18 Folgate Street Dennis Severs, 2002 Introduction by Peter Ackroyd An enchanted time capsule transports us back to the 18th century and brings an old house to life Growing up in California Dennis Severs fell in love with the England he saw in old black and white movies In 1979 he bought a run down house in Spitfields and over the next twenty years he filled it with objects and furniture found in local markets He wanted his visitors to feel they were stepping through time into an old master painting He invented a family to live in it the Jervis family Huguenot silk weavers who arrived from Nantes in 1725 Before Dennis died in 1999 he put the stories of the house the Jervis family and his own life into this book It is illustrated throughout by photographs taken by his niece Stacey Shaffer using the natural light that Dennis loved The Dennis Severs House is run by the Spitfields Trust and is open to visitors From the Hardcover edition **Patients, Power and**
