explaining that I would like to write a book By Sunday morning I had received an email back thanking me for contacting the company and that someone would call me Monday morning I received that phone call on Monday morning and the rest is history This book was meant to be With God s help I tried to relate how modern day women face some of the same trials that early biblical women faced Those early biblical women remained strong as women today remain strong Don t ever doubt the strength of a woman especially when she is determined to succeed no matter the obstacle I pray that reading this book will give hope to those who are in need of hope Hope comes through the forgiving grace of our Heavenly Father and His Son Jesus Christ I encourage men to also read this book I believe you will learn a lot that you did not know about women of old as well as women today

The Baby's Mission; Or, a Thought for Mothers. By Beta ,1871 *Jeroboam's Wife* Robin Gallaher Branch,2018-04-24 Much has been written about prominent women of the Bible such as Sarah Ruth and Esther But little attention has been paid to the obscure or unnamed women of the Old Testament whose words are not recorded Yet even while mute these women often played critical roles in the unfolding of God s plan at times signaling the emergence of great events In Jeroboam s Wife Robin Gallaher Branch introduces seven of these obscure yet noteworthy women and girls Through her careful examination of the literary contours of the biblical narratives she highlights their unique challenges and indelible contributions Drawing from contemporary biblical psychological and sociological scholarship Branch brings these women and their stories to life in fresh ways Thoughtful questions for personal reflection or group discussion help contemporary readers ponder how these women s lives are still relevant

Science and Religion in Neo-Victorian Novels John Glendening, 2013-04-17

Criticism about the neo-Victorian novel, a genre of historical fiction that reimagines aspects of the Victorian world from present-day perspectives, has expanded rapidly in the last fifteen years but given little attention to the engagement between science and religion. Of great interest to Victorians, this subject often appears in neo-Victorian novels, including those by such well-known authors as John Fowles, A.S. Byatt, Graham Swift, and Mathew Kneale. This book discusses novels in which nineteenth-century science, including geology, paleontology, and evolutionary theory, interacts with religion through accommodations, conflicts, and crises of faith. In general, these texts abandon conventional religion but retain the ethical connectedness and celebration of life associated with spirituality at its best. Registering the growth of nineteenth-century secularism and drawing on aspects of the romantic tradition and ecological thinking, they honor the natural world without imagining that it exists for humans or functions in reference to human values. In particular, they enact a form of wonderment, the capacity of the mind to make sense of, creatively adapt, and enjoy the world out of which it has evolved, in short, to endow it with meaning. Protagonists who come to experience reality in this expansive way release themselves from self-anxiety and alienation. In this book, Glendening shows how, by intermixing past and present fact and fiction, neo-Victorian narratives, with a few instructive exceptions, manifest this pattern.

All Quiet Along the Potomac Ethel Lynn Beers, Mrs. Ethelinda Elliot Beers, 1879 *Moses' Women* Shera Aranoff Tuchman, Sandra E. Rapoport, 2008

The complete story of the man Moses, history's premier prophet, lawgiver, and religious heroic figure, cannot be told without an understanding of the women in his life. The Bible tells us that Moses was born to Yocheved, daughter of Levi, third son of the Hebrew patriarch Jacob. He was watched over by his sister Miriam, drawn from the Nile waters by Batya, daughter of the Egyptian Pharaoh, raised as Egyptian royalty, and married to Zipporah, daughter of the high priest of Midian. But there is more depth to these women's lives than what appears in the sparse biblical text, and it is the Jewish biblical commentaries who unveil these layered nuances. This book draws upon these sources and recounts how the Hebrew midwives resisted carnal intimidation by the Egyptian Pharaoh, what occurred between Moses, Zipporah, and the angel of death that night in the desert, why Moses abandoned Zipporah, how Miriam championed her sister-in-law Zipporah, and was punished for it, and the identity of Moses' mysterious Kushite woman. *Moses' Women* weaves

these biblical narratives and the commentaries into a chronicle of the women who reared Moses bore his children advised him and intervened to save him time and again when his very life was trembling in the balance **BOOK JACKET** **Meeting Jesus Through the Jesse Tree** Anne Neuberger, 2013-07-18 Nobody Ever Told Me (or My Mother) That! Duncan M. Derrett, 1977 This volume develops the theme that the gospels especially John and Paul cannot be grasped without intimate and detailed knowledge of Jewish sources amongst which the Bible is neglected
