try to grab the officer s sidearm Loss of the officer s gun could mean the loss of his her life The officer or civilians may be killed or injured by offenders who take and use an officer s firearm Officers must develop a defensive awareness that their weapon can be snatched Handcuffs are temporary restraining devices designed to control the movements of a subject However they do not entirely immobilize a suspect Its proper use and application is crucial for the safety of the officer subject and public Body searching is a vague topic It is a careful systematic examination of the suspect at the scene of a crime or immediately after apprehension Failure to conduct a proper search could cost an officer s or civilians life Modern law enforcement tool baton has been developed to increase officers ability to protect themselves particularly in those cases not justifying the use of deadly force A trained officer who is proficient in the use of the baton is better able to protect himself and is less likely to resort to the use of his firearm Topics and techniques presented in this book will be of both great interest and great value to trainers and students of law enforcement **Master the Police Officer Exam: Five Practice Tests** Peterson's,2011-03-01 Peterson s Master the Police Officer Exam Five
