## **Arrowheads Stone Artifacts A Practical Guide For The Amateur Archaeologist:**

Arrowheads and Stone Artifacts Carl Gary Yeager, 2016 Learn where to look for and how to identify and preserve your own collection of common and rare stone artifacts in this respected and ethical handbook *Arrowheads & Stone Artifacts* C. G. Yeager, 2000 This practical down to earth guide for surface collectors of arrowheads and stone artifacts is designed especially for amateur archaeologists and people interested in learning how to study and collect artifacts safely and responsibly The author reveals invaluable tips on where to look for artifacts how to identify artifacts where surface collecting is permissible starting and caring for your own collection With more than fifty new photographs and illustrations of common and rare artifacts this book is the perfect addition to libraries of amateur archaeologists thirsty for knowledge about preserving and interpreting the remains of a prehistoric culture **Arrowheads & Stone Artifacts** Carl Gary Yeager, 1986 Amateur or avocational archaeologists have made extraordinarily important contributions to our knowledge of prehistory In order for them to do so it is essential that they be able to identify the artifacts their discoveries and that when they find sites that warrant intensive investigation they report them to those who maintain state records and who can refer them to well qualified professionals This book should be very helpful for amateurs who truly care about archaeology and who wish to increase their knowledge and to contribute to the preservation and interpretation of remains of prehistoric cultures

**Arrowheads and Stone Artifacts** C. G. Yeager, 2012-12-03 Acknowledged by Dr H M Wormington as very helpful for amateurs who truly care about archaeology the nationally recognized first edition is now revised with a foreword written by Dr George C Frison Professor Emeritus University of Wyoming and Paleoarchaeologist of the Century This practical down to earth guide for surface collectors of arrowheads and stone artifacts is designed especially for amateur archaeologists and people interested in learning how to study and collect artifacts safely and responsibly *Arrowheads and Stone Artifacts, Third Edition* C.G. Yeager, 2016-09-22 This practical down to earth guide for surface collectors of arrowheads and stone artifacts is designed especially for amateur archaeologists and people interested in learning how to study and collect artifacts safely and responsibly The author reveals invaluable tips on where to look for artifacts how to identify artifacts where surface collecting is permissible starting and caring for your own collection With more than fifty new photographs and illustrations of common and rare artifacts this book is the perfect addition to libraries of amateur archaeologists thirsty for knowledge about preserving and interpreting the remains of a prehistoric culture **Arrowheads and Spear Points in the Prehistoric Southeast** Linda Crawford Culberson, 2009-11-12 The Native American tribes of what is now the southeastern United States left intriguing relics of their ancient cultural life Arrowheads spear points stone tools and other artifacts are found in newly plowed fields on hillsides after a fresh rain or in washed out creek beds These are tangible clues to the anthropology of the Paleo Indians and the highly developed Mississippian peoples This indispensable guide to identifying and understanding such finds is for conscientious amateur archeologists who make their discoveries in surface terrain Many are eager to understand

the culture that produced the artifact what kind of people created it how it was made how old it is and what its purpose was Here is a handbook that seeks identification through the clues of cultural history In discussing materials used the process of manufacture and the relationship between the artifacts and the environments it reveals ancient discoveries to be not merely interesting trinkets but by products from the once vital societies in areas that are now Alabama Arkansas Georgia Kentucky Louisiana Mississippi the Carolinas as well as in southeastern Texas southern Missouri southern Illinois and southern Indiana The text is documented by more than a hundred drawings in the actual size of the artifacts as well as by a glossary of archeological terms and a helpful list of state and regional archeological societies     Understanding Sickle Cell Disease
