in a Storm*

MICHAEL A. DREESE

*Foreword by Timothy H. Smith*

# 151st Pennsylvania Volunteers In Gettysburg Ripe Apples In A Storm

**Bradley M. Gottfried**

## **151st Pennsylvania Volunteers In Gettysburg Ripe Apples In A Storm:**

*The 151st Pennsylvania Volunteers at Gettysburg* Michael A. Dreese, 2015-06-14 While the Battle of Gettysburg is often remembered for Chamberlain's dramatic defense of Little Round Top Pickett and Pettigrew's tragic charge and the stand of the Iron Brigade less remembered units like the 151st Pennsylvania were also crucial in the Civil War's most famous battle The 151st lost over 72 percent of its men to death wounds or capture the second highest percentage loss of all Federal units at the battle This is the account of that courageous unit and its role in this decisive moment in American history [The Maps of Gettysburg](#) Bradley M. Gottfried, 2010-06-15 A comprehensive collection of Civil War maps and battle plans that brought Union and Confederate forces to the largest battle ever fought on American soil Thousands of books and articles have been written about Gettysburg but the military operation itself remains one of the most complex and difficult to understand Here Bradley M. Gottfried gives readers a unique and thorough study of the campaign that decided the fate of a nation Enriched with 144 detailed full page color maps comprising the entire campaign The Maps of Gettysburg shows the action as it happened down to the regimental and battery level including the marches to and from the battlefield and virtually every significant event in between Paired with each map is a fully detailed text describing the units personalities movements and combat it depicts including quotes from eyewitnesses all of which bring the Gettysburg story to life Perfect for the armchair historian or first hand visitor to the hallowed ground no academic library can afford not to include The Maps of Gettysburg as part of their American Civil War Reference collections Midwest Book Review **First for the Union** Darin Wiperman, 2020-12-01 The Army of the Potomac's First Corps was one of the best corps in the entire Union army In September 1862 it was chosen to spearhead the Union attack at Antietam fighting Stonewall Jackson's men in the Cornfield and at the Dunker Church In July 1863 at Gettysburg its men were the first Union infantry to reach the battle where they relieved the cavalry and fought off the Confederate onslaught all day before retreating to Cemetery Hill Their valiant stand west of Gettysburg saved the Union from disaster that day but came at great cost 60 percent casualties The corps was disbanded the following spring having bled itself out of existence The First Corps leadership included two generals who would rise to command the Army of the Potomac Joseph Hooker and George Meade and a third who refused that command John Reynolds often considered the best commander in the East until his death at Gettysburg The corps was made up heavily of men from New York and Pennsylvania including the famous Bucktails with a handful of New England regiments and the Midwesterners of the Iron Brigade perhaps the Civil War's most famous Union brigade Corps histories remain one of the last gaps in Civil War military history Hundreds of regimental histories have been written since war's end many brigades have been covered the armies have been explored but corps remain relatively overlooked not because they are an unimportant or unappealing subject but because mastering the subject is so difficult requiring knowledge of many commanders careers dozens of constituent units and many battles Few are willing to tackle the subject Lucky for us Darin Wiperman has taken

on the task and produced a monumental history of the Army of the Potomac's First Corps well written and deftly told an exciting story in itself and like all great unit histories one that is representative of the many other corps in the Union army

**Disgrace at Gettysburg** John F. Krumwiede, 2015-03-18 The Battle of Gettysburg was a scene of roiling chaos Thousands of casualties and an unexpected Union retreat left the field and its soldiers in utter confusion It was in the midst of this uproar that Brigadier General Thomas A Rowley U S A was arrested for drunkenness and disobedience But what really happened on that chaotic day and how did it affect Rowley and those around him in the years to come A military man for many years Rowley had served during the Mexican War and had worked his way up from second lieutenant to colonel When the fighting began at Fort Sumter he immediately offered his services to the Union Army This volume chronicles Rowley's life up to the July 1 1863 battle that ended his military career with particular attention to the events of that fateful day The author discusses the court martial's questionable guilty verdict and Rowley's reaction to it as well as his role in a confrontation between Major General George Meade and G K Warren shortly after Lincoln and Stanton reversed the court martial's finding Subsequent events in the careers of other participants including Lieutenant Colonel Rufus Dawes and Major General Abner Doubleday are also discussed Sources include personal letters and diaries of the men who served with and under General Rowley Pertinent information regarding the military rules of the period is provided in order to reveal how Rowley's case deviated from the norm Finally appendices provide a list of Rowley's commands a roll of the court martial participants and Rowley's personal defense statement

**Pickett's Charge--The Last Attack at Gettysburg** Earl J. Hess, 2011-07-01 Sweeping away many of the myths that have long surrounded Pickett's Charge Earl Hess offers the definitive history of the most famous military action of the Civil War He transforms exhaustive research into a moving narrative account of the assault from both Union and Confederate perspectives analyzing its planning execution aftermath and legacy

