This guide focuses on the well known as well as the more secluded venues for food accommodation and places of interest in the country **The Hidden Places of England** Peter Long,2004 England s landscape is as diverse as its culture It is a country with magnificent landscapes This guide looks at the more established places of interest throughout the country but it also focuses on the more secluded and little known visitor attractions and places to stay eat and drink **The British National Bibliography** Arthur James Wells,2009 **The Hidden Places of Wales** Joanna Billing,2003 This beautifully illustrated guides explores the country in a relaxed narrative style by guiding the reader to some of the established visitor attractions but also focusing on the more secluded and less well known places of interest and places to stay eat and drink Also known as the Red Dragon Wales is a country blessed with some of the most dramatic landscapes in Britain To the north lies Snowdonia a land of awe inspiring mountains wild moorlands and enchanting lakes Further south the land is abundant with deep valleys and vast forests Wales also has a rich cultural heritage full of myths and legends founded on Celtic ancestry but has an equally strong industrial past The Hidden Places of Devon David Gerrard,Peter Long,2005 The stunning county of Devon is a region blessed with beauty and is dotted with delightful little towns quaint stone villages and eye catching landscapes Lush green rolling hills are intersected with bright fresh streams and wooded valleys Devon is also home to the National Parks of Dartmoor and Exmoor which it shares with Somerset two areas of outstanding natural beauty Both parks have spectacular scenery that consist of bleak uplands and isolated moorland that stretch out towards a rugged coastline The book is packed with information covering the more secluded and little known venues for food drink accommodation and places of interest as well as the more enduring attractions of the region The new edition includes an attractive cover that incorporates an eye catching photograph of Erme Estuary on the south coast **The Coach Operators Handbook** ,2004 **Directories in Print** ,2011 The Vision of J.B. Priestley Roger Fagge,2011-12-15 An intellectual biography following the development of Priestley s thought from his engagement with social themes to his subsequent disillusion in the post war period Lonely Planet England Lonely Planet, **Portrayed on the Heart** Cynthia Hahn,2001-11-20 Hagiography or writing about and illustrating the lives of saints was one of the most creative areas for artistic inspiration in the literature and arts of the Middle Ages This book explores the sumptuously illustrated saints lives that were made in medieval Europe Cynthia Hahn discusses a broad range of manuscripts and other artifacts many of which are reproduced here and provides an analysis of their pictorial and narrative structure Hahn s book is a virtual compendium of images many rarely published as well as a learned study that deepens our understanding of the role of various types of saints the nature of their audience and the historical moment when individual works were produced After two informative introductory chapters setting the historical and narrative context of pictorial hagiography Hahn considers the Lives of Martyrs and Virgins Bishops Monks and Abbots and Kings and Queens and concludes with an examination of the extraordinary chronicles and illustrations of the lives of saints by the English monk Matthew Paris She considers such

questions as Why were illustrated saints lives produced in such great numbers during this period Why were they illustrated at all given the trouble and expense of such illustration And to whom did the saints lives appeal and how did their readers use them As she addresses these and other intriguing questions Hahn traces changes that occurred over time both in the images and the stories and shows how their creators mostly the intellectual elite were finely attuned to audience reception This important aspect of hagiographic production has received scant attention in the past and as she considers this issue in light of contemporary narrative theory Hahn brings us to a fresh appreciation of these intricately illustrated manuscripts and their multiple audiences

The Countryside Ideal Michael Bunce, 2005-10-26 God made the country man made the town William Cowper's words written two centuries ago underline an idealisation of rural life and landscape which persists to this day What are the main historical processes and ideas underlying the continuing attachment to the countryside How have these shaped popular values and lifestyles influenced artistic expression defined attitudes to nature country life and landscape and affected the development of both rural and urban landscapes What are the consequences for society and the environment These are the central questions addressed in this book The Countryside Ideal draws together diverse images of landscape to explore this preoccupation with place culture and representation in the West
