Neoclassical Designs And Motifs:

200 Neoclassical Designs and Motifs Agostino Aglio, 2002-01-01 In 18th century France the neoclassicism of the Louis XVI style reflected a definite reaction against over elaborate rococo and baroque designs and with Napoleon's assumption of power late in the century there came a deliberate artistic attempt to re create the aura of Imperial Rome to give a sense of legitimacy and permanence to the new empire This French neoclassicism was soon reflected in many stylebooks published in England during the period The present volume comprises a selection of 43 plates from one of these extremely rare British collections It provides artists and illustrators with a host of elegant royalty free fine line illustrations depicting cherubs astride lions gods and goddesses at play figures draped in classical robes cartouches busts and a wealth of other designs all ready to add a touch of timeless classical elegance to a wide variety of print projects as well as numerous art and craft activities *American Federal Furniture and Decorative Arts from the Watson Collection* Philip D. Zimmerman, Catherine E. Hutchins, 2004 While demonstrating the high level of artistry attained by furniture makers of the period this selection in many ways reflects the evolving character of domestic life in America during a seminal period in the country's history
