

1898

PRELUDE TO A CENTURY

John A. Corry

1898 Prelude To A Century

Michael Beschloss

1898 Prelude To A Century:

1898 John A. Corry,1998 The twentieth century is often referred to as The American Century In this new book John A Corry examines how the year 1898 was the watershed that set the scene for the century that would follow It was 1898 in a decisive victory in a war with Spain lasting less than four months that the United States acquired territories in the Caribbean and Pacific marking its fast major step toward becoming a world power Other important events led to rivalries and alliances that determined the outcome of the First World War

The Way of the Ship Alex Roland,2007-11-01 The history of shipping in America as traditionally recounted is based primarily on the fortunes of the American merchant marine This book offers a global perspective and considers oceanic shipping and domestic shipping along America s coasts and inland waterways with explanations of the forces that influenced the way of the ship The result is an eye opening look at American maritime history and the ways it helped shaped the nation s history It features beautiful color images of paintings by today s premier marine artist John Stobart

America in 1900 Noel J Kent,2015-03-04 Many of the key issues concerning the United States as we enter the 21st century were already taking shape as we entered the 20th century Business mergers U S military intervention in the Philippines trade disputes with China and Europe racial violence high levels of crime rising income gaps between rich and poor volatile stock market prices homelessness in the cities the dangers of immigration and the domination of money in elections all these major national issues in 1900 are familiar in some form to Americans today The nation grappled for the first time with a series of complex new challenges distribution of wealth and economic opportunity the form race and ethnic relations should take in a country of increasing diversity the relationship between big business and government how the United States as a new world power should act overseas and a host of others Written in a fluid and highly readable style Kent s ten chapters comprise a colorful narrative history of the major events of this pivotal year that continues to resonate a century later

Understanding Cuba as a Nation Rafael E. Tarragó,2017-01-20 A detailed yet accessibly written exploration of the history of Cuba since the Spanish conquest of 1512 that illustrates the development of the Cuban nation and summarizes the accomplishments of Cubans since the 16th century in the arts literature and science

Jewish Preaching in Times of War, 1800 - 2001 Marc Saperstein,2012-08-31 Wartime sermons offer a window on to how Jews perceive themselves in relation to the majority society and how Jewish and national values are reconciled when the fate of a nation is at stake They also reveal a great deal about how rabbis guide their communities through the challenges of their times The sermons reproduced here were delivered by rabbis from across the Jewish spectrum and each is accompanied by a comprehensive introduction and detailed notes

Populism and Imperialism Nathan Jessen,2017-07-14 In the final years of the nineteenth century as a large scale movement of farmers and laborers swept much the country the United States engaged in an ostensibly anti colonial war against Spain and a colonial war of its own in the Philippines How one related to the other the nature of the activists involvement in foreign policy debates and the

influence of these wars upon the prospects for domestic reform is what Nathan Jessen explores in *Populism and Imperialism*. American reformers at the turn of the twentieth century have long been misrepresented as accomplices of empire. Rather, as *Populism and Imperialism* makes clear, they were imperialism's chief opponents, and that opposition contributed to their ultimate defeat. Correcting the record, Jessen charts the fortunes of the Populists through the nineteenth century's last decade. He shows that, contrary to the standard narrative, Populists remained powerful in the West after the election of 1896; they only suffered their final political reverses in 1900 after being branded as unpatriotic traitors by their opponents. In fact, the Populists and Democrats in the West favored war with Spain for humanitarian reasons; some among them led the opposition to Hawaiian annexation and as leaders of the anti-imperialists in Congress from 1899 on the occupation of the Philippines. Jessen also addresses the little-studied money power conspiracy theory that explains a key element of the Populist worldview. This theory linking European imperialism and the growing economic and political power of financiers stirred Populist opposition to American imperialism as well. *Populism and Imperialism* revises a critical chapter in US history and offers lessons for the present as well as insights into the nation's past. *America in 1900*, The author argues that the problems and issues that have defined America in the 20th century such as business mergers, trade disputes, and racial violence were first revealed in their modern form in the year 1900. Ten chapters comprise a narrative history of the events of this pivotal year. **Princeton Alumni Weekly**, 1997

Recovering the U.S. Hispanic Literary Heritage, Volume IV Jose Aranda, Silvio Torres-Saillant, 2002-11-30. This historic fourth volume of articles represents the finished reworked product of the biennial conferences of recovery, providing theoretical and practical approaches and critical studies on specific texts. Jose Aranda and Silvio Torres Saillant's introduction conceptualizes and unifies a broad historical swath that encompasses the Spanish and English language expression of Hispanic natives, immigrants, and exiles from the colonial period to 1960.

Magill's Guide to Military History: Peq-Tri, 2001. Salem Press's five-volume Magill's Guide to Military History presents a survey of the wars, battles, peoples, groups, and civilizations that played an important role in worldwide military history from ancient times to the twenty-first century. In addition to comprehensive coverage of Western military history, the encyclopedia examines the major military events, personages, and civilizations of the entire world from the beginning of military history. Includes Time Line of Wars and Battles, Wars and Battles by Geographical Area, Military Leaders by Geographic Area, and List of Entries by Category. **Henry M. Teller** Duane A. Smith, 2002. Serving longer in the U.S. Senate than any other Coloradan, Henry M. Teller was one of the Centennial State's greatest statesmen and political leaders. Now Duane A. Smith, author of *Horace Tabor: His Life and the Legend*, rescues this larger-than-life figure from obscurity in this new and definitive biography of the Central City lawyer-turned-Colorado senator. Teller was a prime example of what a politician should be in an era when elected officials left a great deal to be desired. As Colorado's representative, Teller stated his beliefs and stuck by them. Not all agreed with him, but all admired him for his honesty and integrity. His legal career in Colorado

encompassed much of the early legislation in the territory such as developing mining law and the organization of the Colorado Central Railroad while his Washington career touched on nearly every important western economic development issue that occurred in Colorado between 1876 and 1909 Teller declared to the U S Congress that Colorado was a part of the nation and that the West deserved a say in its decisions Incorporating extensive primary and secondary sources federal documents the Teller papers a wealth of newspaper articles and a superb array of photographs Smith s biography will be a wonderful source for anyone interested in Colorado history and the political past of the state and nation American Book Publishing Record ,1998 **Recovering the U.S. Hispanic Literary Heritage** Ramón A. Gutiérrez, Genaro M.

