Vince Guaraldi at the Piano, 2d ed. Derrick Bang, 2024-05-01 Although Vince Guaraldi's playful jazz piano themes for the early Peanuts animated television specials are well known the composer himself remains largely unheralded More than merely the Peanuts guy Guaraldi cut his jazz teeth as a member of combos fronted by Cal Tjader and Woody Herman and garnered Top 40 fame with his Grammy Award winning hit Cast Your Fate to the Wind This career study extensively updated gives Guaraldi long overdue recognition chronicling his years as a sideman his attraction to the emerging bossa nova sound of the late 1950s his collaboration with Brazilian guitarist Bola Sete his development of the Grace Cathedral Jazz Mass his selection as the fellow to put the jazz swing in Charlie Brown's step and his emergence as a respected veteran in the declining Northern California jazz club scene of the 1970s Ironically his place in the jazz universe has grown exponentially since this book's initial 2012 publication and this second edition acknowledges such honors and features a wealth of new material

Resources in Education, 1980 **Blockheads, Beagles, and Sweet Babboos** Michelle Ann Abate, 2023-03-02 *Blockheads Beagles and Sweet Babboos* New Perspectives on Charles M Schulz's Peanuts sheds new light on the past importance ongoing significance and future relevance of a comics series that millions adore Charles M Schulz's Peanuts More specifically it examines a fundamental feature of the series its core cast of characters In chapters devoted to Charlie Brown Snoopy Lucy Franklin Pigpen Woodstock and Linus author Michelle Ann Abate explores the figures who made Schulz's strip so successful so influential and above all so beloved In so doing the book gives these iconic figures the in depth critical attention that they deserve and for which they are long overdue Abate considers the exceedingly familiar characters from Peanuts in markedly unfamiliar ways Drawing on a wide array of interpretive lenses *Blockheads Beagles and Sweet Babboos* invites readers to revisit reexamine and rethink characters that have been household names for generations Through this process the chapters demonstrate not only how Schulz's work remains a subject of acute critical interest more than twenty years after the final strip appeared but also how it embodies a rich and fertile site of social cultural and political meaning

The Art and Making of Peanuts Animation Charles Solomon, 2012-11-14 For the first time this deluxe visual history treats Peanuts fans to an in depth look at the art and making of the beloved animated Peanuts specials From 1965's original classic *A Charlie Brown Christmas* through the 2011 release of *Happiness is a Warm Blanket* animation historian Charles Solomon goes behind the scenes of all 45 films exploring the process of bringing a much loved comic strip to life The book showcases the creative development through the years with gorgeous never before seen concept art and weaves a rich history based on dozens of interviews with former Peanuts directors animators voice talent and layout artists as well as current industry folk Filling a void in animation publishing there is no other history or art book of the Peanuts specials this volume celebrates five decades of the artistry and humor of Charles M Schultz and the artists who reimagined the comic for the screen

The Complete Peanuts Vol. 7 Charles Schulz, 2007-05-02 My name is 555 95472 but everyone calls me 5 for

short I have two sisters named 3 and 4 With those words Charles Schulz introduced one in fact three of the quirkiest characters to the Peanuts universe the numerically monikered 95472 siblings They didn't stay around very long but offered some choice bits of satirical nonsense while they did As it happens this volume is particularly rich in never before reprinted strips Over 150 more than one fifth of the book have never seen the light of day since their original appearance over 40 years ago so this will be a trove of undiscovered treasures even for avid Peanuts collectors These lost strips include Linus making a near successful run for class president that is ultimately derailed by his religious beliefs two words great and pumpkin and Snoopy getting involved with a group of politically fanatical birds Also in this volume Lucy's attempts at improving her friends branches out from her increasingly well visited nickel psychiatry booth to an educational slideshow of Charlie Brown's faults it's so long there's an intermission Also Snoopy's doghouse begins its conceptual expansion as Schulz reveals that the dog owns a Van Gogh and that the ceiling is so huge that Linus can paint a vast and as it turns out unappreciated history of civilization mural on it

The Complete History of Peanuts on Parade: A Tribute to Charles M. Schulz William Johnson, 2022-08-01 Peanuts on Parade was not only the biggest tribute to Peanuts creator Charles Schulz but is the largest and longest running city art project dedicated to an individual Hosted by St Paul Minnesota 2000 2004 and Santa Rosa California 2005 2007 2010 over five million fans from all fifty states and over sixty countries searched for nearly 800 unique five foot statues of the Peanuts gang each year featuring a different character Go behind the scenes from the very first conversations in the mayor's office in 2000 to the final statues of 2010 Walk every step of Peanuts on Parade in this two volume set In Volume One you'll find over 100 statues each of Snoopy Charlie Brown Lucy Linus and Snoopy along with Woodstock on Snoopy's doghouse This is the first time photos of every statue have been assembled in one collection including some statues that have never been on public display Get the explanation behind each piece of art and the project itself straight from hundreds of artists sponsors organizers and celebrities Slide in additional tidbits auction results collectables trivia and the current location of dozens of statues and you have The Complete History of Peanuts on Parade

The Complete Peanuts Vol. 1 Charles Schulz, 2004-05-19 This first volume covering the first two and a quarter years of the strip will be of particular fascination to Peanuts aficionados worldwide Although there have been literally hundreds of Peanuts books published many of the strips from the series first two or three years have never been collected before in large part because they showed a young Schulz working out the kinks in his new strip and include some characterizations and designs that are quite different from the cast we're all familiar with Among other things three major cast members Schroeder Lucy and Linus initially show up as infants and only grow into their final mature selves as the months go by Even Snoopy debuts as a puppy Thus The Complete Peanuts offers a unique chance to see a master of the art form refine his skills and solidify his universe day by day week by week month by month
