Covenants Without Swords:

Covenants without Swords Jeanne Morefield, 2009-01-10 *Covenants without Swords* examines an enduring tension within liberal theory that between many liberals professed commitment to universal equality on the one hand and their historic support for the politics of hierarchy and empire on the other. It does so by examining the work of two extremely influential British liberals and internationalists Gilbert Murray and Alfred Zimmern. Jeanne Morefield mounts a forceful challenge to disciplinary boundaries by arguing that this tension on both the domestic and international levels is best understood as frequently arising from the same liberal reformist political aim, namely the aim of fashioning a socially conscious liberalism that ultimately reifies putatively natural preliberal notions of paternalistic order. Morefield also questions conventional analyses of interwar thought by resurrecting the work of Murray and Zimmern and by linking their approaches to liberal internationalism with the ossified notion of sovereignty that continues to trouble international politics to this day. Ultimately, Morefield argues, these two thinkers drift toward conservative and imperialist understandings of international order as the result of a more general difficulty still faced by liberals today: how to adequately define community in liberal terms without sacrificing these terms themselves. Moreover, *Covenants without Swords* suggests that Murray and Zimmern's work offers a cautionary historical example for the cadre of post-September 11th new imperialists who believe it possible to combine a liberal commitment to equality with an American Empire.

Covenants Without Swords Jeanne Morefield, 2016-06-28 *Covenants without Swords* examines an enduring tension within liberal theory that between many liberals professed commitment to universal equality on the one hand and their historic support for the politics of hierarchy and empire on the other. It does so by examining the work of two extremely influential British liberals and internationalists Gilbert Murray and Alfred Zimmern. Jeanne Morefield mounts a forceful challenge to disciplinary boundaries by arguing that this tension on both the domestic and international levels is best understood as frequently arising from the same liberal reformist political aim, namely the aim of fashioning a socially conscious liberalism that ultimately reifies putatively natural preliberal notions of paternalistic order. Morefield also questions conventional analyses of interwar thought by resurrecting the work of Murray and Zimmern and by linking their approaches to liberal internationalism with the ossified notion of sovereignty that continues to trouble international politics to this day. Ultimately, Morefield argues, these two thinkers drift toward conservative and imperialist understandings of international order as the result of a more general difficulty still faced by liberals today: how to adequately define community in liberal terms without sacrificing these terms themselves. Moreover, *Covenants without Swords* suggests that Murray and Zimmern's work offers a cautionary historical example for the cadre of post-September 11th new imperialists who believe it possible to combine a liberal commitment to equality with an American Empire.

Covenants Without the Sword Patrick Kyba, 1983-03-09 This book constitutes a major and comprehensive reevaluation of British defence policy in the early 1930s. The author traces the evolution of British opinion toward rearmament from opposition to approval between 1931 and 1935 and assesses the impact of this opinion on the formation of the Government's defence policy. He places public opinion among the many factors which determined the extent and timing of British rearmament during this period and concludes that the leaders of those Governments were not Guilty Men who let political considerations overrule their responsibility for national security but rather prudent men who decided on rearmament before it was publicly acceptable. Documented from such sources as newspaper editorials, cabinet papers, speeches of Members of Parliament and results of by-elections, the book will be of interest to historians, students of policy decisions and public opinion and persons interested in the events leading to World War II.

Hobbes, Locke, and Confusion's Masterpiece Ross Harrison, 2003 Table of contents

Challenges of Global Business Authority, The Tony Porter, Karsten Ronit, 2011-01-02 Business is being globalized

with an immense speed but are democratic practices and decision making structures keeping pace Contrary to those who see democracy as irrelevant or impossible at the global level The Challenges of Global Business Authority analyzes three dimensions of democracy participation accountability and transparency in many transnational mechanisms that seek to align global business interests with the public interest Looking beyond these mechanisms this volume seeks to explore the fundamental issues affecting the relationship between democracy and global business authority such as the structural power of business itself and the contestations over the boundary between public and private The essays in this volume provide concrete ways that business can be made more publicly accountable to allow democratic practices to take on a more permanent role in the global business world The Political Economy of the American Frontier Ilia

Murtazashvili,2013-09-16 This book offers an analytical explanation for the origins of and change in property institutions on the American frontier during the nineteenth century Its scope is interdisciplinary integrating insights from political science economics law and history This book shows how claim clubs informal governments established by squatters in each of the major frontier sectors of agriculture mining logging and ranching substituted for the state as a source of private property institutions and how they changed the course of who received a legal title and for what price throughout the nineteenth century Unlike existing analytical studies of the frontier that emphasize one or two sectors this book considers all major sectors as well as the relationship between informal and formal property institutions while also proposing a novel theory of emergence and change in property institutions that provides a framework to interpret the complicated history of land laws in the United States **Social Norms and Economic Institutions** Kenneth J. Koford,Jeffrey B. Miller,1991 Examines the role of values and social norms in the functioning of economic institutions Covenants Without Swords ,2008 Covenants without Swords examines an enduring tension within liberal theory that between many liberals professed commitment to universal equality on the one hand and their historic support for the politics of hierarchy and empire on the other It does