Padilla, María Herrera-Sobek, 1993 Recovering the U S Hispanic Literary Heritage is a compendium of articles by the leading scholars on Hispanic literary history of the United States The anthology functions to acquaint both expert and neophyte with the work that has been done to date on this literary history to outline the agenda for recovering the lost Hispanic literary heritage and to discuss the pressing questions of canonization social class gender and identity that must be addressed in restoring the lost or inaccessible history and literature of any people *American History* ,1998 *Presidents of War* Michael Beschloss, 2018-10-09 NEW YORK TIMES BESTSELLER From a preeminent presidential historian comes a superb and important The New York Times Book Review saga of America s wartime chief executives Fascinating and heartbreaking timely Beschloss s broad scope lets you draw important crosscutting lessons about presidential leadership Bill Gates Widely acclaimed and ten years in the making Michael Beschloss s Presidents of War is an intimate and irresistibly readable chronicle of the Chief Executives who took the United States into conflict and mobilized it for victory From the War of 1812 to Vietnam we see these leaders considering the difficult decision to send hundreds of thousands of Americans to their deaths struggling with Congress the courts the press and antiwar protesters seeking comfort from their spouses and friends and dropping to their knees in prayer Through Beschloss s interviews with surviving participants and findings in original letters and once classified national security documents we come to understand how these Presidents were able to withstand the pressures of war or were broken by them Presidents of War combines this sense of immediacy with the overarching context of two centuries of American history traveling from the time of our Founders who tried to constrain presidential power to our modern day when a single leader has the potential to launch nuclear weapons that can destroy much of the human race Praise for Presidents of War A marvelous narrative As Beschloss explains the greatest wartime presidents successfully leaven military action with moral concerns Beschloss s writing is clean and concise and he admirably draws upon new documents Some of the more titillating tidbits in the book are in the footnotes There are fascinating nuggets on virtually every page of Presidents of War It is a superb and important book superbly rendered Jay Winik The New York Times Book Review Sparkle and bite Valuable and engrossing study of how our chief executives have discharged the most significant of all their duties Excellent A fluent narrative that covers two centuries of national conflict Richard Snow The Wall Street Journal **Sul Ross**

at Texas A&M John A. Adams, 2022-08-24 Most Texans today know of Lawrence Sullivan Ross only by his namesake Sul Ross State University or for his role in the capture of Cynthia Ann Parker as a fabled Texas Ranger A few may know that he was a general in the Confederate army or that he served as the nineteenth governor of Texas But for former and current students of Texas A M University he is known as Sully an affectionate nickname referring to the oldest campus statue which is the repository of wished upon pennies left for good luck prior to taking final exams In Sul Ross at Texas A M John A Adams Jr chronicler of Texas A M University history presents an in depth examination of Ross s life as a college president Adams shows how by the late 1880s the Agricultural and Mechanical College of Texas was on the brink of collapse Student discontent administrative mismanagement and faculty factionalism threatened the continued existence of the fledgling school The college s board of directors were desperate and offered the presidency to Ross Adams details the steps Ross took to bring order out of chaos expanding and modernizing the college and leading the school s finances out of the red Many Aggie traditions first took shape during Ross s tenure the class ring the band and even the school s first intercollegiate football game against the University of Texas Ross s years at the helm were transformative Fans of A M and Texas history will be enthralled by this captivating account of Sul Ross s time as president of A M

Encyclopedia of the Spanish-American and Philippine-American Wars Jerry Keenan, 2001-12-05 An A Z encyclopedia covering the principal battles and campaigns key military and political figures and the political maneuvering during the Spanish American and Philippine American Wars America s adventure into colonialism began with the destruction of the U S battleship Maine in 1898 presumably by a Spanish mine The four month war against Spain that followed the shortest declared war in U S history resulted in the U S acquisition of the Philippines Puerto Rico and Guam The young giant of the Western Hemisphere was transformed into a colonial power and the balance of power in the world was changed forever In this chronicle of an era that has escaped the attention it deserves military historian Jerry Keenan explores America s war with Spain and the violence that followed He shows how the United States muddled the administration of the sprawling Philippine archipelago guided by a policy that President McKinley called benevolent assimilation Within a year the United States was fighting a war against Philippine nationalists a three year conflict that would give American soldiers their first bitter taste of counterinsurgency warfare in an Asian jungle [Book Review Index](#), 2003 Vols 8 10 of the 1965 1984 master cumulation constitute a title index

A Rough Ride to Albany John A. Corry, 2000 The book also explains how Roosevelt had to balance his commitment to reform with the positions of New York s Republican leadership which did not share many of his priorities It thus provides lessons that are just as relevant today as they were more than one hundred years ago **BOOK JACKET** *Latin America* Juan Manuel Pérez, 2004 This is a general bibliography on Latin America covering a wide variety of subjects from pre Columbian civilizations to Columbus to Castro to the foreign debt to pollution ect This work will not only be of use to the general casual reader on Latin America but also to the more specialized researcher The book contains over 800 topics with over 8 000 titles
