Cowtown An Album Of Early Calgary:

Cowtown Tom Ward,1975 Alberta Newspapers 1880-1982: An Historical Directory Gloria Strathern,1988 Studies of Alberta s newspapers have generally concentrated on better known newspapers published in major centres and the organs of significant political parties Gloria H Strathern s exhaustive historical directory makes it possible to review the role of the press on a more comprehensive basis **Calgary's Grand Story** Donald B. Smith,2005 Calgary was a boomtown of 50 000 people in 1912 the year the Lougheed Building and the adjacent Grand Theatre were built Through the great days of Vaudeville and classic cinema through the Depression two world wars and the oil and gas boom the Lougheed and the Grand were cornerstones of downtown Calgary As the city grew up around them questions about their future arose Complemented by over 140 historical images Calgary s Grand Story is a fascinating tribute to the Lougheed and the Grand and celebrates their unrivalled position in the city s political economic and cultural history **The Great West Before 1900** ,1991 The first volume of a sweeping twelve volume journalistic history of Alberta in the 20th century provides the historical context for the creation of the province in 1905 The book covers the history of the Plains people Hudson s Bay Company and the fur trade American Civil War Canadian Confederation building of the Canadian Pacific Riel Rebellion and the long struggle of the North West Territories to achieve provincehood The format is magazine like filled with hundreds of fascinating historical photographs stories maps illustrations and sidebars that complement the narrative *Metis Pioneers* Doris Jeanne MacKinnon,2018-02-08 In *Metis Pioneers* Doris Jeanne MacKinnon compares the survival strategies of two Metis women born during the fur trade one from the French speaking free trade tradition and one from the English speaking Hudson s Bay Company tradition who settled in southern Alberta as the Canadian West transitioned to a sedentary agricultural and industrial economy MacKinnon provides rare insight into their lives demonstrating the contributions Metis women made to the building of the Prairie West This is a compelling tale of two women s acts of quiet resistance in the final days of the British Empire **The River Returns** Christopher Armstrong,Matthew Evenden,H.V. Nelles,2009-10-14 Millions of tourists and residents know the Bow River as it tumbles through Banff s spectacular scenery or carves an elegant arc through the city of Calgary Fewer people know the Bow as a heavily engineered hard working river Cattle Kingdom Edward Brado,2004 One of the most colourful chapters in the history of North American settlement began in the 1880s when the rich Alberta grasslands spreading east from the foothills of the Rockies became the magnet for cattle ranching Award winning *Cattle Kingdom* provides readers with all the colourful tales of raffish characters political intrigues and partnerships fortunes made and lost and the harsh realities of prairie winters The era also gave us the mythic figure of the cowboy still prominent in Alberta today Nowhere is the story of ranching more rich and varied than in Alberta There was an assortment of high rollers big money men from the east English lords and remittance men along with refugees from the American west and ordinary folk seeking a homestead and a new dream The newly formed North West Mounted Police was on hand as well Famous

ranches were created during this period including the Cochrane the Oxley and the North West Cattle Company Bar U The cast of characters included John Ware the brave and foolhardy Major General Thomas Bland Strange who had plans for a ranch for retired British army types and the scrappy Pat Burns who parlayed a small slaughterhouse in Calgary into a giant meat packing and cattle empire By the time of the first Calgary Stampede in 1912 the cattle kingdom was on the wane More and more settlers arrived and began fencing and farming the once limitless grazing lands And then came the discovery of oil But during its brief and brilliant season in the sun early ranching in Alberta put an indelible stamp on the history and culture of the Canadian west *Cowboys, Ranchers and the Cattle Business* S. M. Evans, Sarah Carter, Bill Yeo, Glenbow

Museum, 2000 Papers from a conference held at the Glenbow Museum in Sept 1997 **Catalogue of the Public Archives Library** Public Archives of Canada. Library, 1979 **The Calgary Project** Beverly Ann Sandalack, Andrei Nicolai, 2006

Focuses on the culmination of five years of research and observation in the study of this prairie metropolis This title looks at the city of Calgary not only because of its phenomenal growth but also to consider the premise that the evolution of any city reflects the ideology and cultural values of its inhabitants *Calgary* Maxwell Foran, Foran, Max, 1978 Fort Calgary was built in 1875 by the North West Mounted Police to bring law and order to the newly opened frontier of the Canadian West With the arrival of the railway and the granting of land concessions favourable to ranching the new town of Calgary grew rapidly justifying the eternal optimism of its energetic boosters The discovery of oil at Leduc in 1947 restored the city's pre eminence in the province's economic life Always the most American of Canada's major cities Calgary in recent years has felt the southern influence even more as American multinationals set up new headquarters in the rapidly rising downtown core Nevertheless despite the general uniformity of its ethnic makeup and the relative lack of civic enterprise the city's inhabitants have preserved a spirit which is energetic and immediately recognizable The text has been enhanced by a fine selection of 120 historical photographs illustrating all aspects of the city's life from its origins to the present day

Mavericks Aritha Van Herk, 2010-01-12 The fifth title in our provincial histories series *Mavericks* is an idiosyncratic and episodic history of what is arguably Canada's most unconventional province From mapmakers to ranchers Stampede Wrestling to Stockwell Day acclaimed writer Aritha van Herk brings the drama and combative beauty of this irascible

province to stunning life van Herk s portrait of her home province embraces all its extremes from deadly and spectacular weather to dinosaur graveyards and from oil gushers and geysers to barnstorming social reformers and political haymakers Bronc riders of boom and bust Alberta s people are a beguiling mixture of opinionated extremists hardy pioneers and gentle sinners Alberta is a province that most Canadians simply don t understand the province most Canadians love to hate It is regarded as a land of reckless redneck and ignorant individualists But it is also the province where the Famous Five fought the landmark Person s Case giving Canadian women the same status as men in the eyes of the law a province that truly believes in free speech Albertans tolerate in their midst people whose extreme views on any manner of subjects would make them outcasts elsewhere And Albertans practice the creed of western neighbourliness giving assiduously to charity and always lending a hand where help is needed They are a tough tender bunch squinting into the wind of determined difference If you re an Albertan you ll recognize yourself and your home in this book If you re not an Albertan this book will be an education for you Mavericks will open your eyes to the real Alberta as she was and is **Subject Catalog, 1976** Library of Congress,1976 National Union Catalog Library of Congress,1979 Includes entries for maps and atlases Canadiana ,1976 *National Union Catalog* , Includes entries for maps and atlases
