Bell Ranch David A. Remley, 1993 **New Serial Titles**, 1986 Early Arizona Jay J. Wagoner, 1975 *Women of Consequence* Jeanne Varnell, 1999 The Colorado Women's Hall of Fame was founded in 1985 by a group of women who were

concerned that both historic and contemporary women who shared foresight vision enthusiasm and the power of accomplishment were not receiving appropriate acknowledgment Fearful that splendid achievements would be forgotten they wished to honor women who during their lifetime made a significant contribution to Colorado as a state or territory It is the hope of the founders that by so honoring Colorado s women of consequence their spirits might inspire future generations In the first decade since the founding fifty nine women were selected for induction Although historians habitually ignored the vital part that women played in the building of the West in actuality these women s lives contain plots and characters that would enliven the most gripping novels We have saints like Frances Wisebart Jacobs and the theatrical angel Helen Bonfils activists such as Josephine Roche and Rachel Noel a scientific genius in Florence Sabin and visionaries like Dana Crawford There are tragedies as with the Tabor wives and the lighter hearted tales of Mary Elitch Long and Mary Coyle Chase Women of Consequence provides a bonanza of role models who opened new frontiers for women in so many fields including business journalism and newspaper publishing science and medicine law politics education charity work botany and even taxidermy These stories are sure to inspire delight and instruct readers throughout Colorado from young adults to senior citizens whether they ve lived here all their lives or moved here recently **"That Fiend in Hell"** Catherine Holder

Spude,2012-09-28 As the Klondike gold rush peaked in spring 1898 adventurers and gamblers rubbed shoulders with town builders and gold panners in Skagway Alaska The flow of riches lured confidence men too among them Jefferson Randolph Soapy Smith 1860-98 who with an entourage of bunco men conned and robbed the stampedeers Soapy though a common enough criminal would go down in legend as the Robin Hood of Alaska the uncrowned king of Skagway remembered for his charm and generosity even for calming a lynch mob When the Fourth of July was celebrated in 98 he supposedly led the parade Then a few days later he was dead killed in a shootout over a card game With Smith s death Skagway rid itself of crime forever Or at least so the story goes Journalists immediately cast him as a martyr whose death redeemed a violent town In fact he was just a petty criminal and card shark as Catherine Holder Spude proves definitively in **That Fiend in Hell** Soapy Smith in Legend a tour de force of historical debunking that documents Smith s elevation to western hero In sorting out the facts about this man and his death from fiction Spude concludes that the actual Soapy was not the legendary boss of Skagway nor was he killed by Frank Reid as early historians supposed She shows that even eyewitnesses who knew the truth later changed their stories to fit the myth But why Tracking down some hundred retellings of the Soapy Smith story Spude traces the efforts of Skagway s boosters to reinforce a morality tale at the expense of a complex story of town building and government formation The idea that Smith s death had made a lawless town safe served Skagway s economic interests Spude s engaging deconstruction of Soapy s story models deep research and skepticism crucial to understanding the history of the American frontier **The San Luis Valley, Second Edition** Virginia McConnell Simmons,1999-06-15 In this sparkling new edition of The San Luis Valley Land of the Six Armed Cross Virginia McConnell Simmons lays before the reader the stories
