Court Circus Mess:

The Court Circus Mess O. O. Kandison, 2000-04 THE COURT CIRCUS MESS is Ogbebor's first provocative novel set in the Biggest Little City In The World He created a known and memorable character Mr Squirrel who has ties with the Casino gurus of the City Thrillers about corrupt system cold eyed Little City cops and weird judges have become routine fare these days Therefore shaping his memorable character as Mr Squirrel a sharp shrewd ex Washoe County Judge who resigned from the bench to turn his life up to God for the injustice he feels had ruined innocent men and women of the underclass made the novel a classic readable *A City of Bloodsuckers* O.O. Kandison, 2012-07-18 This novel is a work of fiction and the characters are all fictional that is they come out of my imagination But if they bear any resemblance to specific judges lawyers and cops it is not a matter of coincidence It is because I chose to use such names for them to get mad the same way I am mad about the injustice done to me by three judges for a crime I cried and swore I did not commit I was charged and found guilty even though I was the one who was assaulted and battered an assault and battery that has now partially left me deaf and above all has left me with only one testicle while the judges and the attorneys have played their games right I also created this fictional event of the court I have used names that came out of my imagination to represent all the players in this book and I put them in chapters where they are meant to serve my purpose the same way three notorious judges all served their purpose against me But I should make it clear though that the names of the noncourtroom players whom I have used here are products of my imagination or are used fictitiously Any resemblance to actual events or locales or persons living or dead is entirely coincidental Therefore the actions and motivations of these players are entirely my idea Again simply put there is no connection in the manner I brought them into the book If I have caused embarrassment to anyone other than some judges I have directed my anger to or the attorneys the security men of Circus Circus Hotel Casino and the cops in any manner I wish here and now to apologize openly and sincerely And bear in mind that without the humanities with the novelists playwrights poets and actors of our world let alone the comedians to express the First Amendment or mock those who wrong us or who rule the world we would not have movies or theaters Therefore all the movies we might think we have would be worth nothing Ogbebor K Ogbesia November 8 2001 **London** Jonathan Glancey, 2020-05-05 Bread and circuses free food and mass entertainment was the name contemporary social observers gave to the ancient Roman practice of keeping the common people happy and rebellion free Jonathan Glancey in this personal and passionate essay about the city he loves suggests that the same unformulated policy is the means by which modern London's citizens are kept as apolitical and passively pleasure loving as possible But shops restaurants and a few gorgeous buildings are he maintains a poor substitute for a creaking infrastructure and London's cachet as a boisterously creative but well run city will plummet if private vice is allowed to triumph over public virtue **Efemona** O. O. Kandison, 2022-01-03 This book is about an African woman coming to America and soon becoming Americanized only to go back to Africa her own country of Nigeria and teach

by example what she'd learned in America By teaching with examples she'd had all other African countries also in her heart Then she quickly grasps the idea that in the turn of the twenty first century of civilization all African countries should by now be striving and buoyant since they gain their independence from the Europeans The leaders of Nigeria if they were not morons dunces pigs and imbeciles should be leading the way to take Nkrumah and Patrice Emery Lumumba's message to new heights to unite African countries
