FROM THE
CIVIL WAR TO THE GULF WAR
COLONEL J. D. MORELOCK

EDITED BY WALTER J. BOYNE

Army Times Of Great Land Battles From The Civil War To The Gulf War

Mike Jess

Army Times Of Great Land Battles From The Civil War To The Gulf War:

The Army Times Book of Great Land Battles J. D. Morelock, 1999 **The Army Times Book of Great Land Battles** J. D. Morelock, 1999 From the Civil War's Battle of Gettysburg to the Gulf War's brilliantly orchestrated 100-hour AirLand Battle award-winning Army historian Colonel J. D. Morelock brings a lifetime of research and military experience to fourteen in-depth accounts of the world's most important battles. With rare insight and you are there immediacy he captures the drama and excitement of each confrontation from the vast historical perspective of global events to the ever-changing developments in strategy, weaponry and technology to the personal contributions of commanders and soldiers whose individual stories of courage reveal the human side of war. An invaluable addition to every military library **Professional Journal of the United States Army**, 1994 Air University Library Index to Military Periodicals, 1999 **Battle 100** Michael Lee Lanning, 2005-04-01 A single day in the heat of armed conflict can shape the future of the world. Throughout history individual battles have inspired the birth of nations, the devastation of cultures and the triumph of revolutions. Yet while some battles rise up as the cornerstones of history others fade in our cultural memory forgotten as minor skirmishes. Why is this so? What makes a battle important? Celebrated veteran and military expert Michael Lee Lanning offers a provocative response with **The Battle 100: The Stories Behind History's Most Influential Battles**. Lanning ranks history's 100 greatest battles according to their influence both immediate and long term. Thought provoking and controversial Lanning's rankings take us to the heart of the battles and reveal their true greatness **Military Review**, 2006 **Compound Warfare: That Fatal Knot**, 2002 In the long history of warfare a recurring theme is the combined use of regular and irregular forces to pursue victory. The practice of employing regular and irregular forces together was not only applied but also instrumental in bringing victory to the side that at the beginning of the conflict seemed clearly inferior to its opponent. The term compound warfare is used to describe this phenomenon of regular and irregular forces fighting in concert. This book is a compilation of examples of this pattern of warfare in many other times and places. Knowing how the dynamics of compound warfare have affected the outcome of past conflicts will better prepare us to meet both present crises and future challenges of a similar nature **Parameters**, 1994 **Civil War Book Review**, 1999 **Infantry**, 1999 Air Force Magazine, 1994-07 *American Military History* Daniel K. Blewett, 2008-12-30 In this companion volume to his 1995 bibliography of the same title Daniel Blewett continues his foray into the vast literature of military studies. As did its predecessor it covers land, air and naval forces primarily but not exclusively from a U.S. perspective with the welcome emergence of small wars from publishing obscurity. In addition to identifying relevant organizations and associations Blewett has gathered together the very best in chronologies, bibliographies, biographical dictionaries, indexes, journals, abstracts, glossaries and encyclopedias, each accompanied by a brief descriptive annotation. This work remains a pertinent addition to the general reference collections of public and academic libraries as well as special libraries, government documents.

collections military and intelligence agency libraries and historical societies and museums *Library Journal* ,1994-07

Major General James Scott Negley And His Division At Chickamauga: A Historical Analysis Major Keith A.

Barclay,2015-11-06 This thesis is a historical analysis of Major General James Negley and his division during the Battle of Chickamauga An examination of Negley his actions his major subordinate commanders and the regiments of the division was conducted to provide a base with which to evaluate the principals during the Chickamauga Campaign of 1863 On 19 September the division fought well as and served to arrest a Confederate penetration of the Federal lines The division was piecemealed into the fight on 20 September by brigade and regiments Negley ended up commanding fifty Federal artillery pieces on Snodgrass Hill and withdrew them to support the Union collapse upon Chattanooga Negley was relieved after the battle and charged with removing the artillery prematurely He was acquitted of all charges during a subsequent court of inquiry however he never received another command The relief of Negley tarnished an otherwise solid performance by the division during the two day battle This study analyzes Negley and his division during the Battle of Chickamauga and draws conclusions using the battle command competencies as a framework seeing the enemy seeing the terrain knowing yourself visualizing the battle and seeing into the future **Naval War College Review** Naval War College (U.S.),1995 **Naval**

War College Review ,2004 **War, Military Theory, and Strategy** Clayton K. S. Chun,2002 **Encyclopedia of the Persian Gulf War** Mark Grossman,1995 A complete A to Z guide to the history politics people and weapons of the Gulf War **The Writers Directory** ,2013 *Brigadier General St. John R. Liddell's Division At Chickamauga:* Major Michael R.

King,2014-08-15 Includes Civil War Map and Illustrations Pack 224 battle plans campaign maps and detailed analyses of actions spanning the entire period of hostilities This thesis is a historical analysis of Brigadier General St John R Liddell and his division during the Battle of Chickamauga Liddell s Division was an ad hoc unit formed just prior to the battle During the battle the unit was involved in five different engagements over a period of three days These engagements resulted in varying degrees of success and failure In today s context the performance of the division can be seen as mostly a failure but from the American Civil War perspective the division s performance in many ways was a success The thesis begins with a general summation of the battle and an introductory discussion of the structure leadership tactics weapons and training of the Confederate armies during the American Civil War The thesis then continues with an examination of General Liddell s life and background before and during the early part of the war Next the thesis discusses as a prelude to Chickamauga Liddell and his brigades experiences at the Battle of Stones River and during the Tullahoma Campaign The thesis continues with a description of the background and combat experiences of the brigade commanders and the units that comprised Liddell s Division Thereafter the thesis analyzes the performance of General Liddell and his division at the Battle of Chickamauga and draws conclusions as to the proximate causes of the performance causes that are related to the terrain the organization of the division the lack of enemy information and the tactical focus of Liddell and his commanders
