J. Rushdoony,2011-08-12 The third volume in a series of books with daily messages by R J Rushdoony on the uncompromising faith These daily messages on the faith for all of life are unlike any compilation of Christian devotional ever published In these pages you won t find the overly introspective musings of a Christian pietist what you ll discover are the hard hitting convictions of a man whose sole commitment was faithfulness to God s law word and representing that binding Word to his readers Although Dr R J Rushdoony is most known for his scholarly works on theology history philosophy

economics education and statecraft A Word in Season reveals the intense but simple approach to applying one's faith to every area of life and thought This is all done in a format of bite sized readings on the uncompromising faith The multi volume series is taken from over 430 articles written by Rushdoony over the span of 25 years 1966 1991 for the California Farmer an agricultural periodical that provided him a regular column entitled The Pastor's Pulpit It has long been a desire of many to see these insightful and challenging articles published in a book format We're happy to announce that the wait is over Read and enjoy
