1921 Tulsa Race Riot

Randy Krehbiel

1921 Tulsa Race Riot:

Tulsa, 1921 Randy Krehbiel, 2019-09-19 In 1921 Tulsa's Greenwood District known then as the nation's Black Wall Street was one of the most prosperous African American communities in the United States But on May 31 of that year a white mob inflamed by rumors that a young Black man had attempted to rape a white teenage girl invaded Greenwood By the end of the following day thousands of homes and businesses lay in ashes and perhaps as many as three hundred people were dead Tulsa 1921 shines new light into the shadows that have long been cast over this extraordinary instance of racial violence With the clarity and descriptive power of a veteran journalist author Randy Krehbiel digs deep into the events and their aftermath and investigates decades old questions about the local culture at the root of what one writer has called a white led pogrom Krehbiel analyzes local newspaper accounts in an unprecedented effort to gain insight into the minds of contemporary Tulsans In the process he considers how the Tulsa World the Tulsa Tribune and other publications contributed to the circumstances that led to the disaster and helped solidify enduring white justifications for it Some historians have dismissed local newspapers as too biased to be of value for an honest account but by contextualizing their reports Krehbiel renders Tulsa's papers an invaluable resource highlighting the influence of news media on our actions in the present and our memories of the past The Tulsa Massacre was a result of racial animosity and mistrust within a culture of political and economic corruption In its wake Black Tulsans were denied redress and even the right to rebuild on their own property yet they ultimately prevailed and even prospered despite systemic racism and the rise during the 1920s of the second Ku Klux Klan As Krehbiel considers the context and consequences of the violence and devastation he asks Has the city indeed the nation exorcised the prejudices that led to this tragedy The 1921 Tulsa Race Massacre Chris M. Messer, 2021-06-12 This book examines the Tulsa Race Massacre of 1921 perhaps the most lethal and financially devastating instance of collective violence in early twentieth century America The Greenwood district a comparably prosperous black community spanning thirty five city blocks was set afire and destroyed by white rioters This work analyzes the massacre from a sociological perspective extending an integrative approach to studying its causes the organizational responses that followed and the complicated legacy that remains The 1921 Tulsa Race Massacre Karlos K. Hill, 2021-03-18 On the evening of May 31 1921 and in the early morning hours of June 1 several thousand white citizens and authorities violently attacked the African American Greenwood District of Tulsa Oklahoma In the course of some twelve hours of mob violence white Tulsans reduced one of the nation's most prosperous black communities to rubble and killed an estimated 300 people mostly African Americans This richly illustrated volume featuring more than 175 photographs along with oral testimonies shines a new spotlight on the race massacre from the vantage point of its victims and survivors Historian and Black Studies professor Karlos K Hill presents a range of photographs taken before during and after the massacre mostly by white photographers Some of the images are published here for the first time Comparing these photographs to those taken elsewhere in the

United States of lynchings the author makes a powerful case for terming the 1921 outbreak not a riot but a massacre White civilians in many cases assisted or condoned by local and state law enforcement perpetuated a systematic and coordinated attack on Black Tulsans and their property Despite all the violence and devastation black Tulsans rebuilt the Greenwood District brick by brick By the mid twentieth century Greenwood had reached a new zenith with nearly 250 Black owned and Black operated businesses Today the citizens of Greenwood with support from the broader community continue to work diligently to revive the neighborhood once known as Black Wall Street As a result Hill asserts the most important legacy of the Tulsa Race Massacre is the grit and resilience of the Black survivors of racist violence The 1921 Tulsa Race Massacre A Photographic History offers a perspective largely missing from other accounts At once captivating and disturbing it will embolden readers to confront the uncomfortable legacy of racial violence in U S history White Riot / Black Massacre Kris Rose,2021-05-25 In highly segregated Tulsa Oklahoma in June 1921 a white mob attacked the mostly Black neighborhood of Greenwood Hundreds of people were killed and thousands injured Homes businesses schools and churches were burned or looted The city government supported the mob insurance companies refused to cover the losses and the KKK touted it as a great success The news media barely mentioned it and it was rarely reported on or taught about in schools For decades it was referred to as a riot and only recently has the more accurate term massacre been applied in official documents This short history creates an evocative account grounded in well researched details that bring the events alive in an urgent and personal way as well as detailing what happened afterwards and the ongoing fight for reparations As we reach the centennial of these atrocities this zine serves as a reminder that we must all take an active role in not repeating the worst of our history

