Rick Helmes-Hayes

1945 When Canada Won The War:

Fighting from Home Serge Durflinger, 2011-11-01 In Verdun English and French speakers lived side by side Through their home front activities as much as through enlistment they proved themselves partners in the prosecution of Canada's war Shared experiences and class similarities shaped responses based first and foremost in a sense of local identity *Fighting from Home* paints a comprehensive at times intimate portrait of Verdun and Verdunites at war Durflinger offers an innovative interpretive approach to wartime Canadian and Quebec social and cultural dynamics It will appeal to anyone interested in the history of the Canadian home front during the Second World War *Household Politics* Magdalena Fahrni, 2005-01-01 The reconstruction of Canadian society in the wake of the Second World War had an enormous impact on all aspects of public and private life For families in Montreal reconstruction plans included a stable home life hinged on social and economic security female suffrage welfare state measures and a reasonable cost of living In *Household Politics* Magda Fahrni examines postwar reconstruction from a variety of angles in order to fully convey its significance in the 1940s as differences of class gender language religion and region naturally produced differing perspectives Reconstruction was not simply a matter of official policy Although the government set many of the parameters for public debate federal projects did not inspire a postwar consensus and families alternatively embraced negotiated or opposed government plans Through in depth research from a wide variety of sources Fahrni brings together family history social history and political history to look at a wide variety of Montreal families French speaking and English speaking Catholic Protestant and Jewish making *Household Politics* a particularly unique and erudite study *Harnessing Labour Confrontation* Peter Stuart McInnis, 2002-01-01 A formative moment in Canadian history the 1940s left as a legacy not only the welfare state but also the legal framework that has defined organized labour for five decades **BOOK JACKET** *Measuring the Mosaic* Rick Helmes-Hayes, 2010-01-28 *Measuring the Mosaic* is a comprehensive intellectual biography of John Porter 1921 1979 author of *The Vertical Mosaic* 1965 preeminent Canadian sociologist of his time and one of Canada's most celebrated scholars In the first biography of this important figure Rick Helmes-Hayes provides a detailed account of Porter's life and an in depth assessment of his extensive writings on class power educational opportunity social mobility and democracy While assessing Porter's place in the historical development of Canadian social science Helmes-Hayes also examines the economic social political and scholarly circumstances including the Depression World War II post war reconstruction the baby boom and the growth of universities that contoured Porter's political and academic views Using extensive archival research correspondence and over fifty original interviews with family colleagues and friends *Measuring the Mosaic* stresses Porter's remarkable contributions as a scholar academic statesman senior administrator at Carleton University and engaged practical public intellectual *A Concise History of Canada* Margaret Conrad, 2012-05-28 Margaret Conrad's history of Canada begins with a challenge to its readers What is Canada What makes up this diverse complex and often contested nation state

What was its founding moment And who are its people Drawing on her many years of experience as a scholar writer and teacher of Canadian history Conrad offers astute answers to these difficult questions Beginning in Canada s deep past with the arrival of its Aboriginal peoples she traces its history through the conquest by Europeans the American Revolutionary War and the industrialization of the nineteenth and twentieth centuries to its prosperous present Despite its successes and its popularity as a destination for immigrants from across the world Canada remains a curiously reluctant player on the international stage This intelligent concise and lucid book explains just why that is **Canada's Army** J.L.

Granatstein,2021-09-13 In this revised and updated third edition one of Canada s leading historians covers the history of the Canadian military to the present day **Conflict and Compromise** Raymond B. Blake,Jeffrey A. Keshen,Norman J.

Knowles,Barbara J. Messamore,2017-05-23 Driven by its strong narrative Conflict and Compromise presents Canadian history chronologically allowing a better understanding of the interrelationships between events Its main objective is to demonstrate that although Canadian history has been marked by cleavages and conflicts there has been a continual process of negotiation and a need for compromise which has enabled Canada to develop into arguably one of the most successful and pluralistic countries in the world The authors have drawn from all genres characterizing the present state of Canadian historiography including social military cultural political and economic approaches In doing so their aim is to challenge readers to engage with debates and interpretations about the past rather than simply to study for an exam The second volume begins with the nation building project that got underway in 1864 and ends in the present The book is illustrated with over 60 images maps and figures all designed to support its mission to provide intellectual curiosity *Secondary Sources*

in the History of Canadian Medicine Charles G. Roland,Jacques Bernier,2010-11-22 Volume Two of this retrospective bibliography is both a continuation and an expansion of Volume One 1984 It contains references to Canadian medical historical literature published between 1984 and 1998 and also includes much additional material published prior to 1984 Finally it substantially enlarges the content of French language material Every effort has been made to be as inclusive as possible of articles theses book chapters and books both in English and in French relating to the history of medicine No single electronic source can replace this bibliography The contents are divided into three sections The first is a listing of material expressly biographical Section two lists material under a wide variety of subject headings related to medicine and the third is a complete listing of the authors who have contributed these articles Simply organized and easy to use this bibliography will be of value to historians archivists librarians and anyone interested in the history of medicine *The*

