Arrogant Diplomacy U S Policy Toward Colombia 1903 1922:

Arrogant Diplomacy Richard L. Lael, 1987 To find more information about Rowman and Littlefield titles please visit [www rowmanlittlefield com](http://www.rowmanlittlefield.com) The New Cambridge History of American Foreign Relations William Earl Weeks, Walter LaFeber, Akira Iriye, Warren I. Cohen, 2013-04-08 This second volume of the updated edition describes the dynamics of United States foreign policy from 1865 to 1913 **The War of 1898 and U.S. Interventions, 1898-1934** Benjamin R. Beede, 1994-05 A fascinating encyclopedic survey of the Spanish Cuban American War the Philippine War and the small wars between 1899 and the end of the occupation of Haiti in 1934 The name changes themselves are instructive The usage of Spanish American War ignores the fact that the war in Cuba had been la *The Cambridge History of American Foreign Relations: Volume 2, The American Search for Opportunity, 1865-1913* Bradford Perkins, Walter LaFeber, Warren I. Cohen, Akira Iriye, 1993 Between the American Civil War and the outbreak of world War I global history was transformed by two events the United States s rise to the status of a great world power indeed the world s greatest economic power and the eruption of nineteenth and twentieth century revolutions in Mexico China Russia Cuba the Philippines Hawaii Panama Nicaragua and elsewhere The American Search for Opportunity traces the U S foreign policy between 1865 and 1913 linking these two historic trends by noting how the United States usually thought of as antirevolutionary and embarked on a search for order during this era actually was a determinative force in helping to trigger these revolutions Walter LaFeber argues that industrialization fuelled centralisation Post Civil War America remained a vast unwieldy country of isolated parochial communities but the federal government and a new corporate capitalism now had the power to invade these areas and integrate them into an industrialization railway linked nation state The furious pace of economic growth in America attracted refugees from all parts of the world Professor LaFeber describes and influx of immigration so enormous that it led to America s first exclusionary immigration act In 1882 the United States passed legislation preventing all Chinese immigrant labour skilled and unskilled from entering the country for the next 10 years **The Cambridge History of Latin America** Leslie Bethell, 1984 This is an authoritative large scale history of the whole of Latin America from the first contacts between native American peoples and Europeans in the late fifteenth and early sixteenth centuries to the present day Donegan and the Panama Canal Thomas E. Morrissey, 2009-10-06 Donegan and the Panama Canal is a fictionalized first person story of why and how the United States built a canal in Panama in 1903 This story is a sequel to Mr Morrisseys previous novel of the Spanish American War Donegan and the Splendid Little War No one had previously written an historical novel of either of these events The title character of Donegan and the Panama Canal is Patrick Donegan 1875 1958 the son of Irish immigrants to Philadelphia Donegan belatedly wrote this memoir in 1953 but his grandson Thomas Morrissey did not publish it for another fifty years Patrick Donegan had previously served on a Spanish merchant ship for two years before its captain stranded him in Santiago de Cuba in 1895 He became a war profiteer during the Cuban revolt against Spain and wrote

propaganda articles for the Cubans before William Randolph Hearst hired him to write for the New York Journal Donegan and the Splendid Little War relates how Donegan wrote biased pro Cuban stories for Hearst He telegraphed a misleading account of the explosion of the American battleship Maine which ultimately caused the United States to declare war on Spain He accompanied Theodore Roosevelt and the Rough Riders in their famous charge up San Juan Hill He published an exclusive eyewitness account of President McKinleys assassination but Hearst fired him when Joseph Pulitzer discovered that Donegan had written a short poem that may have inspired McKinleys assassin Donegan left the field of journalism and secretly became a lobbyist for the Panama Canal Donegan and the Panama Canal tells the story how Hearst ordered Donegan a year before he fired him in 1901 to sail around South America and disembark at the west coast of Nicaragua Hearst a Nicaraguan Canal partisan did not know that Donegan had already promised Philippe Bunau Varilla a French engineer who had served in Ferdinand de Lesseps earlier ill fated attempt to build a canal in Panama that he would support a Panama Canal Captain Michael Healy piloted the ship that carried Donegan during their long journey through the Strait of Magellan to Central America Donegan traveled through Nicaragua and interviewed her president and the American minister He wrote many negative articles about Nicaragua and warned the American public that many active and dangerous volcanoes flourished in Nicaragua that could easily destroy any canal built there Hearst appointed Donegan to cover the Washington political scene when he returned to New York Donegan accompanied Philippe Bunau Varilla when this French lobbyist promoted the Panama Canal in many speeches throughout the United States Bunau Varilla convinced Senator Mark Hanna President William McKinleys eminence grise that the Panama site was preferable to Nicaragua McKinley remained non committal about where to build the canal but Senator John Tyler Morgan of Alabama the chief Nicaragua advocate viciously attacked Philippe and Donegans Panama site After Hearst fired him after President McKinleys assassination Donegan sailed to France where he met William Nelson Cromwell the legal representative of the Panama Railroad and the New Panama Canal Company Donegan agreed to work with Cromwell on the canal question although he personally despised him Donegan conferred with Bunau Varilla in France but they quickly returned to America when they heard that Congress would soon vote on whether the canal should be built in Panama or Nicaragua All seemed lost when the House of Representatives overwhelmingly supported Nicaragua Bunau Varilla influenced the French Canal Company to lower the price for its canal concession and Donegan influenced President Roosevelt who previously favored Nicaragua to support the Panama site Congress had to make the final decision about the canal site Senator Morgans Committee on Interoceanic Canals supported the Nicaragua Canal Morgan and other senators argued that no can *United States-Latin American Relations, 1850-1903* Thomas M. Leonard,2014-11-20 United States Latin American Relations 1850 1903 is a collection of essays that provide an in depth analysis of the developing relationship between the Americas during the critical period from the Mexican War to the Panama Canal treaty of 1903 **A Companion to Theodore Roosevelt** Serge Ricard,2011-08-26 A Companion to Theodore