Reconstructing the Dreamland Alfred L. Brophy,2003-04-10 The 1921 Tulsa Race Riot was America s bloodiest civil disturbance of the century In this text Alfred Brophy draws on his own extensive research into contemporary accounts and court documents to chronicle this devastating riot showing how and why the rule of law quickly eroded **Tulsa Race Riot** Duchess Harris,A. R. Carser,2019-08-01 In 1921 a race riot erupted in Tulsa Oklahoma White residents burned down black owned businesses and homes They killed approximately 300 African Americans The Tulsa Race Riot explores the story and legacy of one of the worst race riots in US history Easy to read text vivid images and helpful back matter give readers a clear look at this subject Features include a table of contents infographics a glossary additional resources and an index Aligned to Common Core Standards and correlated to state standards Core Library is an imprint of Abdo Publishing a division of ABDO

Requiem for the Massacre RJ Young,2022-11-01 Longlisted for the Reading the West Book Awards NAACP Image Award Nominee for Outstanding Literary Work Non Fiction With journalistic skill heart and hope Requiem for the Massacre reckons with the tension in Tulsa Oklahoma one hundred years after the most infamous act of racial violence in American history More than one hundred years ago the city of Tulsa Oklahoma perpetrated a massacre against its Black residents For generations the true story was ignored covered up and diminished by those in power and in a position to preserve the status

quo Blending memoir and immersive journalism RJ Young shows how today Tulsa combats its racist past while remaining all too tolerant of racial injustice Requiem for the Massacre is a cultural excavation of Tulsa one hundred years after one of the worst acts of domestic terrorism in U S history Young focuses on unearthing the narrative surrounding previously all Black Greenwood district while challenging an apocryphal narrative that includes so called Black Wall Street Booker T Washington and Black exceptionalism Young provides a firsthand account of the centennial events commemorating Tulsa s darkest day as the city attempts to reckon with its self image commercialization of its atrocity and the aftermath of the massacre that shows how things have changed and how they have stayed woefully the same As Tulsa and the United States head into the next one hundred years Young s own reflections thread together the stories of a community and a nation trying to heal and trying to hope

Death in a Promised Land Scott Ellsworth,1992-01-01 Widely believed to be the most extreme incident of white racial violence against African Americans in modern United States history the 1921 Tulsa Race Massacre resulted in the destruction of over one thousand black owned businesses and homes as well as the murder of between fifty and three hundred black residents Exhaustively researched and critically acclaimed Scott Ellsworth s Death in a Promised Land is the definitive account of the Tulsa race riot and its aftermath in which much of the history of the destruction and violence was covered up It is the compelling story of racial ideologies southwestern politics and incendiary journalism and of an embattled black community s struggle to hold onto its land and freedom More than just the chronicle of one of the nation s most devastating racial pogroms this critically acclaimed study of American race relations is above all a gripping story of terror and lawlessness and of courage heroism and human perseverance

Telling Our Stories (Based on Events of the 1921 Tulsa Race Riot) - Volume I Rodney Clark,2019-03-23 In Volume One Telling Our Stories Based on the Events of the 1921 Race Riot three plays entitled The Griffins Greenwood and Gurley s Glorious Greenwood Gone dramatizes stories inspired by true events from March 28 1921 until June 15 1921 In The Griffins Alex and Mattie Griffin are successful entrepreneurs in the Negro business section on Greenwood Avenue in Tulsa Oklahoma Black Wallstreet in 1921 The planned lynching of a 19 year old Negro boy Dick Rowland for allegedly raping a young white girl Sarah Page in an elevator sparks the worst race riot in history The Griffin family experiences these events based on true accounts during the hot summer of 1921 The story is told through a fictional account from the eyes of the Griffin family Their experiences epitomize the events from a perspective of an African American family during one of the worst calamities of the United States In Greenwood the riot turns into a massacre as black people run for their lives from gunfire and airplanes dropping bombs Although a few valiant black men fought hard to save the Greenwood community the enormous number of white men overwhelmed them and killed many black families that included innocent women and children This story witnesses the true accounts of families fighting for their survival Characters tell the story of how over thirty four blocks of a once vibrant community was destroyed and personal belongings of black people were taken by white mobs The witnesses share their experiences of seeing people killed loaded on