Empires Without Imperialism Jeanne Morefield,2014 Language and Experience in 17th-century British Philosophy Lia Formigari,1988-01-01 The focus of this volume is the crisis of the traditional view of the relationship between words and things and the emergence of linguistic arbitrariness in 17th century British philosophy Different groups of sources are explored philological and antiquarian writings pedagogical treatises debates on the respective merits of the liberal and mechanical arts essays on cryptography and the art of gestures polemical pamphlets on university reform universal language scheme and philosophical analyses of the conduct of the understanding In the late 17th century the philosophy of mind discards both the correspondence of predicamental series to reality and the archetypal metaphysics underpinning it This is a turning point in semantic theory language is conceived as the social construction of historical conventional objects through signs and the study of strategies we use to bridge the gap between the privacy of experience and the publicness of speech emerges as one of the main topics in the philosophy of language **No Enchanted Palace** Mark M. Mazower,2013-02-24 A

groundbreaking interpretation of the intellectual origins of the United Nations *No Enchanted Palace* traces the origins and early development of the United Nations one of the most influential yet perhaps least understood organizations active in the world today Acclaimed historian Mark Mazower forces us to set aside the popular myth that the UN miraculously rose from the ashes of World War II as the guardian of a new and peaceful global order offering instead a strikingly original interpretation of the UN's ideological roots early history and changing role in world affairs Mazower brings the founding of the UN brilliantly to life He shows how the UN's creators envisioned a world organization that would protect the interests of empire yet how this imperial vision was decisively reshaped by the postwar reaffirmation of national sovereignty and the unanticipated rise of India and other former colonial powers This is a story told through the clash of personalities such as South African statesman Jan Smuts who saw in the UN a means to protect the old imperial and racial order Raphael Lemkin and Joseph Schechtman Jewish intellectuals at odds over how the UN should combat genocide and other atrocities and Jawaharlal Nehru India's first prime minister who helped transform the UN from an instrument of empire into a forum for ending it A much needed historical reappraisal of the early development of this vital world institution *No Enchanted Palace* reveals how the UN outgrew its origins and has exhibited an extraordinary flexibility that has enabled it to endure to the present day

A World Safe for Democracy G. John Ikenberry, 2020-09-22 A sweeping account of the rise and evolution of liberal internationalism in the modern era For two hundred years the grand project of liberal internationalism has been to build a world order that is open loosely rules based and oriented toward progressive ideas Today this project is in crisis threatened from the outside by illiberal challengers and from the inside by nationalist populist movements This timely book offers the first full account of liberal internationalism's long journey from its nineteenth century roots to today's fractured political moment Creating an international space for liberal democracy preserving rights and protections within and between countries and balancing conflicting values such as liberty and equality openness and social solidarity and sovereignty and interdependence these are the guiding aims that have propelled liberal internationalism through the upheavals of the past two centuries G John Ikenberry argues that in a twenty first century marked by rising economic and security interdependence liberal internationalism reformed and reimagined remains the most viable project to protect liberal democracy

Justice and Reconciliation in World Politics Catherine Lu, 2017-11-16 This book examines how justice and reconciliation in world politics should be conceived in response to the injustice and alienation of modern colonialism

Permissionless Innovation: The Continuing Case for Comprehensive Technological Freedom Adam Thierer, 2016-03-15 Will innovators be forced to seek the blessing of public officials before they develop and deploy new devices and services or will they be generally left free to experiment with new technologies and business models In this book Adam Thierer argues that if the former disposition the precautionary principle trumps the latter permissionless innovation the result will be fewer services lower quality goods higher prices diminished economic growth and a decline in the overall standard of living When

public policy is shaped by precautionary principle reasoning it poses a serious threat to technological progress economic entrepreneurialism and long run prosperity By contrast permissionless innovation has fueled the success of the Internet and much of the modern tech economy in recent years and it is set to power the next great industrial revolution if we let it

The Evolution of Strategic Thought The International Institute for Strategic Studies,2008-03-25 This volume provides an understanding of the evolution of strategic thinking since the Adelphi Papers began during the Cold War These papers are important both in terms of the intellectual contribution they made at the time and their enduring value in shedding light even on today s security challenges

