

## 2 Corinthians by Geoffrey B. Wilson

When the author's first treatment of a New Testament epistle in this style was published in 1969, a reviewer in *Floodtide* wrote: 'Mr Wilson has done so well something that has not been tried before that he — and others — should be encouraged to treat other New Testament books in this way.' His first 'digest' on *Romans* was subsequently followed by *Hebrews* and *1 Corinthians* and now by *2 Corinthians* and *Galatians* in the same series. Geoffrey Wilson's paperbacks have achieved popularity because they go beyond a simple devotional comment — they aim at bringing the reader to grips with the thoughts of Scripture. Yet this is done without encumbering the page with those niceties of scholarship which too often make a commentary unenjoyable to the ordinary Christian. By drawing upon the exegetical insights of a wide range of commentators the author provides in brief compass the basis necessary for those who wish to possess a serious understanding of the Word of God.

# Corinthians A Digest Of Reformed Comment

**Michael J. Alter**

## **Corinthians A Digest Of Reformed Comment:**

**First Corinthians: An Exegetical and Explanatory Commentary** B. Ward Powers, 2009-01-01 In most areas of this Epistle B Ward Powers has come to share the interpretation of Paul's meaning held by the Early Church Fathers although he explains and expounds those views This is particularly the case in relation to chapters 12 through 14 where in keeping with the Early Church Fathers the Reformers most Scripture expositors until recent times and many present day exegetes Powers expounds the interpretation that tongues refers to human languages spoken on earth The one major area where Powers parts company with the Fathers of the first Christian centuries is in relation to matters of sex and marriage divorce and remarriage and attitudes to women generally Here Powers explains that Paul is more affirming of sex marriage and remarriage and women than many early writers and some modern writers have understood him to be We need at times to take considerable care he writes to understand the meaning of what Paul says to the Corinthians and in coming to terms with how this teaching is to apply to us in today's world But when we have arrived at our understanding of these things then there is no question this is the Word of God to us and we must take it very seriously indeed We cannot just dismiss it offhandedly and simply say Well that is just Paul's opinion and we can take it or leave it Not at all Paul has explained clearly that what he writes comes with the inspiration and authority of the Holy Spirit of God *1 Corinthians* J. Ayodeji Adewuya, 2019-04-09 New Testament scholars have widely recognized and acknowledged the occasional nature of Paul's first canonical letter to the Corinthians In the letter Paul addresses real problems that were faced by real people in a real world This commentary shows how the church in the twenty first century mirrors the Corinthian Church in many ways It goes further to show how the church in the present day particularly its leaders could benefit from how Paul addressed the situations that the church faced [The First Epistle to the Corinthians](#) Gordon D. Fee, 1987-07-10 Gordon Fee's work on I Corinthians is a contribution to The New International Commentary on the New Testament Prepared by some of the world's leading scholars the series provides an exposition of the New Testament books that is thorough and fully abreast of modern scholarship yet faithful to the Scriptures as the infallible Word of God **A Thematic Access-Oriented Bibliography of Jesus's Resurrection** Michael J. Alter, 2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus's Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access

through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease

**The First Epistle to the Corinthians, Revised Edition** Gordon D. Fee, 2014-12 This landmark commentary originally published in 1987 has been lauded as the best study available of Paul's theologically rich first letter to the Corinthians Writing primarily for pastors teachers and students Gordon Fee offers a readable exposition of 1 Corinthians that clearly describes the meaning of Paul's ideas and their larger theological relevance Fee's revised edition is based on the improved updated 2011 edition of the NIV and it takes into account the considerable scholarship on 1 Corinthians over the past twenty five years Fee has also eliminated chapter and verse language totally foreign to Paul's first century letter relegating the necessary numbers for finding things to parentheses

**Second Corinthians** Geoffrey B. Wilson, 1979

**I Corinthians** Geoffrey B. Wilson, 1971-01-01 Geoffrey Wilson's paperbacks have achieved popularity because they go beyond a simple devotional comment they aim to bring the reader to grips with the thoughts of Scripture