Middle Power Project Adam Chapnick,2011-11-01 The Middle Power Project describes a defining period of Canadian and international history During the Second World War Canada transformed itself from British dominion to self proclaimed middle power It became an active enthusiastic and idealistic participant in the creation of one of the longest lasting global institutions of recent times the United Nations This was in many historians opinions the beginning of a golden age in

Canadian diplomacy Chapnick suggests that the golden age may not have been so lustrous During the UN negotiations Canadian policymakers were more cautious than idealistic The civil service was inexperienced and often internally divided Canada's significant contributions were generally limited to the much neglected economic and social fields Nevertheless creating the UN changed what it meant to be Canadian Rightly or wrongly from the establishment of the UN onwards Canadians would see themselves as leading internationalists Based on materials not previously available to Canadian scholars The Middle Power Project presents a critical reassessment of the traditional and widely accepted account of Canada's role and interests in the formation of the United Nations It will be read carefully by historians and political scientists and will be appreciated by general readers with an interest in Canadian and international history **Economic Series**, 1946

Monthly Labor Review United States. Bureau of Labor Statistics, 1946 Publishes in depth articles on labor subjects current labor statistics information about current labor contracts and book reviews *Death in the Peaceable Kingdom* Dimitry Anastakis, 2015-01-01 *Death in the Peaceable Kingdom* is an intelligent innovative response to the incorrect assumption that Canadian history is dry and uninspiring Using the hooks of murder execution assassination and suicide Dimitry Anastakis introduces readers to the full scope of post Confederation Canadian history Beginning with the assassination of Thomas D Arcy McGee Anastakis recounts the deaths of famous Canadians such as Louis Riel Tom Thomson and Pierre Laporte He also introduces lesser known events such as the execution of shell shocked deserter Pte Harold Carter during the First World War and the suicide of suspected communist Herbert Norman in Cairo during the Cold War The book concludes with recent Canadian deaths including the suicides of Amanda Todd and Rehtaeh Parsons as a result of cyberbullying Complementing the chapters are short vignettes Murderous Moments and Tragic Tales that point to broader themes and issues The book also contains a number of Active History exercises such as activities assignments and primary document analyses A timeline 24 images and further reading suggestions are included **Historical Atlas of Canada:**

Addressing the twentieth century, 1891-1961 Geoffrey J. Matthews, 1987-01-01 Uses maps to illustrate the development of Canada from the last ice sheet to the end of the eighteenth century **The Balance of Payments of the United States** United States. Office of Business Economics, 1940 Canada's Early Nuclear Policy Brian Buckley, 2000 The advent of nuclear weapons introduced a complex new factor into world politics drawing a line through history and ensuring that international relations would never be the same By both accident and design Canada was a central player in the new nuclear era as countries grappled with the implications of this revolutionary new development Canada's decision unique among pioneer atomic powers not to acquire a nuclear arsenal has been used to buttress widely differing political agendas while the factors that shaped the policy making process have been largely ignored *Transportation Factors in the Location of the Cast Iron Pipe Industry* James C. Nelson, Robert Carlton Smith, 1947 **The Small Businessman and Sources of Loans** Albert Green, Barnett Watson, Gerald McFadden Francis, James Carlton Dockeray, Paul Hamilton Anderson, United States.

Office of Business Economics,1948 **Monthly Labor Review** ,1946 *U-Boats Against Canada* Michael L. Hadley,1990-07 The U boats constituted a serious threat to North American security and a major challenge to coastal and convoy defence Hadley reveals the military and political impact on Canada of in shore submarine warfare and vibrantly documents the successful German strategy of deploying daring long range solo sorties to pin down the enemy close to home

Counterweights Roy Anthony Rempel,1996 A policy analyst for the Government of Newfoundland and Labrador charges that Canadian bi lateral defense relations with Germany have been ad hoc ill considered and badly implemented because decision makers have been ignorant of the important role played by the military in supporting broader policy goals Canadian card order number C96 990022 8 Annotation copyrighted by Book News Inc Portland OR
