Quantum Criminals Alex Pappademas, 2023-05-09 Steely Dan was a somewhat unusual band that still inspires unusually strong devotion in its fans Formed in the late 60s in New York they released seven albums between 1971 and 1981 two of which were nominated for a Grammy Part of what's unusual about them is that each of those albums was made by a different group of musicians founding members Walter Becker and Donald Fagen had no issues swapping players from record to record in order to get the sound they wanted The band stopped touring in 1974 so the recording studio was the only place they needed their collaborators Those recordings are legendary especially among vinyl enthusiasts for their exquisite production The precision was necessary in part because Steely Dan played with form more than most bands mixing elements of other genres especially jazz with pop and rock And the lyrics are also distinctive As the authors put it in their proposal Steely Dan's songs are exercises in fictional world building Each song features its own cast of rogues and heroes and creeps and schmucks lovers and dreamers and cold blooded operators all tempest tossed by the ill winds of the 70s This book consists of sixty some essays each devoted to one character and each essay is accompanied by a painting of the particular character that serves as a jumping off point for the piece with additional spot illustrations scattered throughout

I Like You Just the Way I Am Jenny Mollen, 2014-06-17 A New York Times Best Seller By the actress writer and one of the

funniest women on Twitter an outrageous hysterical memoir of acting on impulse plotting elaborate hoaxes and refusing to acknowledge boundaries in any form Jenny Mollen is an actress and writer living in Los Angeles She is also a wife married to a famous guy which is annoying only because he gets free shit and she doesn't She doesn't want much from life Just to be loved by everybody her parents her dogs her ex boyfriends her ex boyfriends dogs her husband her husband's ex girlfriends her husband's ex girlfriend's new boyfriends etc Some people might call that impulse crazy but isn't crazy really just a word boring people use to describe fun people And Jenny is really really fun you guys In these pages you'll find stories of Jenny at her most genuine whether it's stalking her therapist because he knows everything about her so shouldn't she get to know everything about him throwing a bachelorette party so bad that one of the guests is suspected dead or answering the eternal question Would your best friend blow your husband on a car ride to dinner if she didn't know you were hiding in the backseat I Like You Just the Way I Am is about not doing the right thing about indulging your inner crazy person It is Jenny when she's not trying to impress anyone or come across as a responsible level headed member of society With any luck it will make you better acquainted with who you really are and what you really want Which let's be honest is most likely someone else's email password
