Art Religion 1921:

Art and Religion - 1921 Von Ogden Vogt, 2006-01-01 One puts forth any venture of constructive suggestion for these confused times only with the greatest diffidence knowing far better than any critic can know the weaknesses and ignorances revealed Yet there need be no diffidence about any fresh testimony that beauty is desirable and good nor about the consequent contention that the religion of Protestantism stands profoundly in need of realizing it This together with some practical explications is all I want to say to churchmen To artists and lovers of the beautiful I want to speak my definite expectation of a time soon to come again when patrons of the arts will see in the religious institution an incomparable opportunity for the most pervasive influence of beauty upon the people Every church building in village or city should itself be a noble work of art And the arts have each a proper place in the fostering of the supreme experience of worship **The Rise of Liberal Religion** Matthew Hedstrom, 2013 Winner of the Frank S and Elizabeth D Brewer Best First Book Prize of the American Society of Church History Society for U S Intellectual History Notable Title in American Intellectual History The story of liberal religion in the twentieth century Matthew S Hedstrom contends is a story of cultural ascendancy This may come as a surprise most scholarship in American religious history after all equates the numerical decline of the Protestant mainline with the failure of religious liberalism Yet a look beyond the pews into the wider culture reveals a more complex and fascinating story one Hedstrom tells in The Rise of Liberal Religion Hedstrom attends especially to the critically important yet little studied arena of religious book culture particularly the religious middlebrow of mid century as the site where religious liberalism was most effectively popularized By looking at book weeks book clubs public libraries new publishing enterprises key authors and bestsellers wartime reading programs and fan mail among other sources Hedstrom is able to provide a rich on the ground account of the men women and organizations that drove religious liberalism's cultural rise in the 1920s 1930s and 1940s Critically by the post WWII period the religious middlebrow had expanded beyond its Protestant roots using mystical and psychological spirituality as a platform for interreligious exchange This compelling history of religion and book culture not only shows how reading and book buying were critical twentieth century religious practices but also provides a model for thinking about the relationship of religion to consumer culture more broadly In this way The Rise of Liberal Religion offers both innovative cultural history and new ways of seeing the imprint of liberal religion in our own times Religion and Law in Serbia Marko Nikolić, Vladimir Davidović†, Darko Tanasković, Mileta Radojević†, 2024-04-17 Derived from the renowned multi volume International Encyclopaedia of Laws this convenient resource provides systematic information on how Serbia deals with the role religion plays or can play in society the legal status of religious communities and institutions and the legal interaction among religion culture education and media After a general introduction describing the social and historical background the book goes on to explain the legal framework in which religion is approached Coverage proceeds from the principle of religious freedom through the rights and contractual

obligations of religious communities international transnational and regional law effects and the legal parameters affecting the influence of religion in politics and public life Also covered are legal positions on religion in such specific fields as church financing labour and employment and matrimonial and family law A clear and comprehensive overview of relevant legislation and legal doctrine make the book an invaluable reference source and very useful guide Succinct and practical this book will prove to be of great value to practitioners in the myriad instances where a law related religious interest arises in Serbia Academics and researchers will appreciate its value as a thorough but concise treatment of the legal aspects of diversity and multiculturalism in which religion plays such an important part *Religious Aesthetics* Frank Burch Brown,1993-05-09 In this groundbreaking work Brown shows how aesthetics no less than ethics can play a central role in the study of religion and in the practice of theology An important book wide ranging often very witty showing an impressive grasp of the current state of aesthetics and possible new directions Nick McAdo British Journal of Aesthetics **Books of 1912-** Chicago Public Library,1923 Christian Worship in North America James F. White,2007-12-01 In recent years scholars have paid increasing attention to the richness and diversity of North American contributions to Christian worship This volume of articles by James F White summarizes a major segment of liturgical history 1955 1995 Characteristic North American emphases such as liturgy and justice are highlighted along with other issues growing out of the worship context of the New World Risking Immeasurable Harm Benjamin C. Montoya,2020-04 The debate over restricting the number of Mexican immigrants to the United States began early in the twentieth century a time when U S Mexican relations were still tenuous following the Mexican Revolution and when heated conflicts over mineral rights primarily oil were raging between the two nations Though Mexico had economic reasons for curbing emigration the racist tone of the quota debate taking place in the United States offended Mexicans national pride and played a large part in obstructing mutual support for immigration restriction between the United States and Mexico *Risking Immeasurable Harm* explains how the prospect of immigration restriction affects diplomatic relations by analyzing U S efforts to place a quota on immigration from Mexico during the late 1920s and early 1930s The controversial quota raised important questions about how domestic immigration policy debates had international consequences primarily how the racist justifications for immigration restriction threatened to undermine U S relations with Mexico Benjamin C Montoya follows the quota debate from its origin in 1924 spurred by the passage of the Immigration Act to its conclusion in 1932 He examines congressional policy debate and the U S State Department s steady opposition to the quota scheme Despite the concerns of American diplomats in 1930 the Senate passed the Harris Bill which singled out Mexico among all other Latin American nations for immigration restriction The lingering effects of the quota debates continued to strain diplomatic relations between the United States and Mexico beyond the Great Depression Relevant to current debates about immigration and the role of restrictions in inter American diplomacy *Risking Immeasurable Harm* demonstrates the correlation of immigration restriction and diplomacy the ways racism can affect

