Crack Hotel:

Sicilians Don't Cry Leonardo Guzzardo, 2006-04 Like in *Sicilians Don't Cry* *Sicilians Don't Cry II* using the expression will take you on a roller coaster ride like you have never been on before It will make you laugh make you cry and pray that what happens to my twin brother Giovanni Guzzardo and I never happens to you And again I want to state that I have lived one of the most bizarre wildest dangerous and tragic life any human being could have ever lived I have been stabbed and shot before damn near beaten to death by people with baseball bats and being Catholic received my last rites two times In my life I made a lot of big money blew a lot of big money did a lot of gambling drank a lot of alcohol did a lot of drugs and from becoming a normal sex addict I became a hardcore sadist and masochist sex addict *My Personal Stop Message* BeBop, 2014-02 This is a true story of my encounter with the depths of drug and alcohol addiction The highlight of my addiction was crack cocaine This story depicts the finale of the high having moved from my hometown in Seattle to San Francisco California The kinds of people the struggle affording such an addiction and the sexual mental and medical problems that plagued me throughout the addiction along with the horrible loss of hygiene care which also accounts for lost self esteem and all that I encountered leading me to finally give it my all in quitting with no threats of ever going back to a world I knew I had not only lost very early in the addiction process but also now hate *The Book of Dreams* Sir Harlan Walters, 2013-11-19 *The Book Of Dreams* is a story of Love Heartbreak Drugs Travels and Carnivals across the United States Mostly this is a love and heartbreak story of a person so in love and their fall from grace The book details my 2012 trip across the United States fueled by love and drugs and my story from the fairs and carnivals across America It's a long story from Florida to California and a lot of bad and good too This is a story of heart break and sorrow is a sad story without the happy ending Read and find out the truth from a story of my travels It's a 24/7 non stop party page after page Based on true events across the United States , *America Anonymous* Benoit Denizet-Lewis, 2009-01-06 *America Anonymous* is the unforgettable story of eight men and women from around the country including a grandmother a college student a bodybuilder and a housewife struggling with addictions For nearly three years acclaimed journalist Benoit Denizet Lewis immersed himself in their lives as they battled drug and alcohol abuse overeating and compulsive gambling and sexuality Alternating with their stories is Denizet Lewis's candid account of his own recovery from sexual addiction and his compelling examination of our culture of addiction where we obsessively search for new and innovative ways to escape the reality of the present moment and make ourselves feel better Addiction is arguably this country's biggest public health crisis triggering and exacerbating many of our most pressing social problems crime poverty skyrocketing health care costs and childhood abuse and neglect But while cancer and AIDS survivors have taken to the streets and to the halls of Congress demanding to be counted millions of addicts with successful long term recovery talk only to each other in the confines of anonymous Twelve Step meetings A notable exception is the addicted celebrity who often enters and exits rehab with great fanfare Through the

riveting stories of Americans in various stages of recovery and relapse Denizet Lewis shines a spotlight on our most misunderstood health problem is addiction a brain disease A spiritual malady A moral failing and breaks through the shame and denial that still shape our cultural understanding of it and hamper our ability to treat it Are Americans more addicted than people in other countries or does it just seem that way Can food or sex be as addictive as alcohol and drugs And will we ever be able to treat addiction with a pill These are just a few of the questions Denizet Lewis explores during his remarkable journey inside the lives of men and women struggling to become or stay sober As the addicts in this book stumble fall and try again to make a different and better life Denizet Lewis records their struggles and his own with honesty and empathy

My Life and Journey from Homelessness and beyond James E. Wise,2010-03-01 This book is inspired by the true story of my life and journey from homelessness and beyond It s an inspiring story of courage tragedy adventure perseverance determination resilience faith and redemption The story is about my life in the beginning growing up surviving the fire incident and early demise of my three sisters Life without my father fear of my mother and life in the navy I suffered thirty years from low self esteem fear anger resentments worthlessness loneliness hopelessness homelessness substance abuse failed attempts to maintain

employment mental institutions churches shelters jails bad relationships and marriages too I walked in the kingdom of darkness Hell for thirty years determined to find myself I finally made a final decision to get my life on track once and for all One day I evaluated my entire life as far as I could remember I began to peel off the layers of my unresolved issues like a banana I confronted the tragic death of my three sisters which I honestly haven't done before for closure purposes I confronted the anger and resentments I harbored toward my mother for her failures including my father for abandoning me I was angry with myself for my history of substance abuse and homelessness also for not reaching out for help in the beginning when I should have done so I completed an intense detailed evaluation of my life one day I began to cry until I was all cried out I had enough faith to pray to God at the time I asked God to renew in me a new heart and spirit to serve him To be the man that he intended me to be After I finished praying I felt a huge weight lifted off my shoulders This was my defining moment and the turning point of my life I began to see light at the end of the tunnel I began to seek treatment for my depression and PTSD I attended NA meetings I began to read and apply the word of God in my life daily The wounds of my past miraculously began to heal Over a period of time my wife noticed an internal transformation taking place in my life I began to forgive everyone who done me wrong including my worst enemy of all myself Today I live a life of purpose not defeat drug free and living one day at a time I was compelled to write my life and journey from homelessness and beyond in hopes that my story may convey to anyone who may be struggling with their personal giants especially the homeless there is hope You can make it I'm grateful that I had the opportunity to have gotten the help I needed There are good people in the world I'm a veteran who enlisted and was honorably discharged from both the US Navy from 1986 to 1991 and the Army reserve from 1992 to 2000 Today I currently serve as an enlisted soldier in the Army of the Lord
