Psychotherapy As If Life Really Mattered Christopher Alan Anderson, 2012-09-13 A psychology for the New Age from which we may finally discover through each opposite other Who am I and Why am I here bringing closure to our incompleteness There is only one choice in life each other In the one force paradigm this is the exact choice we have not been able to make No wonder why we long ago went crazy We are blocked from our procreative life together in spirit mind and body But with the understanding of the two forces of creation in making the conscious metaphysical distinction between male and female we can now rectify this problem We can accept our other half into our hearts and lives by simply saying I choose you Such is the existential choice that will bring life to our lives Psychotherapy As If Life Really Mattered Author Bio Christopher Alan Anderson 1950 received