Roosevelt is the first comprehensive anthology to encompass Roosevelt as whole highlighting both his personality and his skilled diplomacy Revitalizes and internationalizes scholarship on this most popular and highly rated American president Covers many aspects of Roosevelt s personality and his policies domestic and foreign to create a complete picture of the man Provides scholarship from both sides of the Atlantic from established Roosevelt specialists respected scholars and a new generation of historians A new and fresh historiographical exploration of Roosevelt s life and ideas political career and achievements and his legacies

The Making of Modern Colombia David Bushnell,1993-02-09 Colombia s status as the fourth largest nation in Latin America and third most populous as well as its largest exporter of such disparate commodities as emeralds books processed cocaine and cut flowers makes this the first history of Colombia written in English a much needed book It tells the remarkable story of a country that has consistently defied modern Latin American stereotypes a country where military dictators are virtually unknown where the political left is congenitally weak and where urbanization and industrialization have spawned no lasting populist movement There is more to Colombia than the drug trafficking and violence that have recently gripped the world s attention In the face of both cocaine wars and guerrilla conflict the country has maintained steady economic growth as well as a relatively open and democratic government based on a two party system It has also produced an impressive body of art and literature David Bushnell traces the process of state building in Colombia from the struggle for independence territorial consolidation and reform in the nineteenth century to economic development and social and political democratization in the twentieth He also sheds light on the modern history of Latin America as a whole

U.S. Policy Toward Economic Nationalism in Latin America, 1917-1929 Michael L. Krenn,1990 *The United States and Latin America* Joseph Smith,2005-02-25 Providing a concise balanced and incisive analysis of US diplomatic relations with Latin America from 1776 to the end of the twentieth century this timely work explores central themes such as the structure of international relations and the pursuit of American national interest by the use of diplomacy cultural imperialism and economic and military power Joseph Smith examines the rise of the USA as an independent power its policy towards Latin American movements for independence the evolution of the Monroe Doctrine pan Americanism dollar diplomacy the challenge of communism Highlighting Latin American responses to US policy over a significant time span the study documents the development of a complex historical relationship in which the United States has claimed a pre eminent role arousing as much resentment as acquiescence from its southern neighbours Including a timely discussion of the current issues of debt trade and narcotics control this unique and valuable study will be of interest to all those with an interest in US and Latin American international relations

Colombia and World War I Jane M. Rausch,2014-06-12 In the horrific conflict of 1914 1918 known first as The Great War and later as World War I Latin American nations were peripheral players Only after the U S entered the fighting in 1917 did eight of the twenty republics declare war Five others broke diplomatic relations with Germany while seven maintained strict neutrality These diplomatic stances even those of the two actual belligerents

Brazil and Cuba did little to tip the balance of victory in favor of the allies and perhaps that explains why historians have paid scant attention to events in Latin America related to the war Nevertheless it is still remarkable that Percy Alvin Martin's classic account *Latin American and the War* first published in 1925 remains the standard text on the topic This book attempts to redress this gap by taking a fresh look at developments between 1914 and 1921 in one of the neutral nations Colombia This period which coincides with the presidency of Jos Vicente Concha 1914 1918 and his successor Marco Fidel Suarez 1918 1921 is filled with momentous developments not only in foreign policy when Colombian diplomats pressured by German British and U S propaganda struggled to maintain strict neutrality but also on the domestic scene as the newly installed Conservative regime faced political and economic crises that sparked numerous and violent protests Rausch's examination of the administrations of Concha and Suarez supports Martin's assertion that even those countries neutral in the Great War were not immune from its effects