**Lee's Tar Heels** Earl J. Hess, 2002 Hess tells the full story of Pettigrew's Brigade perhaps the best known and most successful of North Carolina's units during the Civil War The brigade played a central role in Pickett's Charge at Gettysburg and also fought with distinction during the Petersburg campaign and in later battles including the Wilderness Spotsylvania and Cold Harbor

**Torn Families** Michael A. Dreese, 2012-10-26 The Battle of Gettysburg lasted only three days but involved more than 160 000 Union and Confederate soldiers Seven thousand died outright on the battlefield hundreds more later succumbed to their wounds For each of these soldiers family members somewhere waited anxiously Some went to Gettysburg themselves in search of their wounded loved ones Some were already present as soldiers themselves In this book are extraordinary and sometimes heartbreaking stories of the strength of family ties during the Battle of Gettysburg Excerpts from diaries letters and other correspondence provide a firsthand account of the human drama of Gettysburg on the battlefield and the home front

**The Sword of Lincoln** Jeffry D. Wert, 2005 With a swiftly moving narrative style and perceptive analysis The Sword of Lincoln is destined to become the modern account of the army that was

so central to the history of the Civil War      **Writing the Gettysburg Address** Martin P. Johnson, 2015-04-10 Four score and seven years ago Are any six words better known of greater import or from a more crucial moment in our nation's history And yet after 150 years the dramatic and surprising story of how Lincoln wrote the Gettysburg Address has never been fully told Until now Martin Johnson's remarkable work of historical and literary detection illuminates a speech a man and a moment in history that we thought we knew Johnson guides readers on Lincoln's emotional and intellectual journey to the speaker's platform revealing that Lincoln himself experienced writing the Gettysburg Address as an eventful process that was filled with the possibility of failure but which he knew resulted finally in success beyond expectation We listen as Lincoln talks with the cemetery designer about the ideals and aspirations behind the unprecedented cemetery project look over Lincoln's shoulder as he rethinks and rewrites his speech on the very morning of the ceremony and share his anxiety that he might not live up to the occasion And then at last we stand with Lincoln at Gettysburg when he created the words and image of an enduring and authentic legend Writing the Gettysburg Address resolves the puzzles and problems that have shrouded the composition of Lincoln's most admired speech in mystery for fifteen decades Johnson shows when Lincoln first started his speech reveals the state of the document Lincoln brought to Gettysburg traces the origin of the false story that Lincoln wrote his speech on the train identifies the manuscript Lincoln held while speaking and presents a new method for deciding what Lincoln's audience actually heard him say Ultimately Johnson shows that the Gettysburg Address was a speech that grew and changed with each step of Lincoln's eventful journey to the podium His two minute speech made the battlefield and the cemetery into landmarks of the American imagination but it was Lincoln's own journey to Gettysburg that made the Gettysburg Address      Abner Doubleday Thomas Barthel, 2014-01-10 While Abner Doubleday is remembered primarily and mistakenly for having invented baseball he did not it was his selfless exercise of duty to his nation that should be honored Following his youth in Auburn New York and his days as a cadet at West Point to the Union general's involvement in the American Civil War and his public service afterwards he is revealed in this biography as a man who took unpopular stands but was guided by a firm vision of justice One chapter fully explores the baseball myth      **The 151st Pennsylvania Volunteers at Gettysburg** Michael A. Dreese, 2009-09-04 While the Battle of Gettysburg is often remembered for Chamberlain's dramatic defense of Little Round Top Pickett and Pettigrew's tragic charge and the stand of the Iron Brigade less remembered units like the 151st Pennsylvania were also crucial in the Civil War's most famous battle The 151st lost over 72 percent of its men to death wounds or capture the second highest percentage loss of all Federal units at the battle This is the account of that courageous unit and its role in this decisive moment in American history      The Better Angels of Our Nature Michael A. Halleran, 2010-03-11 The first in depth study of the Freemasons during the Civil War From first person accounts culled from regimental histories diaries and letters Michael A Halleran has constructed an overview of 19th century American freemasonry The author examines carefully the major Masonic stories from the Civil War in particular the myth

that Confederate Lewis A Armistead made the Masonic sign of distress as he lay dying at the high water mark of Pickett's charge at Gettysburg

**Defeating Lee** Lawrence A. Kreiser, 2011-04-19 Kreiser breathes new life into this most important of Union Army units A remarkably well written and superbly researched account David E Long author of The Jewel of Liberty Abraham Lincoln's Re-election and the End of Slavery Fair Oaks the Seven Days Antietam Fredericksburg Gettysburg Cold Harbor Petersburg the list of significant battles fought by the Second Corps Army of the Potomac is a long and distinguished one This absorbing history of the Second Corps follows the unit's creation and rise to prominence the battles that earned it a reputation for hard fighting and the legacy its veterans sought to maintain in the years after the Civil War More than an account of battles Defeating Lee gets to the heart of what motivated these men why they fought so hard and how they sustained a spirited defense of cause and country long after the guns had fallen silent An excellent contribution to Civil War history shelves Midwest Book Review Lawrence Kreiser tells the Second Corps story with verve and attention to personal as well as bureaucratic details Civil War Librarian

