Corinthians And Galatians:

Gospel in Paul L. Ann Jervis, Peter Richardson, 1994-10-01 This Festschrift in honour of Richard N Longenecker author of Paul Apostle of Liberty The Christology of Early Jewish Christianity The Ministry and Message of Paul Biblical Exegesis in the Apostolic Period The Acts of the Apostles in The Expositor's Bible Commentary New Testament Social Ethics for Today and Galatians Word Biblical Commentary is centered on the theme of gospel in Paul Notable Pauline scholars discuss gospel from five different perspectives the historical the theological the hermeneutical the rhetorical and the epistolary each author discusses one of these five perspectives within one part of Paul's correspondence 1 Gospel in Romans 2 Gospel in Galatians and 3 Gospel in the Corinthian letters The volume promotes discussion both on methods of reading Paul's letters and on important historical theological and hermeneutical issues

2 Corinthians and Galatians Gareth L. Reese, 2019-09 This phrase by phrase commentary and exposition of the New Testament books of 2 Corinthians and Galatians is in use as a college textbook yet is suitable for lay church members 2 Corinthians and Galatians were written by Paul during the same time period of his life to two different churches wrestling with similar thorny issues The threat to New Testament Christianity posed by the Judaizers is rightly framed by information learned from 2 Corinthians and Galatians Time and again in 2 Corinthians Paul emphasizes his apostolic message and apostolic authority and insists that the new covenant gospel message which reflects the truths Jesus taught during His earthly ministry is what is now to be preached The new covenant Scriptures are to be treated as our rule of faith and practice In Galatians Paul examines what is involved in the faith that God looks for as He would justify men who have sinned Is it faith alone i.e. knowledge assent and trust or is it a faith that includes obedience to what God has said In his words to Peter a man is not justified by works of the Law but through faith in Christ Jesus Galatians 2:16 Paul persuasively proves that the faith that saves is habitually doing what God says not walking by man made religious rules The Judaizers who championed rules like the Pharisees taught were distorting the gospel message as preached by Jesus apostles Galatians 1:7 This commentary is conservative evangelical Christian in outlook yet skillfully examines the Scriptures from multiple theological viewpoints Introductory Studies cover authorship and attestation place and date of writing original target audience to whom the letters were addressed and the original purpose for writing Two extended Special Studies address issues crucial to our understanding of how God deals with people He would save Readers are introduced to the Dead Sea Scroll referred to as 4QMMT and the subject works of the Law The study demonstrates how 4QMMT helps us rightly understand Paul's contrast of faith v works of the Law Justification by Faith is given extended treatment and key theological questions are addressed Biblically what is justification and what is faith Is sola fides faith alone the condition upon which God justifies sinful men How and how often is justification applied to men by God And how has our understanding of the New Testament been impacted by the New Perspective on Paul that has dominated theological discussions for the past 30 years Since this commentary presumes the God inspired nature of all Biblical writing the author

seeks to harmonize the teachings of 2 Corinthians and Galatians with other relevant Scriptures and also helpfully examines the original language in which the epistles were written An annotated bibliography of other commentaries on 2 Corinthians and Galatians encourages readers to extend their own studies This commentary continues the author s series on the books of the New Testament and is written from the unique standpoint of the Restoration Movement a position which allows him to approach Scripture with no special theological doctrine or dogma to defend and explicate This approach provides an unhindered freedom to listen to what the Holy Spirit would tell us within the pages of sacred Scripture By deliberately employing the time honored grammatico historical method of interpretation the Word of God is allowed to impress upon our minds the intent the Divine Author had in mind The author is Professor Emeritus at Central Christian College of the Bible Moberly MO *The Earlier Pauline Epistles* James Vernon Bartlet,1902 *The Epistles to the Corinthians and Galatians* John Edgar McFadyen,1909 *Thessalonians, Corinthians, Galatians and Romans* J. W. McGarvey,Philip Y. Pendleton,2020-09-15 *Paul's Critique of Theocracy* David Odell-Scott,2003-09-01 Paul s Critique of Theocracy offers an interpretation of select texts in Corinthians and Galatians concerned with the establishment of legitimate authority in the Christian community Odell Scott argues that for Paul no one may boast that they are selected by God and no one has the authority to rule as God s representative Paul also criticizes those who exhibit a superior sacredness over other community members Contrary to most scholarly views Odell Scott argues that Paul is not taking sides in a debate about the proper authority structure Rather he criticizes any notion of such a structure opposing it with his metaphor of the Church as the body of Christ and the sacred family of God The exegesis is also sketched out in a postmodern framework criticizing hierarchy through differentiation *Thessalonians, Corinthians, Galatians and Romans* J. W. McGarvey,Philip Y. Pendleton,2020-09-15 *Paul's Journey Letters* Christopher R. Smith,2011-04-06 These studies guide you through Paul s first six letters leaving you a much deeper and personal understanding of what God was doing *Paul's Letters to the Churches* Big Dream Ministries,2005 The Bible is simply a love letter compiled into sixty six books and written over a period of sixteen hundred years by more than forty authors living on three continents Although the authors came from different backgrounds there is one message one theme one thread that runs throughout the entire Bible from the first book Genesis to the last book Revelation That message is God s redeeming love for mankind a message that is as relevant for us today as it was two thousand years ago Paul s Letters to the Churches Romans First Corinthians Second Corinthians Galatians Ephesians Philippians Colossians First Thessalonians and Second Thessalonians were written by Paul over a period of fourteen years to seven churches scattered throughout Asia Minor Greece and Rome These churches were in different stages of maturity and all needed instruction from the great apostle Though Paul did not found all of them he was looked to for leadership as these churches moved through various seasons of growth and challenge As we will see these letters contain both doctrine and practical explanation The apostle took the great truths of the life death resurrection and return of Jesus

Christ and explained and applied them for the members of these newly established centers of Christian worship and witness. Because of the different circumstances into which Paul sent these letters each has its own flavor and emphasis. However the Spirit of God and the purpose of the Scriptures make them as applicable today as they were nearly two thousand years ago when the apostle originally penned them.

The Epistle to the Galatians Ronald Y. K. Fung, 1988-07-22 Fung's study on the Epistle to the Galatians is part of The New International Commentary on the New Testament Prepared by some of the world's leading scholars the series provides an exposition of the New Testament books that is thorough and fully abreast of modern scholarship yet faithful to the Scriptures as the infallible Word of God.

Letters to Encourage and Correct Don Storker, 2017-07-19 Paul had a deep concern for the Christians in the churches which he planted. This is something that is very obvious in the second letter to the church in Corinth and the letter to the Galatian churches. Paul's integrity was being attacked by intruders in Corinth and he needed to defend himself in order that Christians there would not be destabilized in their faith. One of the things that stands out very clearly is Paul's pastoral heart and care for these Corinthian believers. The letter to the churches in Galatia was also written following the unsettling effects of intruders into the churches. Wrong doctrine was being taught and the Christians were in danger of being completely led away from the fundamental message of the gospel that salvation is by grace through faith. As we look back from our position in the twenty first century we can be thankful for Paul's uncompromising approach to the gospel.
