

1905 Folk Dances Of European Countries

Liz Sonneborn

1905 Folk Dances Of European Countries:

City Folk Daniel J. Walkowitz, 2013-07-22 This is the story of English Country Dance from its 18th century roots in the English cities and countryside to its transatlantic leap to the U S in the 20th century told by not only a renowned historian but also a folk dancer who has both immersed himself in the rich history of the folk tradition and rehearsed its steps In *City Folk* Daniel J Walkowitz argues that the history of country and folk dancing in America is deeply intermeshed with that of political liberalism and the old left He situates folk dancing within surprisingly diverse contexts from progressive era reform and playground and school movements to the changes in consumer culture and the project of a modernizing cosmopolitan middle class society Tracing the spread of folk dancing with particular emphases on English Country Dance International Folk Dance and Contra Walkowitz connects the history of folk dance to social and international political influences in America Through archival research oral histories and ethnography of dance communities *City Folk* allows dancers and dancing bodies to speak From the norms of the first half of the century marked strongly by Anglo Saxon traditions to the Cold War nationalism of the post war era and finally on to the counterculture movements of the 1970s *City Folk* injects the riveting history of folk dance in the middle of the story of modern America

The Jazz Problem Jacob Hardesty, 2023-10-01 The *Jazz Problem* shows how high schools and colleges were the primary sites of this generational debate around jazz the century's first cultural war Schools were crucial sites of dispute between the worldviews of the late nineteenth century and the emerging modern world one synonymous with jazz As a major site of character formation where students came of age high schools and colleges were the places where jazz was simultaneously celebrated and denigrated Educators saw jazz as inseparable from other vices such as smoking drinking immodest dress for women and some degree of sexual activity Yet young people felt jazz was their music and relished the sense of generational autonomy that came with their affinity for jazz This book offers a fresh and compelling look at the jazz controversy and how it shaped not only America Engaging and interesting to read by a layperson but also well researched documented and written for scholars in the history of jazz American music or music education Phillip Hash School of Music Illinois State University's musical life but our broader cultural identity *Dictionary Catalog of the Music Collection* New York Public Library. Reference Department, 1964

Dictionary Catalog of the Dance Collection New York Public Library. Dance Collection, 1974 **Balkan Fascination** Mirjana Laušević, 2015-10 In *Balkan Fascination* ethnomusicologist Mirjana Laušević a native of the Balkans investigates this remarkable phenomenon to explore why so many Americans actively participate in specific Balkan cultural practices to which they have no familial or ethnic connection *The National Union Catalog, Pre-1956 Imprints* Library of Congress, American Library Association. Committee on Resources of American Libraries. National Union Catalog Subcommittee, 1968

Dictionary Catalog of the Research Libraries of the New York Public Library, 1911-1971 New York Public Library. Research Libraries, 1979 **Waltzing Through Europe: Attitudes towards Couple Dances in the Long**

Nineteenth-Century Egil Bakka, Theresa Jill Buckland, Helena Saarikoski, Anne von Bibra Wharton, 2020-09-10 From folk devils to ballroom dancers *Waltzing Through Europe* explores the changing reception of fashionable couple dances in Europe from the eighteenth century onwards A refreshing intervention in dance studies this book brings together elements of historiography cultural memory folklore and dance across comparatively narrow but markedly heterogeneous localities Rooted in investigations of often newly discovered primary sources the essays afford many opportunities to compare sociocultural and political reactions to the arrival and practice of popular rotating couple dances such as the Waltz and the Polka Leading contributors provide a transnational and affective lens onto strikingly diverse topics ranging from the evolution of romantic couple dances in Croatia and Strauss's visits to Hamburg and Altona in the 1830s to dance as a tool of cultural preservation and expression in twentieth century Finland *Waltzing Through Europe* creates openings for fresh collaborations in dance historiography and cultural history across fields and genres It is essential reading for researchers of dance in central and northern Europe while also appealing to the general reader who wants to learn more about the vibrant histories of these familiar dance forms *Dance of the Furies* Michael S. Neiberg, 2011-08-01 Looking beyond diplomats and generals Neiberg shows that neither nationalist passions nor desires for revenge took Europe to war in 1914 *Dance of the Furies* gives voice to a generation who suddenly found themselves compelled to participate in a ghastly protracted orgy of violence they never imagined would come to pass *Dramatic Bibliography*, 1933 *Appalachian Dance* Susan Eike Spalding, 2014-09-15 In *Appalachian Dance Creativity and Continuity in Six Communities* Susan Eike Spalding brings to bear twenty five years worth of rich interviews with black and white Virginians Tennesseans and Kentuckians to explore the evolution and social uses of dance in each region Spalding analyzes how issues as disparate as industrialization around coal plantation culture race relations and the 1970s folk revival influenced freestyle clogging and other dance forms like square dancing in profound ways She reveals how African Americans and Native Americans as well as European immigrants drawn to the timber mills and coal fields brought movement styles that added to local dance vocabularies Placing each community in its sociopolitical and economic context Spalding analyzes how the formal and stylistic nuances found in Appalachian dance reflect the beliefs shared understandings and experiences of the community at large paying particular attention to both regional and racial diversity Written in clear and accessible prose *Appalachian Dance* is a lively addition to the literature and a bold contribution to scholarship concerned with the meaning of movement and the ever changing nature of tradition

Gymnastics, a Transatlantic Movement Gertrud Pfister, 2013-10-18 This book explores analyses and explains divergent ideologies and practices of gymnastics in selected European nations It reconstructs the export and import processes from Europe to America and determines the processes interrelationships and transformations of these transatlantic movements in their new home country The book offers a more complete understanding of the role of gymnastics and expressive movements in cultural and ideological transmission over time and identifies the impact of these concepts on American physical education

sports systems and sports cultures The main focus of the book lies in the two decades before and after World War I This concentration on a specific historical epoch allows us to identify parallel but also different developments of the various forms of gymnastics and of the transfer and implementation processes The volume covers the transfer and impact of German Turnen Czech Sokol and the Delsarte system in North America In addition it traces the influences of French gymnastics in South America and describes the tours of the world renowned Danish gymnastic reformer Nils Bukh in both Americas A focus will be the import of gymnastics but also on the adaption processes of these different concepts and their integration into the American culture This book was previously published as a special issue of the International Journal of the History of Sport

Books in Print ,1991 *Monde de la Musique* ,1996 International music studies *Cumulated Index to the Books* ,1953 A world list of books in the English language *Author - Title Catalog* University of California, Berkeley. Library,1963

A to Z of American Women in the Performing Arts Liz Sonneborn,2014-05-14 Presents biographical profiles of 150 American women of achievement in the field of performing arts including birth and death dates major accomplishments and historical influence **World and Its Peoples** ,2010 Presents a thirteen volume reference guide to the geography history economy government culture and daily life of countries in Europe

Catalog of Copyright Entries Library of Congress. Copyright Office,1976 **The Library of Congress Author Catalog** Library of Congress,1953
