2 Corinthians and Galatians, a Call for Help and Freedom Marilyn Kunz, Catherine Schell, 1975      **2 Corinthians and Galatians, a Call for Help and Freedom** Marilyn Kunz, 1975      *Biblical Studies on the Internet* Roland H. Worth, Jr., 2008-09-18 The new edition includes more than 4 800 resources available at more than 10 000 Internet sites that provide information on a range of biblical study topics including Bible translations in English and other languages audio translations of the Bible in English and other languages commentaries dictionaries and other resource materials including ones in Greek Hebrew and other ancient languages The author also has adopted a new method of referencing and cataloging the most widely used web pages to facilitate a major expansion of resources without increasing the physical length of the book itself In cases when ten or more resources are listed on a single web page the author has assigned the web page a three digit code The code is used to identify this web page as a major resource within the main text while any needed instructions for use of the site are cross referenced separately in the final chapter In adopting this concise method the author was able to add hundreds of additional or updated web resources a surprising number of which can be downloaded onto a hard drive for immediate and continued use      *The Curriculum and Small Group Resource Guide* Judy Hamlin, 1991      The Community, the Individual and the Common Good Kei Eun Chang, 2013-08-29 This book investigates Paul's effort to combat factionalism by his use of the Greco Roman rhetoric of the common advantage to overcome socio ethical problems caused by the improper exercise of private advantage in Corinth Chang examines the common advantage first as a fundamental principle that defined human and societal relationships in the Greco Roman world He explores how the neglect and misunderstanding of this principle lay at the root of relational and societal breakdowns The book further examines Paul's use of the term and demonstrates that when properly understood and appropriated the principle of the common advantage is pivotal to keeping societies and relationships dynamic and healthy Conversely when common advantage is not functioning and concomitantly private advantage is wrongly emphasized at its expense relational societal and ecclesiastical breakdowns occur The book culminates in demonstrating that for Paul the common advantage carries missional and salvific implications that override and subvert socio ethnic boundaries In this way otherwise hostile social groups will realize a healthy symbiosis      Apostolic Letters of Faith, Hope, and Love Bruce M. Metzger, 2006-10-15 Professor Metzger has been a leader in New Testament studies for the past fifty years through his teaching his publications his text critical work and his translation work This volume brings his deep insight to three key epistles focusing on three fundamental Christian virtues      *The Publishers' Trade List Annual*, 1990      **Christian Community** Rob Suggs, 2012-09-06 In this ten session LifeGuide Bible Study Rob Suggs leads us to grow in community in loving and nurturing one another and in reflecting Christ's love to the world around us      **Community-Identity Construction in Galatians** Atsuhiko Asano, 2005-07-17 The issue of community identity construction in Galatians is considered using two methods first by applying anthropological theories to the mechanism and

natures of community identity and its construction and second by comparing the Galatian community with another minority religious community Asano argues that Paul's effort at identity construction is partially conditioned by his self-awareness as an autonomous apostle and by the external pressures of the significant groups elsewhere Paul's conflict depicted in Galatians 2 and projected upon the Galatian situation is understood as a conflict between the ethno-centred and the instrumental mode of community constructions the latter of which is free from the constraints of core ethnic sentiment Galatians 4:21-31 is identified as a conceptual framework or recreated worldview for the community members to be assured of their authentic existence under marginalizing pressure This recreated worldview is ritually acted out in baptism with the egalitarian motif Gal 3:28 to help internalize the authentic identity Finally Paul's letter is suggested to have functioned as a physical locus of community identity Thus the autographic marker Gal 6:11 directs the attention of the audience not only to the conceptual content but to the presence of the founding apostle that the letter replaces

**Elijah** Douglas Connelly, 2012-05-03 Every day the news reinforces what you want to forget you live in an insecure world Elijah's times were no safer He faced famine murder and corruption with both courage and fear In this eight session LifeGuide Bible Study on Elijah's life Douglas Connelly helps you look beyond the insecurity of the world to our sovereign God who reigns forever

**Christ and Community** Thomas Slater, 1999-07-01 Slater presents a study of the three major christological images of Revelation and their meanings for the original audience Employing both historical criticism and elements of sociology of knowledge Christ and Community explores the social functions of one like a son of man the Lamb and the Divine Warrior identifying both similarities and dissimilarities The study argues on the one hand that the religious laxity found in Revelation 2:3 reflects attempts by some Christians to accommodate to provincial social pressures while on the other hand Revelation 4:19 reflect the low status of Christians in the cities of Asia Minor

