David Mullins,2018-06-14 This book represents a new direction in the study of religion and marriage by using a postmodern theoretical framework focusing on gendered discourse and culture to examine the meaning of sacred marriage within social contexts Drawing upon data from in depth interviews of couples in long term sacred marriages living in the American Midwest together with an analysis of Christian marriage advice manuals Sacred Marriages explores how couples use religious and nonreligious

discourses and cultures to give their marriages meaning and how those sacred meanings are used in their daily lives and the spaces that they embody The study shows how religious and secular beliefs are combined to formulate cultural strategies for approaching the sacralization of marriage and how religious and nonreligious discourses and cultures are ordered depending on circumstances and social contexts This often results in other relationships being subordinated in favour of the sacred bond believed to exist between husband and wife The book argues that sacred marriage is a malleable concept as people bend religious culture to form new and altered sacred marriages during emotional extremes A thoughtful examination of long term Christian marriages this volume will appeal to scholars of religion and sociology with interests in marriage and the family

**True and Lasting Love** Bernardo Leonard, 2003 This is a must and essential book to have Le Meilleur the best There is power in the words and gestures of Bernardo It is impossible to read his work without being moved He pours himself out before you and in your own heart you experience immediate contact and warmth He transports you to a purer region from which dogmas and mysteries descend He loosened his words like arrows from the bow and his whole heart seems to fly with them The pathetic the profound the sublime are side by side with the simple and the ordinary What is most divine in the heart of a man cannot be

expressed in writing Yet this writer did It has depth it convicts It causes one to re evaluate oneself Yet dira la verite est beate to tell the truth is beautiful Jean Paul Screenwrite Nice France A very thought provoking book to say the least As Bernardo Leonard points out with sometimes painful clarity there is no greater power on earth than love The merging of earthly Love and theological support of that Love is accomplished without undue and unnecessary pressure to convert Instead the pressure exerted upon the reader is to think hence thought provoking As much as I tried to disagree with him on certain issues of forgiveness I knew in my heart that Bernardo was right We can fool some of the people some of the time fool all of the people all of the time but we can never fool ourselves at any time When you know the truth in your heart you know the truth Period To err is human to forgive is divine So much of humanity is so far removed from divine reading and digesting this book will bring them closer The reader can identify with each of Bernardo s Love filled and Love driven chapters because every human being is in search of ONE thing and only one thing LOVE Some run the race claiming it s money or fame they are after others claim this and still others claim that Every one of us understands that the reason we lives is to Love and be Loved Thank you Bernardo for putting these truths to paper Stan Brushwood Tucson Arizona **Weekly World News**,1999-07-06 Rooted in the creative success of over 30 years of supermarket tabloid publishing the Weekly World News has been the world s only reliable news source since 1979 The online hub [www.weeklyworldnews.com](http://www.weeklyworldnews.com) is a leading entertainment news site Forthcoming Books Rose Army,1992 **For the Love of a Knight** Kristi Ahlers,2007 William the Conquer the King of England has ordered his trusted knight Tristan of Ramsey to marry Lady Lysette of Coventry She is the niece of Lady Godiva and cousin to Hereward the Wake Wake is an enemy to the king and word is spreading that he has plans for a revolt in the Midlands By aligning Tristan with Lysette William hopes to avoid another bloody battle Tristan will do as his liege orders but he will protect his heart from his beautiful bride When she arrive she realizes she is a weakness he can not afford to indulge She is charming and likes to ramble and yet his heart decides to pay attention to her charming and artless personality But when Lysette is kidnapped by Hereward as a way of forcing Tristan s to abandon his support of the king he realizes what started as a political match has become a love match and he will not stop until he has his bride back in his arms where she belongs even if it means defying his king *Successful Keys to the Marriage Journey* Deborah Roses Isaac M.Div.