Beyond the Balance of Power Peter Jackson,2013-12-05 This is a major study of French foreign and security policy in the era of the Great War Peter Jackson examines the interplay between contending conceptions of security based on traditional practices of power politics and the new internationalist doctrines that emerged in the late nineteenth century

Advances in the Sociology of Trust and Cooperation Vincent Buskens,Rense Corten,Chris Snijders,2020-10-26 The problem of cooperation is one of the core issues in sociology and social science more in general The key question is how humans groups organizations institutions and countries can avoid or overcome the collective good dilemmas that could lead to a Hobbesian war of all against all The chapters in this book provide state of the art examples of research on this crucial topic These include theoretical laboratory and field studies on trust and cooperation thereby approaching the issue in three complementary and synergetic ways The theoretical work covers articles on trust and control reputation formation and paradigmatic articles on the benefits and caveats of abstracting reality into models The laboratory studies test the implications of different models of trust and reputation such as the effects of social and institutional embeddedness and the potentially emerging inequalities this may cause The field studies test these implications in applied settings such as business purchasing and supply informal care and different kinds of collaboration networks This book is exemplary for rigorous social science The focus is on effects of social conditions in particular different forms of social and institutional embeddedness on social outcomes at the macro level Modelling efforts are applied to connect social conditions to social outcomes through micro level behavior in ways that are easily overlooked when argumentation is intuitive and impressionistic The book sets forth a mixed method approach by applying different empirical methods to test hypotheses about similar questions Several contributions re evaluate the theoretical strengths and weaknesses following from the laboratory and field studies Improving the theory in light of these findings facilitates pushing the boundaries of social science

Common Law and Liberal Theory James R. Stoner,1992 In this book James Stoner s purpose is to recover the common law basis of American constitutionalism American constitutionalism in general he argues and judicial review in particular cannot be fully understood without acknowledging their roots in both common law and liberal political theory But for the most part the common law underpinnings of constitutionalism have received short shrift

The Just War Tradition David D. Corey,J. Daryl Charles,2023-05-16 How can some politicians pundits and scholars cite the principles of just war to defend

military actions and others to condemn those same interventions Just what is the just war tradition and why is it important today Authors David D Corey and J Daryl Charles answer those questions in this fascinating and invaluable book *The Just War Tradition* An Introduction reintroduces the wisdom we desperately need in our foreign policy debates **Indra's Net and the Midas Touch** Leslie Paul Thiele, 2011-08-19 An exploration of the impact of unintended consequences in an interdependent world and of the opportunities for creativity and community We live today in a global web of interdependence connected technologically economically politically and socially As a result of these expanding and deepening interdependencies it has become impossible fully to control or foretell the effects of our actions The world is rife with unintended consequences The first law of human ecology which declares that we can never do merely one thing is a truth we ignore at our peril In *Indra's Net and the Midas Touch* Leslie Paul Thiele explores the impact of interdependence and unintended consequences on our pursuit of sustainability Unfortunately good intentions provide no antidote to the law of unintended consequences and proffered cures often prove worse than the disease Biofuels developed for the purpose of reducing carbon emissions for example have had the unintended effect of cutting off food supplies to the needy and destroying rain forests We must fundamentally transform our patterns of thinking and behavior Thiele offers the intellectual and moral foundations for this transformation drawing from ecology ethics technology economics politics psychology physics and metaphysics Awareness of our interconnectedness he writes stimulates creativity and community it is a profound responsibility and a blessing beyond measure

Unveiling the Energy of Verbal Art: An Emotional Sojourn through **Covenants Without Swords**

In a world inundated with screens and the cacophony of instantaneous conversation, the profound power and emotional resonance of verbal artistry frequently fade into obscurity, eclipsed by the continuous onslaught of noise and distractions. Yet, nestled within the musical pages of **Covenants Without Swords**, a charming perform of fictional brilliance that pulses with natural feelings, lies an unforgettable journey waiting to be embarked upon. Published with a virtuoso wordsmith, this interesting opus guides visitors on a psychological odyssey, lightly revealing the latent potential and profound influence embedded within the complicated web of language. Within the heart-wrenching expanse of this evocative analysis, we shall embark upon an introspective exploration of the book's main subjects, dissect its captivating writing fashion, and immerse ourselves in the indelible impact it leaves upon the depths of readers' souls.

Covenants Without Swords Introduction

In today's digital age, the availability of Covenants Without Swords books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Covenants Without Swords books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Covenants Without Swords books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Covenants Without Swords versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Covenants Without Swords books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Covenants Without Swords books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Covenants Without Swords books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-

profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Covenants Without Swords books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Covenants Without Swords books and manuals for download and embark on your journey of knowledge?

FAQs About Covenants Without Swords Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