**Biblical Greek Exegesis** George H. Guthrie, J. Scott Duvall, 1998 This intermediate advanced text and workbook teaches syntax as well as exegesis by means of a modified inductive approach

**Paul as a Prototype and Entrepreneur of Christian Identity** Vuyani Stanley Sindo, 2024-10-31 In this important addition to Pauline scholarship on 1 Corinthians Dr Vuyani Stanley Sindo brings fresh insight to how Paul's use of the in Christ terminology supports his argument on leadership and community Integrating social identity theory with a socio-historical approach Dr Sindo examines how identity discourse is an integral part of the leadership discourse in 1 Corinthians 1:4 From this solid base he provides a close and insightful investigation of the interrelationship between leadership and identity This compelling and biblically rooted work will help Christians to understand the dangers of division within the church and how Christian leaders can overcome these divisions by reminding the community of their common identity in Christ

**Paul: Servant of the New Covenant** Scott J. Hafemann, 2020-01-07 Taking 2 Cor 3:6 as its starting point the new and updated essays here assembled investigate the key passages in Romans 1 2 Corinthians Galatians and Philippians in which the covenant content and eschatological context of Paul's theology interpret one another Developed over thirty years

Scott Hafemann's close reading of Paul's arguments with an eye toward their OT Jewish milieu also advances the larger thesis that the various Israel church works faith and justification judgment polarities in Paul's thinking do not represent a material contrast between a law way and a gospel way of relating to God. Rather they epitomize an eschatological contrast between the character of God's people within the two eras of salvation history in which by virtue of the Messiah and the Spirit the Torah of the old covenant is now being kept in the new.

### **Worship in the New Testament**

**The Gospel of the Christ** Thomas Lewis Stegall, 2009-07 The Gospel of the Christ is a clear biblical reply to the question of what a person must believe about Jesus Christ to possess eternal life. While Christianity has historically maintained that faith in Jesus Christ is essential for everlasting life, this raises the vital question: what is the necessary content of this faith? Written against the backdrop of the controversy within Free Grace circles over the crossless gospel and the contents of saving faith, Thomas Stegall goes well beyond a carefully documented analysis of his own movement. The Gospel of the Christ provides a systematic exegetically based treatment of biblical teaching on the subject of the gospel and the meaning of the title the Christ. The end result is a comprehensive biblical and theological study of Jesus Christ's person and work in the contents of saving faith.

**Judgement in the Community** Calvin J. Roetzel, 2023-11-13 **Holiness in the Letters of Paul** J. Ayodeji Adewuya, 2016-10-21 Paul's understanding of holiness stems from the holiness of God as revealed in the Old Testament. Using varied terminology, Paul describes the holiness that should characterize the believers as the people of God. God expects moral integrity of his people because he has provided believers with his Holy Spirit to enable them to live exemplary Christlike lives in this present world though polluted as they prepare for the world to come. Believers who like Paul anticipate the Parousia must not only desire but also pray that holiness becomes a reality in their lives, cognizant of the fact that holiness is a matter of practice, not merely a status that one attains upon justification. Thus holiness is an imperative for the people of God.

**Dinosaurs, Volcanoes, and Holy Writ** James L. Hayward, 2020-04-29 An earnest young boy who loves nature grows up the son of a fundamentalist pastor. He goes to college, trains as a biologist, and becomes a successful university professor. In the process, he finds some of the religious beliefs that carried him through childhood and adolescence indefensible in the face of evidence from biology and geology and even from Scripture itself. What's he to do? This is the journey of a boy turned scientist who finds a path away from the idols of fundamentalism and toward a universe rich with process, intrigue, and mystery. Along the way, he discovers a faith consistent with physical reality, one open to beauty, kindness, and hope.

**Engaging Latino/a/x Theologies** Sharon E. Heaney, 2024-02-26 Sharon E. Heaney describes how the life-giving interruption of Latin American poets, novelists, artists, and theologians changed her life in a conflict-ridden Northern Ireland. An outsider in this study, she provides an engagement with a stream of theology in the United States she takes to be exemplary Latino/a/x theology. It is a theology in conjunto, collaborative theology. It models ways to examine complicated and contested histories and identities and it resists dominant assumptions about theological points of departure in favor of also valuing the everyday as locus.

theologian Identifying major themes and foundational thinkers alongside more recent developments Heaney offers an overview and invites readers to further reading study and formation Modelling what it esteems each chapter closes in conversation with a Latino a x leader in the church The conclusion is written by practical theologian Altagracia P rez Bullard She affirms this is not just an intellectual exercise this engagement is the practice of our lives as we journey with God and as we journey with one another It is an exciting journey It changes us
