Arnold Bennett

Arnold Bennett A Biography:

Arnold Bennett Margaret Drabble,1974 **Arnold Bennett** Reginald Pound,1973-01-01 *Arnold Bennett. A Biography* ,1952 **Arnold Bennett** Reginald Pound,1952 The Truth About an Author Arnold Bennett,2023-09-04
Reproduction of the original **Arnold Bennett** ,1952 **Arnold Bennett** Arnold Bennett,1973 **Arnold Bennett Himself** Rebecca West,1931 **Arnold Bennett: the Evening Standard Years** Arnold Bennett,1974 **The Journals of Arnold Bennett ...** Arnold Bennett,1933 **Journal of Arnold Bennett** Arnold Bennett,1976-06-01 *Arnold Bennett* Dorothy Cheston Bennett,1935 *Arnold Bennett* Arnold Bennett (Mrs),1925 *A Man from the North* Arnold Bennett,1898 **Arnold Bennett** Patrick Donovan,2022-03-14

During his 1920s heyday Arnold Bennett was one of Britain's most celebrated writers. As the author of *The Old Wives Tale* and *Clayhanger* he was a household name writing just as much for the common man as London's literati. His face was plastered over theatre hoardings and the sides of West End omnibuses. His life represents the ultimate rags to riches story of a man who banged on the door of Fortune like a weekly debt collector as one of his obituaries so vividly put it. Yet for all his success few were aware how cursed Bennett felt by his life long stutter and other debilitating character traits. In the years running up to his death in 1931 his affairs were close to collapse as he fought a losing battle on three fronts with his estranged wife with his disenchanted mistress and from a literary perspective with Virginia Woolf. As the first full length biography of Bennett since 1974 the work draws on a wealth of unpublished diaries and letters to shed new light on a personality who can be considered a Lost Icon of early Twentieth Century Britain.

A Man from the North. By: Arnold Bennett Arnold Bennett,2017-01-24

Enoch Arnold Bennett 27 May 1867 27 March 1931 was an English writer. He is nowadays best known as a novelist but he also worked in other fields such as the theatre, journalism, propaganda and film. Early life Bennett was born in a modest house in Hanley in the Potteries district of Staffordshire. Hanley is one of a conurbation of six towns which were joined together at the beginning of the 20th century as Stoke on Trent. Enoch Bennett's father qualified as a solicitor in 1876 and the family moved to a larger house between Hanley and Burslem. Bennett was educated locally in Newcastle under Lyme. Bennett was employed by his father but the working relationship failed. He found himself doing jobs such as rent collecting which were uncongenial. Bennett also resented the low pay; it is no accident that the theme of parental miserliness is important in his novels. In his spare time he was able to do a little journalism but his breakthrough as a writer came after he had moved from the Potteries. At the age of 21 he left his father's practice and went to London as a solicitor's clerk. Career Journalism and nonfiction Bennett won a literary competition hosted by Tit Bits magazine in 1889 and was encouraged to take up journalism full time. In 1894 he became assistant editor of the periodical *Woman*. He noticed that the material offered by a syndicate to the magazine was not very good so he wrote a serial which was bought by the syndicate for 75 equivalent to 10 000 in 2015. He then wrote another. This became *The Grand Babylon Hotel*. Just over four years later his first novel *A Man from the North* was published to

critical acclaim and he became editor of the magazine. From 1900 he devoted himself full time to writing giving up the editorship. He continued to write journalism despite the success of his career as a novelist. In 1926 at the suggestion of Lord Beaverbrook he began writing an influential weekly article on books for the Evening Standard newspaper. As well as the novels much of Bennett's non-fiction work has stood the test of time. One of his most popular non-fiction works which is still read to this day is the self-help book *How to Live on 24 Hours a Day*. His diaries have yet to be published in full but extracts from them are often quoted in the British press.

Arnold Bennett, a Biography Reginald Pound, 1953 *Arnold Bennett - The Great Adventure* Arnold Bennett, 2014-02

Arnold Bennett was born in 1867 in Hanley one of the six towns that formed the Potteries that later joined together to become Stoke on Trent the area in which most of his works are located. For a short time he worked for his solicitor father before realising that to advance his life he would need to become his own man. Moving to London at 21 he obtained work as a solicitor's clerk and gradually moved into a career of Journalism. At the turn of the century he turned full time to writing and shortly thereafter in 1903 he moved to Paris. In 1908 Bennett published *The Old Wives Tale* to great acclaim. With this his reputation was set. *Clayhanger* and *The Old Wives Tale* are perhaps his greatest and most lauded novels. But standing next to these are many fine short stories. Bennett bathes us in vignettes of life replete with characters that are easy to immerse ourselves in whatever their ambitions may be. Here we publish his play *The Great Adventure*. As with anything written by Bennett it's a fabulous showcase for his literary talents.

[The Complete Works of Arnold Bennett](#) Arnold Bennett, 2023-11-09

In *The Complete Works of Arnold Bennett* readers are invited to delve into the prolific literary landscape crafted by one of the pivotal figures of the early 20th century. This comprehensive collection showcases Bennett's mastery of realist fiction where vivid portrayals of everyday life and the nuances of human interaction are underscored by a keen social awareness. His narrative style combines astute psychological insight with a distinct regionalism particularly evident in his depiction of the industrial pottery town of Burslem in the *Five Towns* series offering a rich tapestry of characters and settings that reflect the complexities of modern existence. Arnold Bennett born in 1867 in Staffordshire was deeply influenced by his upbringing in the industrial heart of England. His experiences working in the family business and later as a journalist shaped his understanding of both the working class and the middle class which are often represented in his works. Bennett's commitment to realism was a response to the romanticized literature of the previous century as he sought to bring authenticity and truth to his narratives exploring themes of ambition class and the challenges of contemporary life. For those eager to explore the intricacies of human relationships and societal structures *The Complete Works of Arnold Bennett* is an essential addition to any literary collection. This anthology not only preserves Bennett's innovative voice but also serves as a crucial lens through which to examine the cultural milieu of early 20th century England. Readers will find themselves immersed in the powerful emotions and relatable dilemmas that Bennett artfully articulated making this work a timeless reflection on the human condition.
