Country Splendor:

Country Alpha City Omega Tabatha Austin, 2019-09-14 Being soul mates doesn't mean you get along and never fight. It means there's someone in your life who completes you. Alex has given up on love and why shouldn't he? As an ex-gang banger with a long list of enemies, he's not exactly perfect husband material. He did what he had to do to stay alive and if that meant running with a gang and tarnishing his reputation, then so be it. But one day after fleeing the gang that had given him protection for so many years, he comes across a magical town called Whispering Hills where soul mates can seek each other out and live happily ever after. If they are willing to wait for each other. He finds himself drawn to this town as if by a supernatural force where he meets Jake who awakens a passion in him like none other. The ghosts of Alex's past will not rest easily, however. When a dangerous foe from his former gang rears his ugly head, Alex knows that both his love for Jake and his courage to start his life over will be tested to the limit. Can love really conquer all? Note: Country Alpha City Omega is a steamy Mpreg 64,000 word novel set in a paranormal Omegaverse. This male-male romance contains male pregnancy and is intended for adult readers.

Secrets of the New World Scott Kinkade, 2013-02-28 Unruly Austrian princess Farahilde Johanna returns in her own steampunk adventure. Her brother, the emperor, drags her to America to secure a technologically advantageous alliance with George Washington. But once she arrives, she becomes embroiled in multiple conspiracies, not all of them devised by human hands. She doesn't know what's worse: the assassination attempts, the otherworldly invasion, or her arranged marriage to a Prussian prince. She might just save the world if she doesn't start a war in the process.

Around the Gunnison Country Duane Vandenbusche, 2016-05-30 The Gunnison country, 4,000 square miles of high valleys, heavy snows, deep canyons, and 14,000 foot high mountains, is one of Colorado's most beautiful regions. Located on the Western Slope of Colorado, the Gunnison country has a long history involving Native Americans, mining, narrow gauge railroads, ranching, Western State Colorado University, and recreation. The region has also been influenced by nearby Lake City in the San Juan Mountains, Aspen in the Elk Mountains, and towns on the east side of the famed and historic Alpine Railroad Tunnel. Today, the Gunnison country still is beautiful and tranquil, hosting nearly 2,000,000 visitors yearly while remaining much the same as it was over 125 years ago.

The Life of a Freedom Fighter Helen Marie Fias, 2008-04 Helen Marie Fias has written many short stories, Bible studies, and novels based on her experiences and teachings. She was raised on a dairy farm in Wisconsin but spent most of her adult life in the beautiful Western side of Washington State. Helen's interests, besides being a wife and mother, have been oil painting, ceramic making, teaching the Bible, and writing. Two of her novels based on her young life on a dairy farm, *Country Splendor* and *Country Splendor Embraced*, have been published and well received. In 1960, she was divorced from her first husband and raised three small children with the help of her parents. When, by chance, she met a recently widowed young Hungarian man, they found that even though their lives were so different from each other's, still the attraction between them was strong. Tibor Fias had lost his wife in a house fire and his three babies had died in their infancy.

He insisted on marrying Helen shortly after they met and adopting her daughter and two sons Eventually another son and daughter were born to them rounding out their family The Life of a Freedom Fighter is her latest endeavor relating the exciting experiences of her husband s life in Hungary that ended with his bringing his young bride with him to the United States after the Hungarian Revolution in 1956 was lost He lived a fascinating life full of intrigue danger romance and wars His story captivates his audiences with them encouraging him to put it into print Papyrus Irene Vallejo,2025-02-04 A masterly Economist prize winning internationally bestselling history of books in the ancient world Exquisite Beautifully translated into English by Charlotte Whittle who is able to convey both Vallejo s passionate narrative presence and her synthesising intelligence The Guardian Long before books were mass produced hand copied scrolls made from Nile River reeds were the treasures of the ancient world Emperors and pharaohs determined to possess them dispatched emissaries to the edges of the known world to bring them back Exploring the deep and fascinating history of the written word from the oral tradition to scrolls to codices internationally bestselling author Irene Vallejo shows that books have always been a precious and precarious vehicle for civilization Through fascinating stories from history insightful readings of the classics and poignant personal reflection Vallejo traces the dramatic history of the book and the fight for its survival At its heart a spirited love letter to language itself Papyrus takes readers on a journey across the centuries to discover how a simple reed grown along the banks of the Nile would give birth to a rich and cherished culture *Medieval* Dallas S.
