## **Art And Artists Of The South The Robert P Coggins Collection:**

*Art and Artists of the South* Bruce W. Chambers, 1984      *A Southern Collection*, 1993-02-01 A Southern Collection presents select masterworks from the permanent collection of the Morris Museum of Art on the occasion of the institution's inaugural exhibition Drawn from a comprehensive survey collection of painting in the South from the late eighteenth century to the present day the museum's opening exhibit explores an artistic terrain as rich and diverse as the South itself arranged in categories that reflect critical chronological developments in the art world A survey of painting activity in the South begins with the travels of itinerant portrait artists working prior to the Civil War At the same time landscape painting encompasses a sensitive response to the swamps bayous and fertile fields of the South Late in the nineteenth century strong and vivid genre painting competes with the nostalgic effects realized by Southern impressionists whose shimmering liquid images are invested with an elusive spirit of place In this century those strains of realism and naturalism that characterize the classic body of Southern writing appear in the representational art of painters who defied the modern abstract dictum And finally the exciting compelling works of a current generation of both self taught artists and sophisticated contemporary painters complete this fascinating though sometimes neglected chapter in American art history      **Art and Artists of the South**, 1984      **North American Women Artists of the Twentieth Century** Jules Heller, Nancy G. Heller, 2013-12-19 First Published in 1997 Routledge is an imprint of Taylor Francis an informa company      **The Civil War and American Art** Eleanor Jones Harvey, Smithsonian American Art Museum, 2012-12-03 Collects the best artwork created before during and following the Civil War in the years between 1859 and 1876 along with extensive quotations from men and women alive during the war years and text by literary figures including Emily Dickinson Mark Twain and Walt Whitman 15 000 first printing      **The New Encyclopedia of Southern Culture** Judith H.