diplomatic relations and how domestic immigration policy can have international consequences **Statistics of Land-grant Colleges and Universities** United States. Office of Education,1922 **Bulletin** ,1922 **Preparation of Teachers of the Social Studies for the Secondary Schools** Edgar Dawson,Enoch George Payne,James Chidester Egbert,John Charles Muerman,Julia Wade Abbot,Newell Walter Edson,Teresa Bach,Thomas Andrew Storey,Walter Sylvanus Deffenbaugh,Elon Galusha Salisbury,Willard Stanton Small,1922 **Record of Current Educational Publications** ,1922

The Maritain Factor Rajesh Heynickx,Jan de Maeyer,2010 During the 1920 s and 1930 s many European modernist artists and intellectuals were seeking a primordial finality in Catholicism In order to distil the eternal from the transitory they became fascinated by a thought frame promoted by the French philosopher Jacques Maritain neo Thomism a revival of the study of the principles and methodology of the thirteenth century theologian Chomas Aquinas **The Age of Faith** Will Durant,2011-06-07 The Story of Civilization Volume IV A history of medieval civilization Christian Islamic and Judaic from Constantine to Dante A D 325 1300 This is the fourth volume of the classic Pulitzer Prize winning series *Committee Prints* United States. Congress. Senate. Committee on the Judiciary,1965 Hearings, Reports and Prints of the Senate Committee on the Judiciary United States. Congress. Senate. Committee on the Judiciary,1964 **Revenue Act of 1924** United States. Congress. Senate. Committee on Finance,1924 Union Catalog of the Graduate Theological Union Graduate Theological Union. Library,1972 **Alfred H. Barr, Jr. and the Intellectual Origins of the Museum of Modern Art** Sybil Kantor,2003-08-29 An intellectual biography of Alfred H Barr Jr founding director of the Museum of Modern Art Growing up with the twentieth century Alfred Barr 1902 1981 founding director of the Museum of Modern Art harnessed the cataclysm that was modernism In this book part intellectual biography part institutional history Sybil Gordon Kantor tells the story of the rise of modern art in America and of the man responsible for its triumph Following the trajectory of Barr s career from the 1920s through the 1940s Kantor penetrates the myths both positive and negative that surround Barr and his achievements Barr fervently believed in an aesthetic based on the intrinsic traits of a work of art and the materials and techniques involved in its creation Kantor shows how this formalist approach was expressed in the organizational structure of the multidepartmental museum itself whose collections exhibitions and publications all expressed Barr s vision At the same time she shows how Barr s ability to reconcile classical objectivity and mythic irrationality allowed him to perceive modernism as an open ended phenomenon that expanded beyond purist abstract modernism to include surrealist nationalist realist and expressionist art Drawing on interviews with Barr s contemporaries as well as on Barr s extensive correspondence Kantor also paints vivid portraits of among others Jere Abbott Katherine Dreier Henry Russell Hitchcock Philip Johnson Lincoln Kirstein Agnes Mongan J B Neumann and Paul Sachs **A History of the Ancient World** Mikhail Rostovtzeff,1926

The Oxford Encyclopedia of Women in World History Bonnie G. Smith,2008 The Encyclopedia of Women in World History captures the experiences of women throughout world history in a comprehensive 4 volume work Although there has

been extensive research on women in history by region no text or reference work has comprehensively covered the role women have played throughout world history The past thirty years have seen an explosion of research and effort to present the experiences and contributions of women not only in the Western world but across the globe Historians have investigated womens daily lives in virtually every region and have researched the leadership roles women have filled across time and region They have found and demonstrated that there is virtually no historical social or demographic change in which women have not been involved and by which their lives have not been affected The Oxford Encyclopedia of Women in World History benefits greatly from these efforts and experiences and illuminates how women worldwide have influenced and been influenced by these historical social and demographic changes The Encyclopedia contains over 1 250 signed articles arranged in an A Z format for ease of use The entries cover six main areas biographies geography and history comparative culture and society including adoption abortion performing arts organizations and movements such as the Egyptian Uprising and the Paris Commune womens and gender studies and topics in world history that include slave trade globalization and disease With its rich and insightful entries by leading scholars and experts this reference work is sure to be a valued go to resource for scholars college and high school students and general readers alike
