

Courthouses Of Texas

Brantley Hightower

Courthouses Of Texas:

The Courthouses of Central Texas Brantley Hightower, 2015-04-15 The county courthouse has long held a central place on the Texas landscape literally as the center of the town in which it is located and figuratively as the symbol of governmental authority As a county's most important public building the courthouse makes an architectural statement about a community's prosperity and aspirations or the lack of them Thus a study of county courthouses tells a compelling story about how society's relationships with public buildings and government have radically changed over the course of time as well as how architectural tastes have evolved through the decades A first of its kind **The Courthouses of Central Texas** offers an in depth comparative architectural survey of fifty county courthouses which serve as a representative sample of larger trends at play throughout the rest of the state Each courthouse is represented by a description with information about date of construction and architects along with a historical photograph a site plan of its orientation and courthouse square and two and sometimes three dimensional drawings of its facade with modifications over time Side by side drawings and plans also facilitate comparisons between courthouses These consistently scaled and formatted architectural drawings which Brantley Hightower spent years creating allow for direct comparisons in ways never before possible He also explains the courthouses formal development by placing them in their historical and social context which illuminates the power and importance of these structures in the history of Texas as well as their enduring relevance today

The Courthouses of Texas Mavis P. Kelsey, Donald H. Dyal, 2007-03-20 A county courthouse stands not only as the center of government but also as the center of civic pride Some with stately towers and arched doors or windows some with high brick chimneys and mansard roofs some in modern concrete and glass the 254 courthouses of Texas provide an invitation to public life a testament to the ideal of justice and an introduction to period architecture It is no wonder then that many tourists each year visit these edifices This new edition of a classic indispensable full color guide a true collector's item for Texas history fans will help travelers choose which courthouses they want to add to their trips and view them knowledgeably For each county a color photograph pictures the courthouse and an account sketches the sequence of the seats of government the location and style of the current building and tidbits of fascinating lore about county and county seat names and history Courthouses and the squares around many of them offer a bonanza for history buffs antique collectors genealogists architecture enthusiasts and photographers Many of them house or are near local history museums and many display historical markers that introduce the area to visitors Especially in many smaller county seats the courthouse square offers a genre scene of a special moment in Texas life Included in this updated edition are the latest views of some of Texas most historic and architecturally significant courthouses including those restored under the Texas Historical Commission's Historic Courthouse Preservation Program For all those who plan their travels to see courthouses and all those who in their travels for other reasons enjoy detours into the heritage and pride of a people this beautiful and informative book opens the way

The Courthouses of Texas Mavis

Parrott Kelsey, Donald H. Dyal, 1993 A County Courthouse stands not only as the center of government but as the center of civic pride Some with stately towers and arched doors or windows some with high brick chimneys and Mansard roofs some in modern concrete and glass the 254 courthouses of Texas stand as an invitation to public life a testament to the ideal of justice and an introduction to period architecture It is no wonder then that many tourists each year visit these edifices This full color guide a true collector s item for Texas history fans will help travelers choose which ones they want to add to their trips and to view them knowledgeably For each county a color photograph pictures the courthouse and an account sketches the sequence of the seats of government the location and style of the current building and tidbits of fascinating lore about county and county seat names and history Courthouses and the squares around many of them offer a bonanza for history buffs antique collectors genealogists architecture enthusiasts and photographers Many of them house or are near local history museums and many display historical markers that introduce the area to visitors Especially in many smaller county seats the courthouse square offers a genre scene of some moment in Texas life For all those who travel to see courthouses and all those who in their travels for other reasons enjoy detours into the heritage and pride of a people this beautiful and informative book opens the way *The People's Architecture* Willard Bethurem Robinson, 1983 **The Courthouse Square in Texas** Robert E. Veselka, 2010-07-05 With its dignified courthouse set among shade trees and lawns dotted with monuments to prominent citizens and fallen veterans the courthouse square remains the civic center in a majority of the county seats of Texas Yet the squares themselves vary in form and layout reflecting the different town planning traditions that settlers brought from Europe Mexico and the United States In fact one way to trace settlement patterns and ethnic dispersion in Texas is by mapping the different types of courthouse squares This book offers the first complete inventory of Texas courthouse squares drawn from extensive archival research and site visits to 139 of the 254 county seats Robert Veselka classifies every existing plan by type and origin including patterns and variants not previously identified He also explores the social and symbolic functions of these plans as he discusses the historical and modern uses of the squares He draws interesting new conclusions about why the courthouse square remains the hub of commercial and civic activity in the smaller county seats when it has lost its prominence in others The Texas Courthouse June Rayfield Welch, J. Larry Nance, 1971 Photographs and history of the county courthouses in Texas **Directory of State Court Clerks and County Courthouses 2010** Claudia Driggins-Henley, 2009-09-15 The Directory of State Court Clerks County Courthouses 2010 offers easy access to a treasure trove of vital information including court decisions real estate records UCC and tax liens criminal convictions and other important records Includes names addresses and phone numbers of state appellate trial and county clerks Plus state court Web sites organizational charts offices of vital statistics and trends in state court litigation If you are interested in accessing some of this data online Your Nation s Courts Online is an electronic version of the data from Federal State Court Directory and Directory of State Court Clerks and County Courthouses combined The site allows you to

Barbara Rogers,2007-09-25 **Directory of State Court Clerks and County Courthouses, 2007** Barbara

Rogers,2006-09-01 **Victorian Texas Courthouses - and County Histories in Post Cards** E. Barry Gray,2017-11-21

Victorian Texas Courthouses have been called the architectural treasures of the state Although they have a number of characteristics in common such as the use of wrought iron stained glass towers turrets and gingerbread the architecture of the Victorian Era was not just one style but a collection of many styles Coinciding with these architectural styles in Texas was the golden age of courthouse design and construction The Victorian styles fit perfectly with the public s idea of what a grand temple of justice should say about the county s people and their values These styles were ideal in that they could illustrate in stone and glass the power of government and law in society Unfortunately most of these great Victorian buildings are gone but thankfully through vintage picture post cards we can still enjoy their architecture This book is an attempt at the architectural preservation of Victorian Texas courthouses through the use of over one hundred vintage picture post cards
