The Coward's Almanac Marvin Kitman,1975 *The Coward's Almanac* Marvin Kitman,1976-07-12 **George Washington's Expense Account** George Washington,Marvin Kitman,2007-12-01 A journalist takes a close look at the Founding Father s creative accounting skills in a very funny book The New York Times Book Review George Washington made a noble gesture of refusing payment for his services as commander in chief of the Continental Army but as this book reveals he also took it as an opportunity to indulge his insatiable lust for fine food and drink extravagant clothing and lavish accommodations In a close analysis of the document that financed our Revolution Marvin Kitman uncovers some surprising scandals and fascinating facts and serves each up with verve and wit An intriguing network of historical detection San Francisco Chronicle **The Making of the Prefident 1789** Marvin Kitman,2007-12-01 A witty funny and hysterically silly political parody that dares to take on the Mount Vernon Machine The New York Times Lampooning the modern campaign insider books this book asks How is it possible that a man with no military experience becomes a general He loses more battles than he wins and becomes a war hero He has absolutely no political opinions in the most sophisticated intellectual period of our history He has no ambitions and he wins Through careful research and with plenty of laughs as well as a foreword by John Cleese journalist Marvin Kitman exposes George Washington s weaknesses for social climbing and high stakes whist not to mention his relationships with the Founding Girlfriends Hilarious Will entertain and fascinate even those who think they hate history Houston Chronicle **Early American Almanac Humor** Robert K. Dodge,1987 This collection is a selection of comic items from almanacs published between 1776 and 1800 Dodge uses his smooth astute writing style to unfold the humor in a section of American Heritage The eight chapters are categorized by subject including Comic American Heroes The Tall Tale and Men Women Marriage and Sex **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office,1977 **The New York Times Book Review** ,1975 **The (Old) Farmer's Almanack** Robert Bailey Thomas,1860 *High Ground Coward* Alicia Mountain,2018-04-15 Alicia Mountain s urgent and astonishing debut collection maps a new queer landscape through terrain alive and sensual defiant and inviting With a voice that beckons while it howls Mountain nimbly traverses lyric confessional and narrative modes leaving groundbreaking tracks for us to follow High Ground Coward offers fists full of soil leftovers for breakfast road trip as ritual twins of lovers and twins of ourselves This world blooms with hunger inducing detail its speakers asking us to consider what it will take to satisfy our own appetites while simultaneously trying to nourish one another Ferocious even the softest part Mountain shows us a way to fall in love with wanting leaving us ravenous but gradually Bearing witness to identity formation in solitude and communion High Ground Coward is an almanac of emotional and relational seasons Mountain s speakers question the meaning of inheritance illness violence mythology and family architecture Whether Mountain is at work revealing the divinity of doubt the entanglement of devotion or the dominion that place holds over us High Ground Coward heralds a thrilling poetic debut From

kinder ones say are typical right wing drivel But there is much more to O Reilly than what meets eye O Reilly is the paradigm of idiosyncrasy in television journalism On the rough road to the top O Reilly learned how to give the public what it wants and thinks it needs From his early education at the hands of nuns to an advanced degree in public policy from Harvard from working at local television stations and rising through the ranks to network news O Reilly spent nearly twenty five years learning his craft before he became an overnight star at Fox News In this very intimate look at the man and what matters to him veteran media critic Marvin Kitman explores all the experiences that led to the making of Bill O Reilly a nonconformist in a business that demands conformity as the price of success and a man who has risen to the top by not playing by the rules of broadcast news Kitman shows that O Reilly is not a knee jerk conservative but an independent freethinker with a mind of his own and he believes what journalism needs is more Bill O Reillys Not screamers the blowhards like the current O Reilly clones rushed on the air since his success but trained journalists reporting the news and telling us why in their opinion the world is a crazy place Supported by twenty nine interviews with O Reilly Marvin Kitman chronicles a descent from reporter of news to spewer of views
