County Maps Of Old England:

The County Maps of Old England Thomas Moule, 1994 **The County Maps of Old England** Thomas Moule, 1990-01-01 *The County Maps of Old England* Thomas Moule, 1993 Catalogue of Old County Maps of England, Wales, Scotland and Ireland, Plans of Cities Etc. ... Jonathan Nield, John Bale and Sons, *Maps for Historians* Brian Paul Hindle, 1998 Old maps provide a rich source of information for all those interested in their local history and they are also a popular field for collectors Dr Hindle s describes the different types of map produced explains what they were intended to show and where to find them **A Malleable Map** Kären Wigen, 2010 A Malleable Map is a striking example of what a historically deep learned and meticulous examination of maps and geographical place making can teach us Wigen s compelling analysis and stunning graphics set a new standard for understanding the production of spatial identity **The Wesleys in Cornwall, 1743-1789** Samuel J. Rogal, 2015-10-12 In nearly a half century of missionary work throughout England Wales Scotland and Ireland brothers John and Charles Wesley found the southwestern county of Cornwall to be among their most serious theological and social challenges Eighteenth century Cornwall lacked population centers and small towns and villages were isolated by inadequate roads The adult population consisted mainly of miners fisherman and smugglers men more interested in the bulk of their pocketbooks than in the status of their souls And the clergy of the Church of England overwhelmingly opposed the Wesleys and their itinerant preachers encouraging Anglicans to disrupt the Wesleys outdoor services and to attack and burn Methodist preaching houses Although the Wesleys made some evangelical progress in Cornwall the question remained upon John Wesley s death in 1791 did the mission to Cornwall succeed or fail This book considers the mission with a close reading of the Wesleys writings and covers the overall history of 18th century British Methodism and its contribution to the religious and social history of the British Empire **English Maps** Catherine Delano-Smith, Roger J. P. Kain, 1999 Their principal objective is to explore the ways in which maps have interacted with society in England s past to analyse the roles that maps have played and the uses to which they have been put It is often a story of discontinuity rather than evolution but the authors recognise many connections across the centuries at the same time seeking to avoid too insular a view noting the influence of ongoing intellectual and cartographic developments in the rest of Europe BOOK JACKET **Historian's Guide to Early British Maps** Helen Wallis, Anita McConnell, 1995-04-06 Great Britain and Ireland enjoy a rich cartographic heritage yet historians have not made full use of early maps in their writings and research This is partly due to a lack of information about exactly which maps are available With the publication of this volume from the Royal Historical Society we now have a comprehensive guide to the early maps of Great Britain The book is divided into two parts part one describes the history and purpose of maps in a series of short essays on the early mapping of the British Isles part two comprises a guide to the collections national and regional Now available from Cambridge University Press this volume provides an essential reference tool for anyone requiring to access maps of the

British Isles dating back to the medieval period and beyond **The Publishers' Circular and General Record of British and Foreign Literature** ,1873 **Research Methods** David Crowther,Geoff Lancaster,2012-05-23 This is the ideal companion for those needing guidance when carrying out a research project in a management or a business related subject The text is succinct and concise written with modular courses in mind for the reader to quickly gain an overall perspective of the fundamental areas and identify the key points that need to be addressed This clear and practical book also covers the requirements of more general areas of business research and consultancy New to this edition is a chapter devoted to the analysis of qualitative data an area many students find they want to focus on A new accompanying student website also gives practical guidance on some of the problems students face assistance with writing a research proposal the structure of a dissertation collecting data how much is enough citing references links to other resources Dissertations and projects form an integral part of many MBA and degree programmes and this text is invaluable when tackling this area for the first time The authors approach the research task in a step by step manner covering areas such as data collection observational methods and data analysis England Alan Edwin Day,1993 Research Methods in Management Geoff Lancaster,2007-06-01 Written specifically for the Research Methods aspect of an MBA course Research Methods in Management is the ideal companion for those needing guidance on carrying out a research project The author offers a succinct guide to the topic which provides MBA and Business Students with the necessary grounding in the area of research without going into too much depth The text is therefore written with modular courses in mind so that students gain an overall perspective of the important areas that need consideration and can ascertain the key points they need to be aware of when carrying out research Dissertations and projects form an integral part of many MBA and degree courses and therefore guides such as this are becoming invaluable when tackling this area for the first time Research Methods in Management approaches the research task in a step by step manner covering areas such as data collection observational methods and data analysis Guidance is provided on the best way to approach aspects of the research process and to ensure all aspects are adequately covered As this is an area where many students feel they do not have any experience a text such as this provides the necessary support in approaching this area of the course Catalogue of the Mercantile Library of Brooklyn: A-C Mercantile Library Association of Brooklyn,1877 **A Catalogue of Old, Rare and Curious Books** George E. Littlefield (Firm),1887

Northern Identities Neville Kirk,2017-03-02 Recent years have witnessed an explosion of academic and popular interest in the issue of social identity Yet the subject areas of regional and sub regional identities and historical engagements between the regional the local and the national remain very neglected Seeking to make a contribution towards redressing these areas of neglect and to further advancing our knowledge and understanding of the general issue of social identity this volume of essays offers the reader an exploration of some of the rich and varied historical interpretations of the North and Northernness The focus rests mainly but not exclusively upon the North of England Taken as a whole the essays highlight the

contingent fluid and ambiguous nature of Northernness its complex and shifting interplay with feelings of localism and nationalism and the profound if varying influences of class race gender sport tourism music and political and economic structures and concerns upon northern identities This book will hold a general appeal to readers interested in the issue of social identity especially in its regional and local manifestations and engagements It will find a wide readership across the humanities and social sciences It should be compulsory reading for those in New Labour addressing the issue of the North South divide *Catalogue* Bailey Brothers,1887 *Cyndi's List* Cyndi Howells,2001 A two volume set which provides researchers with more than 70 000 links to every conceivable genealogical resource on the Internet **Catalogue** Brooklyn libr,1877 Catalogue of the Brooklyn Library Brooklyn Public Library,1877
