Stages of Engagement Joshua Polster, 2015-10-16 *Stages of Engagement* is a compelling and wonderfully varied account of the relationship between theatre in the United States and the social cultural and political forces that shaped it during one of the most formative periods in the nation's history Joshua E Polster applies key thematic perspectives Colonialism Religion Race

and Ethnicity Gender and Sexuality Economic Systems and Systems of Government to seminal moments in US history In doing so he explores the ways in which the theatre has responded to these turning points through the work of some of its principal dramatists directors designers and theatre companies His approach tackles questions such as How did the plays of this period reflect the nation s concerns and anxieties How did theatre culture and politics interconnect as the United States took to the world stage Which critical viewpoints are most useful to us when examining these cultural phenomena How did performances and productions attempt to influence their audiences social and civic engagement On its own or in tandem with its companion volume The Routledge Anthology of US Drama 1898 1949 this is the ideal text for any course in US Theatre By examining each cultural moment from a range of critical perspectives and drawing upon a diverse range of sources it is designed specifically for today s interdisciplinary and multicultural curriculum

Designing Pan-America Robert Alexander González,2023-09-30 Coinciding with the centennial of the Pan American Union now the Organization of American States Gonz lez explores how nineteenth and twentieth century U S architects and their clients built a visionary Pan America to promote commerce and cultural exchange between United States and Latin America Late in the nineteenth century U S commercial and political interests began eyeing the countries of Latin America as plantations farms and mines to be accessed by new shipping lines and railroads As their desire to dominate commerce and trade in the Western Hemisphere grew these U S interests promoted the concept of Pan Americanism to link the United States and Latin America and called on U S architects to help set the stage for Pan Americanism s development Through international expositions monuments and institution building U S architects translated the concept of a united Pan American sensibility into architectural or built form In the process they also constructed an artificial ideological identity a fictional Pan America peopled with imaginary Pan American citizens the hemispheric loyalists who would support these

projects and who were the presumed benefactors of this presumed architecture of unification *Designing Pan America* presents the first examination of the architectural expressions of Pan Americanism Concentrating on U S architects and their clients Robert Alexander Gonz lez demonstrates how they proposed designs reflecting U S presumptions and projections about the relationship between the United States and Latin America This forgotten chapter of American architecture unfolds over the course of a number of international expositions ranging from the North Central and South American Exposition of 1885 1886 in New Orleans to Miami s unrealized Interama fair and San Antonio s HemisFair 68 and encompassing the Pan American Union headquarters building in Washington D C and the creation of the Columbus Memorial Lighthouse in the Dominican Republic *Nineteenth Century*, 2000 **Aloha America** Adria L. Imada, 2012-07-09 Paying particular attention to hula performances that toured throughout the U S beginning in the late nineteenth century Adria L. Imada investigates the role of hula in the American colonization of Hawai i **The Romance of Reunion** Nina Silber, 2000-11-09 The reconciliation of North and South following the Civil War depended as much on cultural imagination as on the politics of Reconstruction Drawing on a wide range of sources Nina Silber documents the transformation from hostile sectionalism to sentimental reunion rhetoric Northern culture created a notion of reconciliation that romanticized and feminized southern society In tourist accounts novels minstrel shows and popular magazines northerners contributed to a mythic and nostalgic picture of the South that served to counter their anxieties regarding the breakdown of class and gender roles in Gilded Age America Indeed for many Yankees the ultimate symbol of the reunion process and one that served to reinforce Victorian values as well as northern hegemony was the marriage of a northern man and a southern woman Southern men also were represented as affirming traditional gender roles As northern men wrestled with their nation s increasingly global and aggressive foreign policy the military virtues extolled in Confederate legend became more admired than reviled By the 1890s concludes Silber northern whites had accepted not only a newly resplendent image of Dixie but also a sentimentalized view of postwar reunion *Irrational Exuberance* Robert J. Shiller, 2016-08-16 Why the irrational exuberance of investors hasn t disappeared since the financial crisis In this revised updated and expanded edition of his New York Times bestseller Nobel Prize winning economist Robert Shiller who warned of both the tech and housing bubbles cautions that signs of irrational exuberance among investors have only increased since the 2008 9 financial crisis With high stock and bond prices and the rising cost of housing the post subprime boom may well turn out to be another illustration of Shiller s influential argument that psychologically driven volatility is an inherent characteristic of all asset markets In other words *Irrational Exuberance* is as relevant as ever Previous editions covered the stock and housing markets and famously predicted their crashes This edition expands its coverage to include the bond market so that the book now addresses all of the major investment markets It also includes updated data throughout as well as Shiller s 2013 Nobel Prize lecture which places the book in broader context In addition to diagnosing the causes of asset bubbles *Irrational Exuberance* recommends urgent policy changes to

lessen their likelihood and severity and suggests ways that individuals can decrease their risk before the next bubble bursts No one whose future depends on a retirement account a house or other investments can afford not to read this book The Annual American Catalog, 1900-1909 ,1903 *Mark Twain's Literary Resources* Alan Gribben,2024-10-15 Dr Alan Gribben a foremost Twain scholar made waves in 1980 with the publication of *Mark Twain's Library* a study that exposed for the first time the breadth of Twain's reading and influences Prior to Gribben's work much of Twain's reading history was assumed lost but through dogged searching Gribben was able to source much of Twain's library *Mark Twain's Literary Resources* is a much expanded examination of Twain's library and readings Volume I included Gribben's reflections on the work involved in cataloging Twain's reading and analysis of Twain's influences and opinions This volume long awaited is an in depth and comprehensive accounting of Twain's literary history Each work read or owned by Twain is listed along with information pertaining to editions locations and more Gribben also includes scholarly annotations that explain the significance of many works making this volume of *Mark Twain's Literary Resources* one of the most important additions to our understanding of America's greatest author A ^ADream of the Future Nathan Cardon,2018-07-17 The Atlanta and Nashville world's fairs provided a local national and global stage for Southerners to prove how the South had embraced a rapidly changing world As Nathan Cardon explores in *A Dream of the Future* Southerners presented themselves as modern and imperial citizens ready to spread the South's culture and racial politics across the globe **All the World's a Fair** Robert W. Rydell,2013-08-16 Robert W Rydell contends that America's early world's fairs actually served to legitimate racial exploitation at home and the creation of an empire abroad He looks in particular to the ethnological displays of nonwhites set up by showmen but endorsed by prominent anthropologists which lent scientific credibility to popular racial attitudes and helped build public support for domestic and foreign policies Rydell's lively and thought provoking study draws on archival records newspaper and magazine articles guidebooks popular novels and oral histories *The Necessity of Music* Celia Applegate,2017-01-01 Cover Copyright page Contents List of Illustrations Acknowledgments Introduction Part I Places 1 How German Is It 2 Music in Place 3 Musical Itinerancy in a World of Nations 4 Music at the Fairs Part II People 5 Mendelssohn on the Road 6 A B Marx's Cosmopolitan Nationalism 7 Schumann's German Nation 8 The Musical Worlds of Brahms's Hamburg Part III Public and Private 9 What Difference Does a Nation Make 10 Men with Trombones 11 Women's Wagner 12 Hausmusik in the Third Reich 13 To Be or Not to Be Wagnerian in Leni Riefenstahl's Films 14 Saving Music Notes Index Journal of the United States Artillery ,1902 *The Arena* ,1902 **52 New York Weekends** Michael Schuman,1999