[The Hospital on Seminary Ridge at the Battle of Gettysburg](#) Michael A. Dreese, 2015-09-16 Old Dorm which served as the first classroom and dormitory of the Gettysburg Lutheran Theological Seminary is a familiar tourist site Union Cavalry General John Buford directed the opening stages of the battle of Gettysburg from the building's distinctive cupola and some of the bloodiest fighting of the three day conflict took place on Seminary Ridge However few visitors realize the building's important role as the second largest hospital at Gettysburg both during and after the battle During the peak occupancy 600 700 wounded soldiers from both armies were cared for at this site This work presents the history of the Gettysburg Seminary during the Civil War and the important cast of characters that have passed through its halls by utilizing the firsthand accounts of soldiers civilians surgeons and relief agency personnel Also included is the prewar and postwar history of the Seminary as well as information about President Samuel S Schmucker and the abolition movement

**Gettysburg Faces** Ronald S. Coddington, 2022-08-02 A collection of 100 original rarely seen photographs of identified Union and Confederate soldiers and other participants in the Gettysburg Campaign each accompanied by vivid accounts of their personal experiences based on letters journals newspaper reports regimental histories and other documents The photographs are wartime portraits of men and women presented to families friends and comrades in arms These unique artifacts once found in parlor photo albums fireplace hearths and bedstands somehow survived the ravages of time and today are in the hands of private collectors The faces of the individuals reveal the romance and horror of a generation at war The stories that accompany each image detail triumphant and tragic events before during and after the three day fight These individuals hailed from all walks of life rich and poor urban and rural native born and immigrant with varying levels of education and perspectives on life Each profile is a microhistory Together they tell the larger story of Gettysburg in human terms Among those you'll meet James M Roe Reisinger of the 150th Pennsylvania Infantry who suffered a wound and later received the Medal of Honor for his actions at on July 1 Helim S Thompson of the

44th New York Infantry severely wounded and left for dead on Little Round Top Zachariah Angel Blanton of the 18th Virginia Infantry wounded and captured in Pickett's Charge and Harriett A Dada Emens a nurse who cared for desperately wounded and sick in the Union army's 12th Corps Hospital      **Collett Leventhorpe, the English Confederate** J. Timothy Cole, Bradley R. Foley, 2014-08-23 This is the story of Collett Leventhorpe 1815-1889 an Englishman and former captain in the 14th Regiment of Foot Leventhorpe came to North Carolina about 1843 settled there and later served the Confederacy as a colonel in the 34th and 11th N C and brigadier general commanding the Home Guard in eastern North Carolina Though he trained as a physician at the College of Charleston in the late 1840s he never practiced and was a restless man endlessly in search of fortune before the war in the gold fields of North Carolina and Georgia and after it in the pursuit of lost estates art treasures and inventions But he excelled first and foremost as a Confederate soldier As a field commander he was never defeated in battle and his record was marred only by his own rejection of a much deserved but very late promotion to CSA brigadier He lies buried in the beautiful Happy Valley section of Caldwell County      **The Washingtons. Volume 4, Part 2** Justin Glenn, 2014-07-29 This is the fourth volume of Dr Justin Glenn's comprehensive history that traces the Presidential line of the Washingtons Volume One began with the immigrant John Washington who settled in Westmoreland Co Va in 1657 married Anne Pope and became the great grandfather of President George Washington It continued the record of their descendants for a total of seven generations Volume Two highlighted notable members of the next eight generations of John and Anne Washington's descendants including General George S Patton author Shelby Foote and actor Lee Marvin Volume Three traced the ancestry of the early Virginia members of this Presidential Branch back in time to the aristocracy and nobility of England and continental Europe Volume Four resumes the family history where Volume One ended It presents Generation Eight of the immigrant John Washington's descendants containing nearly 7 000 descendants Future volumes will trace generations nine through fifteen making a total of over 63 000 descendants Although structured in a genealogical format for the sake of clarity this is no bare bones genealogy but a true family history with over 1 200 detailed biographical narratives These in turn strive to convey the greatness of the family that produced not only The Father of His Country but many others great and humble who struggled to build that country Volume Four Part One covers the descendants of the immigrant John Washington's child Lawrence Washington Volume Four Part Two covers the descendants of the Immigrant's children John Washington Jr and Anne Washington Wright      **Civil War Book Review** ,1999      *North & South* ,2002  
**Pennsylvania Heritage** ,2001