trucks thrown in the Arkansas river and in buried in mass graves In Gurley s Glorious Greenwood Gone the resilience of the African American community is challenged with rebuilding Greenwood despite the road blocks from the white citizens of Tulsa The different philosophies of Booker T Washington and W E B Dubois lay the theoretical foundation for an argument that focuses on how the community should move forward Passiveness wins out as the African Americans who remain in Tulsa silently rebuild their homes and businesses regardless of the difficult challenges ahead *1921 Tulsa Race Riot and the American Red Cross, "Angels of Mercy"* Bob Hower, Maurice Willows, 1993-01-01 **The Ground Breaking** Scott Ellsworth, 2021-05-20 Chosen by Oprah Daily as one of the Best Books to Pick Up in May 2021 Fast paced but nuanced impeccably researched a much needed book The Guardian So dystopian and apocalyptic that you can hardly believe what you are reading But the story it tells is an essential one with just a glimmer of hope in it Because of the work of Ellsworth and many others America is finally staring this appalling chapter of its history in the face It s not a pretty sight Sunday Times A gripping exploration of the worst single incident of racial violence in American history timed to coincide with its 100th anniversary On 31 May 1921 in the city of Tulsa Oklahoma a mob of white men and women reduced a prosperous African American community known as Black Wall Street to rubble leaving countless dead and unaccounted for and thousands of homes and businesses destroyed But along with the bodies they buried the secrets of the crime Scott Ellsworth a native of Tulsa became determined to unearth the secrets of his home town Now nearly 40 years after his first major historical account of the massacre Ellsworth returns to the city in search of answers Along with a prominent African American forensic archaeologist whose family survived the riots Ellsworth has been tasked with locating and exhuming the mass graves and identifying the victims for the first time But the investigation is not simply to find graves or bodies it is a reckoning with one of the darkest chapters of American history A riveting painful to read account of a mass crime that to our everlasting shame has avoided justice Ellsworth s book presents us with a clear history of the Tulsa massacre and with that rendering a chance for atonement Readers of this book will fervently hope we take that opportunity Washington Post *1921 Tulsa Race Riot* American Inns of Court Foundation. Council Oak Chapter, Greenwood Cultural Center. Pupillage Group 4, 2001 [A Lynched Black Wall Street](#) Jerrolyn S. Eulinberg, 2021-05-13 This book remembers one hundred years since Black Wall Street and it reflects on the 1921 Tulsa Race Massacre Black Wall Street was the most successful Black business district in the United States yet it was isolated from the blooming white oil town of Tulsa Oklahoma because of racism During the early twentieth century African Americans lived in the constant threat of extreme violence by white supremacy lynching and Jim and Jane Crow laws The text explores through a Womanist lens the moral dilemma of Black ontology and the existential crisis of living in America as equal human beings to white Americans This prosperous Black business district and residential community was lynched by white terror hate jealousy and hegemonic power using unjust laws and a legally sanctioned white mob Terrorism operated historically based on the lies of Black inferiority with the support of law and white supremacy Today this same

precedence continues to terrorize the life experiences of African Americans The research examines Native Americans and African Americans the Black migration west the role of religion Black women s contributions lynching and the continued resilience of Black Americans The Ground Breaking Scott Ellsworth,2021-05-18 2021 National Book Award Longlist 2022 Carnegie Medal Nonfiction Longlist One of The New York Times 11 New Books We Recommend This Week One of Oprah Daily s 20 of the Best Books to Pick Up This May One of The Oklahoman s 15 Books to Help You Learn About the Tulsa Race Massacre as the 100 Year Anniversary Approaches A The Week book of the week As seen in documentaries on the History Channel CNN and Lebron James s SpringHill Productions And then they were gone More than one thousand homes and businesses Restaurants and movie theaters churches and doctors offices a hospital a public library a post office Looted burned and bombed from the air Over the course of less than twenty four hours in the spring of 1921 Tulsa s infamous Black Wall Street was wiped off the map and erased from the history books Official records were disappeared researchers were threatened and the worst single incident of racial violence in American history was kept hidden for more than fifty years But there were some secrets that would not die A riveting and essential new book The Ground Breaking not only tells the long suppressed story of the notorious Tulsa race massacre It also unearths the lost history of how the massacre was covered up and of the courageous individuals who fought to keep the story alive Most important it recounts the ongoing archaeological saga and the search for the unmarked graves of the victims of the massacre and of the fight to win restitution for the survivors and their families Both a forgotten chronicle from the nation s past and a story ripped from today s headlines The Ground Breaking is a page turning reflection on how we as Americans must wrestle with the parts of our history that have been buried for far too long **Black Birds in the Sky** Brandy Colbert,2022 A searing new work of nonfiction from award winning author Brandy Colbert about the history and legacy of one of the most deadly and destructive acts of racial violence in American history the Tulsa Race Massacre YALSA Honor Award for Excellence in Nonfiction In the early morning of June 1 1921 a white mob marched across the train tracks in Tulsa Oklahoma and into its predominantly Black Greenwood District a thriving affluent neighborhood known as America s Black Wall Street They brought with them firearms gasoline and explosives In a few short hours they d razed thirty five square blocks to the ground leaving hundreds dead The Tulsa Race Massacre is one of the most devastating acts of racial violence in US history But how did it come to pass What exactly happened And why are the events unknown to so many of us today These are the questions that award winning author Brandy Colbert seeks to answer in this unflinching nonfiction account of the Tulsa Race Massacre In examining the tension that was brought to a boil by many factors white resentment of Black economic and political advancement the resurgence of white supremacist groups the tone and perspective of the media and more a portrait is drawn of an event singular in its devastation but not in its kind It is part of a legacy of white violence that can be traced from our country s earliest days through Reconstruction the Civil Rights movement in the mid twentieth century and the fight for justice and accountability

