Relational Leadership Daniel C. Juster Th.D.,2015-04-09 Understanding leadership from a scriptural perspective is not a strong point in the American Christian community This book is my attempt to put the experience of over twenty years of pastoring into written form for the benefit of others Some lessons were learned through difficulties and mistakes Some were learned by the teaching and example of others I do believe that the pattern of congregational structure put forth in these pages is scriptural It is a pattern that will work for large or small congregations It has worked well in our congregations for many years These are congregations planted especially to win the lost sheep of the house of Israel If it can work in this context a field known for its difficulty it can probably work in most other contexts

Religion & Politics William F.

Sims,2014-12-20 Politics today has reached a new low Sometimes you just want to kick all those bums out of office and start all over again I wonder if we the 99 percent were to treat the politicians the way they treat us would they like it This is why I vote in each election I want to throw as many of the bums out of office as I can A funny yet serious look at religion and politics Has there ever been two topics that frustrate people so What happens when you mix them together Do you get chaos or heaven on earth

Residents,Â Teaching Skills Janine C. Edwards,Joan A. Friedland,Robert Bing-You,2002 The editors have collected an impressive array of practical material that will guide any academic medical center in the development of a more focused approach to teaching the teachers From learning theory and program development to teaching performance evaluation and specialty specific materials Residents Teaching Skills covers all the bases I commend this volume to the attention of medical educators everywhere and residency program directors in particular from the Foreword by Jordon J Cohen MD President Association of American Medical Colleges This book provides practical guidance to plan organize and run a teaching skills program for medical residents Readers will find that Part Two offers exact materials for course use including modules for use with pediatric residents teaching clinical procedures works rounds and role play plus evaluation forms that can be used as written or customized to fit a particular program *BEYOND TYRANNY & NARCISSISM* Benjamin Williams; Michael McKibben,2010-04-17 History is strewn with examples of failed leadership The book ends for these stories we contend are abusive power and control tyranny on one hand and me narcissism on the other Tyranny gives us such notables as Hitler Stalin Pol Pot Nero and Ivan the Terrible Narcissism gives us Bernard Maddoff Enron Jim Bakker Henry the 8th and Louis the 14th With so many examples of failed leadership why have we not learned our lesson Why do we keep repeating our mistakes The answer lies in human nature Some people lust for power and control over others and if the truth be told others prefer being told what to do because then they don't have to think or take responsibility for their actions being controlled gives them someone to blame Others crave attention and seek the adulation of those around them and like the victims of tyranny those ruled by narcissists prefer a hero figure to adore in good times and blame in bad times Christianity is both belief and practice Therefore it is both critical and the authors argue necessary that the leadership practices of Christians be consistent with the faith What do you do when you've tried the theories and they aren't working You move beyond tyranny and narcissism Where do you go You go to historic Christianity At the heart of the Christian revelation you will discover a timeless organizational model that is founded upon the Holy Trinity and a leadership model incarnated in Jesus Christ both of which are relevant for daily living and decision making no matter what your organization It's time to stop acquiescing to tyranny and narcissism as if things cannot be better It's time to claim the higher ground This takes leadership born of courage strength character discipline and faith It also takes knowing where you want to go The authors provide a well grounded blueprint Beginning with a Trinitarian vision of a communion of persons McKibben and Williams outline in many practical ways how it is possible to make hierarchy and conciliarity complementary aspects of a

leadership based on mutual service and accountability If you are disillusioned with organizational church life or simply frustrated at the gap between theology and administration then this book will be a source of hope If you are disillusioned with organizational church life or simply frustraed at the gap between theology and administration then this book will be a source of hope this is a pioneering work Fr John A Jillions Associate Professor Saint Paul University Ottawa Canada Vice President of the Canadian Council of Churches Beyond Tryanny and Narcissism addresses organizational realities that all churches and businesses struggle with and does so from the perspective of the historic Christian faith by drawing on the doctrine of the Holy Trinity and Christ s leadership style It is the best single practical treatment on the Holy Trinity I have read Dr Richared J Mouw President Fuller Theological Seminary
