Court Of The Midnight King:

The Court of the Midnight King - A Dream of Richard III Freda Warrington, 2015-02-06 King Richard III a shadowy charismatic figure of eternal fascination portrayed by Shakespeare and by history as England's most infamous king But history is written by the victors Other realities reveal a different Richard one who was loved and remembered in the North as their best ruler A man who good or evil can never be forgotten The Court of the Midnight King mixes alternative history with the fantastical to create a wonderful epic tapestry of love war and treachery In this novel award winning author Freda Warrington goes searching for Richard not in the long buried remains of a Leicester friary but deep in the human psyche

The Court of the Midnight King Freda Warrington, 2003 The most reviled monarch in English history or a man caught between the forces of light and darkness pushed by circumstance into the vilest of crimes
