Greene,1998 This book pulls together records from a variety of sources including information from county court houses Nevada internet sites and various lists Page iv *The Newspapers of Nevada* Richard E. Lingenfelter,Karen Rix Gash,1984 This new bibliography of Nevada s newspapers supersedes and greatly expands on previous works More than 800 publications are now included traditional newspapers penny shoppers comic and campaign sheets entertainment and matrimonial guides and fictitious newspapers that had life only in the columns of other papers Also included is a brief appendix of early newspapers from boarder states that reported regularly on Nevada The authors have provided a brief historical sketch of each publication together with a list and location of known copies of the original papers plus current microfilm holdings The bibliography also documents frequency of publication proprietorship title changes printing locations and political affiliation This volume will be of value to historians ranging from scholars to genealogy buffs who need access to the information only newspapers can provide History of Nevada Russell R. Elliott,1987-01-01 Maintaining the same high standards of the first edition published in 1973 this new revised edition is still the most comprehensive one volume history of a state that was once thought of as a bridge to somewhere else In revising Elliott summarizes the state s economic political and social history since 1973 and strengthens a major point he made then that Nevada s acceptance of liberal marriage and divorce laws and of legalized gambling brought economic stability to a state singularly devoid of stable economic resources from Book Jacket Catalog of Copyright Entries, Third Series Library of Congress.
