Minton,2009-01-31 1994 New York City Long before American Idol hit the airwaves the way to a recording contract was the Open Mic Circuit at the nite clubs in Manhattan From Caf Wah to Chaz and Wilsons to Nells the Circuit is jammed with talented singers until one young woman begins to separate herself from the rest Meet Monique Paris Stevens She creates buzz with her melodic fl ow and builds a large following where ever she shows up to sing Moonlight Over Paris is Moniques story a Brooklynite by way of Chicago who aspires to become a professional singer and recording artist By day she pays the bills working for a fi nancial services company and is thriving there as well Her boss Bill Russell is grooming her for a big managerial position with the main offi ce

she would be the first African American and woman to do so which would be ground breaking to say the least Bill wants her to get the position he never could Monique will hear none of it because she is focused on singing Bill demeans her efforts telling her those singers are a dime a dozen you can tell by how many come out for the Open Mic contests Meanwhile the relationship with her girlfriend Donna Owens is anything but cordial Donna a clothing designer with her own boutique isn't happy with just ruining her own business but has in mind to ruin any chance of Monique reaching her goal When Monique discovers the level of hate Donna has for her the outcome is tragic Maurice Stevens Monique's father biggest supporter and best friend dies unexpectedly sending her world into a tailspin The multiple tragedies are more than she can take But in many tragedies come blessings thusly Moonlight Over Paris is founded Curses and Other Family Secrets R.R. Born, 2022-04-05 Rozlyn has known she was different from the moment her mother snatched her from her bed and fled New Orleans warning her she would die if she ever returned But when her grandmother calls begging her to come home Rozlyn speeds to the city she's feared for more than ten years for the one person who understands her completely Visiting a packed bar in the French Quarter during Mardi Gras is Saint's version of hell He's searching for his father in a town where a laundry list of people wants to kill him One wrong move and he could find himself on the wrong end of a gator But he's not leaving until he gets some answers A mysterious gift from her grandmother sends Rozlyn on a mission to a bar in the Quarter but not just any bar This place exudes an otherworldly energy she recognizes and is wary of When a handsome stranger brushes against her and gives her more than goosebumps as his past and glimpses of his future flash before her eyes A bond now tethers them and following him out the door will change her life forever *Banana Kiss* Bonnie Rozanski, 2005 Robin Farber lives in a psychiatric institution In her mind she creates the world by looking at it a quantum theory world where matter pops in and out of existence as she observes it a world where she is God And because the reader of *Banana Kiss* must take a long look through her schizophrenic eyes this is our world too a world where the disembodied voices Robin hears are more real than the people who stand in front of her Robin's world is populated by a rich variety of characters both real and imaginary Her father a sailor who died when she was a baby shows up in her head whenever he's on leave Derek her charming lovelorn friend goes from mania to depression and back several times a day There's her insufferable sister Melissa who stole her boyfriend Max And of course there's Dr Mankiewicz or Whitecoat the long suffering therapist who Robin tells us thinks there are some things that are real and some things that are not and that he knows better than anyone else Finally there is Robin herself whose confused psychotic funny compassionate voice is one you are not likely to forget The Amtrak Wars: Earth-Thunder Patrick Tilley, 2013-08-06 Hundreds of years after civilisation has been destroyed by nuclear war the Earth is divided between the Trackers of the Amtrak Federation a community living in vast subterranean cities and the Mutes who have evolved to withstand the radiation that has driven their foes underground A long war for possession of the overground has killed and enslaved many of the Mutes leaving only the Plainfolk to resist the Federation And now the Iron Masters a
