Northampton's Trams and Buses David Beddall, 2023-11-23 Northampton the county town of Northamptonshire is rich in transport history 1880 saw several tram routes commence operation within the Northampton Borough being operated by the Northampton Street Tramway Company After this public transport in the town began to develop The tram network being electrified in 1901 The 1910s saw a number of independent bus operators begin to link Northampton with the surrounding villages introducing motor bus operation into the town Over the years Northampton has been home to numerous independent bus and coach operators Two major operators also served the town Northampton Corporation Transport later Northampton Transport and First Northampton and United Counties Stagecoach Midlands Northampton s Trams and Buses explores the development of the tram network within Northampton as well as exploring how bus services in the Northampton Wootton

Hardingstone and Moulton areas of Northamptonshire have developed from the early 1900s to 2021 Hindu Mahasabha in Colonial North India, 1915-1930 Prabhu Bapu, 2013 Hindu nationalism has emerged as a political ideology represented by the Hindu Mahasabha This book explores the campaign for Hindu unity and organisation in the context of the Hindu Muslim conflict in colonial north India in the early twentieth century It argues that India's partition in 1947 was a result of the campaign and politics of the Hindu rightwing rather than the Islamist politics of the Muslim League alone The book explains that the Mahasabha articulated Hindu nationalist ideology as a means of constructing a distinct Hindu political identity and unity among the Hindus in conflict with the Muslims in the country It looks at the Mahasabha's ambivalence with the Indian National Congress due to an extreme ideological opposition and goes on to argue that the Mahasabha had its ideological focus on an anti Muslim antagonism rather than the anti British struggle for India's independence adding to the difficulties in the negotiations on Hindu Muslim representation in the country The book suggests that the Mahasabha had a limited class and regional base and was unable to generate much in the way of a mass movement of its own but developed a quasi military wing besides its involvement in a number of popular campaigns Bridging the gap in Indian historiography by focusing on the development and evolution of Hindu nationalism in its formative period this book is a useful study for students and scholars of Asian Studies and Political History **In Transit** Joshua Benjamin Freeman, 1989 British Shipping and Australia 1920-1939 K.