Black Americans still face today The Tulsa Race Massacre has long failed to fit into the story Americans like to tell themselves about the history of their country This book ambitious and intimate in turn explores the ways in which the story of the Tulsa Race Massacre is the story of America and by showing us who we are points to a way forward **Telling Our Stories (Based on the Events of the 1921 Race Riot) Volume II** Rodney L Clark,2020-04-10 Telling Our Stories Based on the Events of the 1921 Tulsa Race Riot Volume II In The Silent Chapter Henry and Helen s chicken caf continues to be prosperous in Tulsa Oklahoma s Greenwood District Black Wall Street Mildred turns down an offer of marriage to fulfill her dream of going to Langston University to become a teacher Henry scolds Mildred for wanting to talk about the race massacre and tells her to let it go Henry succumbs and Helen is faced to sell the restaurant to businessman George Maxwell His apparent love affair leaves him alone to care for his wife and children In Known But Not Discussed the race massacre continues to be subject of non discussion The Negroes of Tulsa Oklahoma s Greenwood District continue to thrive with good businesses This story takes place in a barber and beauty shop The Oklahoma Eagle Newspaper serves as an historical backdrop to the story line Mildred s first husband Elijah is killed in the war and she eventually marries her second husband Joe Burkhalter Mildred s relationship with Joe turns violent as she struggles to maintain her dignity In Nothing Not a Word In Tulsa the race massacre continues to be a topic of non discussion The story takes place at Leroy s Place a juke joint in the Tulsa community The characters intermingle at the juke joint and have philosophical discussions about the community and national civic issues The story turns after a gambling game goes awry and the characters must face decisions on how to resolve unforeseen circumstances Mary works at the juke joint Mildred visits her frequently to discuss Mary s daughter who is a student at Booker T Washington Another student questions why no one wants to discuss the race massacre and vows to bring the issue to the forefront of the community *Jet* ,2005-11-28 The weekly source of African American political and entertainment news **Reconstructing the Dreamland Updated Edition** Brophy,2023-12-15 **What Was the Tulsa Race Massacre of 1921?** Caleb Gayle,Who HQ,2023-04-25 Learn how envy and racism led to the tragic destruction of the thriving Black community in Tulsa Oklahoma in this thought provoking addition to the New York Times bestselling What Was series Before May 31 1921 the Greenwood District of Tulsa Oklahoma was a flourishing neighborhood of 10 000 Black residents There Black families found success and community They ran their own businesses including barbershops clothing stores jewelers restaurants movie theatres and more There also were Black doctors dentists and lawyers to serve the neighborhood Then in one weekend all of this was lost A racist mob tore through the streets burning everything to the ground and killing scores of innocent residents Learn about what led to one of the worst moments of racial violence in America s history in this nonfiction book for young readers **The Burning** Tim Madigan,2013-07-09 A powerful book a harrowing case study made all the more so by Madigan s skillful clear eyed telling of it Adam Nossiter The New York Times Book Review On the morning of June 1 1921 a white mob numbering in the thousands marched across the railroad tracks

dividing black from white in Tulsa Oklahoma and obliterated a black community then celebrated as one of America's most prosperous 34 square blocks of Tulsa's Greenwood community known then as the Negro Wall Street of America were reduced to smoldering rubble And now 80 years later the death toll of what is known as the Tulsa Race Riot is more difficult to pinpoint Conservative estimates put the number of dead at about 100 75% of the victims are believed to have been black but the actual number of casualties could be triple that The Tulsa Race Riot Commission formed two years ago to determine exactly what happened has recommended that restitution to the historic Greenwood Community would be good public policy and do much to repair the emotional as well as physical scars of this most terrible incident in our shared past With chilling details humanity and the narrative thrust of compelling fiction The Burning will recreate the town of Greenwood at the height of its prosperity explore the currents of hatred racism and mistrust between its black residents and neighboring Tulsa's white population narrate events leading up to and including Greenwood's annihilation and document the subsequent silence that surrounded the tragedy