**Can We Zoom into God?** Andrew Hemingway, 2023-10-19 When Zoom worship emerged in Britain during the COVID lockdown of 2020 Christians quickly turned to an art form a form of theater to deliver their worship It was a quest for immanence the very thing the Reformation dealt with by the elevation of transcendence What an intriguing thought Could John Calvin with his dictum regarding piety have practiced Zoom worship Served as he was with the principle that the finite cannot contain the infinite we must admit it looks very unlikely At least in this Calvin saw eye to eye with Erasmus but what of Luther He may have been a comfortable Zoom worshiper with his views that Religious artworks are neither here nor there and We may have them or not as we please Little did the church realize that it would be a step back into the past because what you permit you promote The desire to use images was much more sinister than in Medieval times as these were now images of ourselves Regardless of the age the image reigns supreme What had caused the demise Was it bereavement It could not be bereavement of God rather it was the loss of the social the bereavement of one another The need for one another had forced the hand of Christians to turn to a practice completely untested Zoom worship was born the genie is out and will never go back in But in the face of the now acceptable force of contemporary narcissism who cares

**Hit List** Brian G. Hedges, 2014-11-01 The Christian life is a war and one of your most lethal enemies hangs its helmet inside your heart This infernal internal enemy is sin which even after new birth continues to reside in every believer As followers of Jesus we've been given a simple mission regarding sin search and destroy Put it to death But in the words of Cornelius Plantinga Jr sin has a thousand faces It is one thing to oppose sin in principle quite another to actually do the bloody work of crucifying specific sin patterns in our lives Sometimes these patterns are difficult to detect Always they fight back tooth and nail mounting vehement resistance in counter maneuvers of a variety and complexity that would send General Schwarzkopf's

mind spinning like a tilt a whirl The most famous faces of sin are the Seven Deadly Sins pride envy wrath sloth greed gluttony and lust Not merely corrupting vices in themselves these seven are gateway sins leading to countless others They are the leading undercover operatives for the world the flesh and the devil that evil complex of powers arrayed against our souls And while we may recognize these sins by their names we are often misled by the subtlety of their methods and ways These sins are masters of disguise adept at masking their true nature in charades of harmlessness acceptability and fun In Hit List Brian Hedges helps us take aim at the seven deadly sins by providing detailed dossiers for each one and equipping us with rich gospel resources for replacing vice with the virtue of Christ *Jew Among Jews* Kimberly Ambrose,2015-11-17

Misunderstanding of Paul had started already in his lifetime and his letters offer many examples of this Throughout the centuries Paul has continued to be misunderstood by both Jews and Gentiles especially in relation to his view of the law and the covenant Paul has often been misunderstood because his form of argument his use of Scripture his view of Jews and Gentiles in Christ especially of those Jews who were not convinced that Jesus was Messiah and his view of what constitutes true Judaism do not seem to conform to our expectations and perceptions of the apostle We have been accustomed to read his letters as of one who was emancipating people from Judaism as one who sought to obliterate all ethnic and other distinctions rather than maintaining the identity of Jews and Gentiles even in Christ By building on some of the insights of the New Perspective and developing other more recent insights as well a more consistent and credible Paul as a first century Diaspora Jew organizing a mission to Gentiles will be presented *Believer's Bible Commentary* William

MacDonald,2016-08-16 Make Bible study a part of your daily life with the thorough yet easy to read commentary that turns complicated theology into practical understanding The second edition of Believer's Bible Commentary is a one volume guide that helps the average reader develop basic knowledge of the Bible This commentary written by the late William MacDonald explores the deeper meanings of every biblical book and tackles controversial issues from a theologically conservative standpoint while also presenting alternative views Serving as a friendly introduction to Bible study Believer's Bible Commentary gives clarity and context to scripture in easy to understand language Features Introductions notes and bibliographies for each book of the Bible A balanced approach to linguistic studies and useful application Comments on the text are augmented by practical applications of spiritual truths and by a study of typology where appropriate Colorful maps of the Holy Land and other useful study helps Can be used with any Bible translation but is best used with the New King James version **Only the Third Heaven?** Paula Gooder,2006-11-05 Offers a fresh appraisal of the ascent of Christ to the third

heaven in 2 Corinthians 12 proposing that it records a failed not a successful ascent into heaven *Exposition of the Second Epistle to the Corinthians* Simon J. Kistemaker,1997 This set is ideal for pastors and serious Bible students of the Reformed tradition It is the only complete commentary on the New Testament written solely from a Reformed perspective The award winning twelve volume set features verse by verse exegesis and applications critical notes on the Greek text chapter

summaries and extensive bibliographies and indexes of authors Scripture and other ancient writings enhance the usefulness of each volume Begun by William Hendriksen Baker's New Testament Commentary has earned the acclaim and respect of Reformed and evangelical scholars and pastors Since Hendriksen's death in 1982 the series has been continued by Simon J Kistemaker Four of the volumes compiled by Kistemaker earned the Gold Medallion Award Hebrews James and 1-3 John Acts and 1 Corinthians 1 Corinthians Geoffrey B. Wilson, 1978 **An Annotated Bibliography of 1 and 2 Thessalonians**