Presidential Machismo Alexander DeConde, 2000 A look at the expansion of executive authority in America and the influence of scholars journalists and presidents themselves

Between Legitimacy and Violence Marco Palacios, 2006-06-06 DIV Comprehensive overview of modern Colombian history considers why Colombia's long established stable political institutions have not been able to prevent frequent and extreme violence div

U.S. Foreign Policy and National Security Robert T. Davis II, 2010-04-09 This comprehensive guide provides an in depth chronological overview of issues and policy processes related to U S foreign military and national security policy during the 20th century U S Foreign Policy and National Security Chronology and Index for the 20th Century provides a unique compilation of data never before combined in a single volume Key events and policy meetings are arranged in order by presidential administration from the McKinley administration to that of President Obama Each section begins with a concise list of policymakers including Cabinet level officials members of the National Security Council and senior ranks of the Department of State and Department of Defense supplemented with bibliographic data The bulk of each chapter is comprised of detailed lists of meetings of the president of the United States with key advisors and foreign dignitaries These meetings include international conferences meetings between the president and foreign leaders meetings of the joint chiefs of staff in World War II and meetings of the National Security Council since its creation in 1947 This unprecedented guide will be invaluable to researchers and indeed to anyone interested in the decisions that determined the course of U S history

Theodore Roosevelt--many-sided American Natalie A. Naylor, Douglas Brinkley, John A. Gable, 1992 Theodore Roosevelt Jr 1858 1919 twenty sixth President of the United States was born in New York City and lived in New York most of his life He was twice married to Alice Hathaway Lee and Edith Kermit Carow He was the father of six children and seventeen grandchildren

Term Paper Resource Guide to Twentieth-Century United States History Ron Blazek, Teri Maggio, Robert Muccigrosso, 1999-05-30 Students will write more effective term papers with this guide to 500 term paper ideas as well as a listing of appropriate print and nonprint sources on twentieth century U S history This guide presents entries on 100 of the

most important events and developments in twentieth century U S history organized in chronological order Each entry consists of a short description of the event followed by five specific suggestions for term papers about the event and a wide ranging annotated bibliography of 15 35 books articles videos and a web site appropriate for student research In every case the emphasis is on recent and up to date material as well as landmark works and primary sources Every entry contains a video and concludes with a recommended web site producing a multimedia approach designed to appeal to the current information gathering habits and preferences of young people From the Spanish American War to the creation of NAFTA the 100 events and developments cover political social economic and cultural issues The work has been designed to meet the needs of the U S history curriculum Term paper topic ideas offer students thought provoking suggestions that are challenging and develop critical thinking skills The annotated bibliography is organized into reference sources general sources specialized sources biographical sources periodical articles recommended videos and World Wide Web sites All items are readily available in school public and academic library collections This unique guide is valuable not only to students but to teachers and librarians who guide students in research and is an excellent purchasing guide for librarians who serve student needs

The Second Century Mark T. Gilderhus, 2000 *The Second Century* U S Latin American Relations since 1889 focuses on U S relations with Latin America during the second century a period bounded by the advent of the New Diplomacy late in the nineteenth century and the end of the Cold War about one hundred years later This text provides a balanced perspective as it presents both the United States s view that the Western Hemisphere needed to unite under a common democratic capitalistic society and the Latin American countries response to U S attempts to impose these goals on their southern neighbors This book examines the reciprocal interactions between the two regions each with distinctive purposes outlooks interests and cultures It also places U S Latin American relations within the larger context of global politics and economics *The Second Century* is an excellent text for courses in Latin American history and diplomatic history

Why the Victims' Law Applies to Me Christian Jaramillo, 2014-03-06 *Why the Victims Law Applies to Me* is an analysis of Colombian political philosophy based on the authors own experiences and departs from a specific historical context and liberal approach The author presents a new approach to Latin Americans and Colombians realities and denounces the misrepresentations of Colombias History past and present He also proposes solutions and a development platform to envision a future with optimism Jaramillo reveals the current and past perpetrators of the violence in Colombia denounces the public servants that plunder the countrys institutions and relentlessly calls for the need for the State to provide Ethical and Moral education through mandatory school and university programs With his vibrant agile and brilliant writing style the author submerges the reader into the complex subject of Violence Jaramillo presents a coherent and well documented work which will serve as a foundation for future scholars and writers on Colombias History especially over the last seventy years This book contains many press releases that corroborate all aspects of Jaramillos observations making it a very up to date book in terms of

Colombian current affairs The author includes an extensive bibliography at the end of the book which documents the complex events experienced in Colombia as well as two annexes to clarify the context for the reader Emperors in the Jungle John Lindsay-Poland, 2003-02-11 Focuses on environmental policy and human rights dimensions of the activities of the U S military in Panama analyzing the guiding mythologies and racial stereotypes behind the US s colonialism in the region