Weima, Stanley E. Porter, 2019-07-01 This bibliography lists some 1300 works germane for the interpretation of 1 and 2 Thessalonians It includes all relevant works written in the 20th century as well as a sizeable number of important sources from the 19th century Virtually all the works listed are annotated except for commentaries and dictionary articles These annotations do not merely describe the content of each source but attempt to summarize its central thesis or argument The works listed are classified and cross indexed in such a way that the user is able to track down easily the relevant sources on any given topic or passage in the Thessalonian letters **Annotated Bibliography of First and Second Thessalonians**

Jeffrey Alan David Weima, Stanley E. Porter, 1998 This bibliography lists some 1300 works most of which are annotated that are germane for the interpretation of 1 and 2 Thessalonians It includes all relevant works written in the 20th century as well as a sizeable number of important sources from the 19th century **2 Corinthians, Volume 40** Ralph P. Martin, 2017-10-10 Pastors and students will appreciate this new edition with its up to date bibliography and discussion of pertinent issues In this full revision and update of the book of Second Corinthians Dr Ralph P Martin addresses the scholarly questions about the text of the epistle and the significance of Paul's thought for Christian living and ministry In a penetrating analysis of Paul's responses to the various crises within the Corinthian congregation Dr Martin gives insight into the particular problems of Christianity as expressed in the hedonistic cosmopolitan setting of Corinth He shows how Paul's attempt to clearly distinguish the gospel from Hellenistic Judaism and Hellenistic Jewish Christian ideology results in a moving statement of the Christian message Rather than the theology of glory prevalent in Corinth Paul articulates his theology of the Cross as a theology of weakness of servanthood and ministry What was at stake at Corinth says Dr Martin was nothing less than the essence of the kerygma as expressed in the way of the cross for proclamation and daily living New sections on the Collection and Rhetoric have been added and the issues of Composition and Social Setting of the letter have been included along with topics such as the Spirit the Opponents Paul's Theology and the Resurrection in this epistle The Word Biblical Commentary series offers the best in critical scholarship firmly committed to the authority of Scripture as divine revelation It is perfect for scholars students of the Bible ministers and anyone who wants a theological understanding of Scripture

**Library of Congress Catalog** Library of Congress, 1972 Beginning with 1953 entries for Motion pictures and filmstrips Music and phonorecords form separate parts of the Library of Congress catalogue Entries for Maps and atlases were issued separately 1953 1955 1 Corinthians (Understanding the Bible Commentary Series) Marion L. Soards, 2011-08-01 The

Understanding the Bible Commentary Series helps readers navigate the strange and sometimes intimidating literary terrain of the Bible. These accessible volumes break down the barriers between the ancient and modern worlds so that the power and meaning of the biblical texts become transparent to contemporary readers. The contributors tackle the task of interpretation using the full range of critical methodologies and practices yet they do so as people of faith who hold the text in the highest regard. Pastors, teachers, and lay people alike will cherish the truth found in this commentary series. **A Model of**

**Christian Maturity** D. A. Carson, 2007-05-01 We live in a time when leadership and showmanship are seen as far greater virtues than humility and meekness. Even the church has often got it backward. And in Paul's second letter to the Corinthians he confronts similar problems in the first century church. D. A. Carson believes we can learn valuable lessons from Paul's letter about what it really means to be a mature Christian in the face of adversity. In *A Model of Christian Maturity* he takes the reader step by step through an exposition of 2 Corinthians 10-13 and then helps them apply these Scriptures to everyday life in the church. Perfect for pastors, students, and laypeople, this book highlights the power of weakness in the life of the Christian.

## **Corinthians A Digest Of Reformed Comment** Book Review: Unveiling the Magic of Language
