AN ANNOTATED BIBLIOGRAPHY OF
SOCIAL AND POLITICAL MOVEMENTS
IN THE UNITED STATES

Rebecca Jackson

1960s An Annotated Bibliography Of Social And Political Movements In The United States

John C. McWilliams

1960s An Annotated Bibliography Of Social And Political Movements In The United States:

The 1960s Rebecca Jackson,1992-12-10 The 1960s were a particularly turbulent period and the events of those years continue to interest and influence American society This bibliography records and documents the most significant happenings of that decade The volume spans the years between 1960 and the resignation of President Nixon in 1974 It includes citations for more than 1300 books related to that period Some of the books were written during the 1960s and directly influenced people of that time Others were written afterward and analyze and interpret the events of the decade The entries are arranged in topical chapters and each citation is accompanied by a descriptive and evaluative annotation The volume begins with an introduction that overviews and discusses the major events and trends of the time The 17 topical chapters that follow treat virtually every aspect of life in the 1960s The first few chapters include general works on the underlying social political and economic conditions that served to define the decade Other chapters discuss works on the presidencies social protests the impact of the Vietnam war the cultural revolution and trends in art music literature and religion The bibliography concludes with author title and subject indexes that add to its value as a reference tool

The Sixties Arthur Marwick,2011-09-28 If the World Wars defined the first half of the twentieth century the sixties defined the second half acting as the pivot on which modern times have turned From popular music to individual liberties the tastes and convictions of the Western world are indelibly stamped with the impact of this tumultuous decade Framing the sixties as a period stretching from 1958 to 1974 Arthur Marwick argues that this long decade ushered in nothing less than a cultural revolution one that raged most clearly in the United States Britain France and Italy Marwick recaptures the events and movements that shaped life as we know it the rise of a youth subculture across the West the sit ins and marches of the civil rights movement Britain's surprising rise to leadership in fashion and music the emerging storm over Vietnam the Paris student uprising of 1968 the growing force of feminism and much more For some it was a golden age of liberation and political progress for others an era in which depravity was celebrated and the secure moral and social framework subverted The sixties was no short term era of ecstasy and excess On the contrary the decade set the cultural and social agenda for the rest of the century and left deep divisions still felt today

Integrating the Sixties Brian Balogh,2010-11 Each essay in this volume sheds light on an important aspect of the decade actually a decade and half known as the Sixties The Sixties are famous for the diverse social movements that threatened the essence of American public policy and mainstream society and changed those very entities in fundamental ways These essays juxtapose the dramatic narratives of social movements including civil rights women's liberation and antiwar protest and the Cold War liberalism that spawned them The contributors are two political scientists several historians influenced by the social sciences and the senior staff attorney for the NOW Legal Defense and Education Fund Contributors are Brian Balogh Hugh Heilo Martha Derthick Daryl Michael Scott W J Rorabaugh Martha F Davis and Louis Galambos

Fundamentalism, Sectarianism, and Revolution S. N.

Eisenstadt, 1999 *Fundamentalism, Sectarianism, and Revolution* is a major comparative analysis of fundamentalist movements in cultural and political context with an emphasis on the contemporary scene. Leading sociologist S. N. Eisenstadt examines the meaning of the global rise of fundamentalism as one very forceful contemporary response to tensions in modernity and the dynamics of civilization. He compares modern fundamentalist movements with the proto-fundamentalist movements which arose in the axial civilizations in pre-modern times; he shows how the great revolutions in Europe which arose in connection with these movements shaped the political and cultural programmes of modernity and he contrasts post-Second World War Moslem, Jewish, and Protestant fundamentalist movements with communal national movements notably in Asia. The central theme of the book is the distinctively Jacobin features of fundamentalist movements and their ambivalent attitude to tradition above all their attempts to essentialize tradition in an ideologically totalistic way. Eisenstadt has won the Amalfi book prize.

Intellectual Freedom and Social Responsibility in American Librarianship, 1967-1974 Toni Samek, 2001-01-07 Between 1967 and 1974 a number of librarians came together to push for change in the American Library Association. They soon prompted a majority of the profession to examine their role in the dissemination and preservation of culture and to ask basic questions about the terrain that the profession defends. A particular concern was the limitations to intellectual freedom if any that might arise in the pursuit of other perhaps equally worthy goals. The questions raised by this advocacy group were based on a relatively new concept of librarians' social responsibility that was partly an outgrowth of the civil rights and antiwar agitation of the period and partly a continuation of the proud traditions of the alternative press movement in the United States. The resulting dissension and turmoil exposed an inherent discrepancy not only between the rhetoric of ideals within the profession and the reality of practice but between librarians as agents of change, librarians having a social agenda and professional neutrality, or the provision of information for all sides without taking sides. These conflicts have never been resolved. The reader will find in this book a fully researched presentation of the years of ferment and political infighting that brought the issues into such sharp focus.

The Sixties Terry H. Anderson, 2024-07-04 The sixth edition of *The Sixties* is a provocative account of a transformative era in American history, exploring the significant political, social, and cultural changes that many citizens found to be not only necessary but mandatory. The book explores the 1960s both chronologically and thematically, from the 1960 Greensboro sit-ins and presidential election to the early 1970s and the fight for women's liberation and withdrawal from Vietnam. It examines the unique social movements that merged during and after 1968 to form a sixties culture that advocated for empowerment and liberation. The final chapter on legacies and the section of additional reading have been revised and updated for the sixth edition, now including more recent material to reinforce the book's themes and explore the impacts of the sixties that are still felt today. Additional coverage of women and the LGBTQ and Latino communities paints a richer portrait of the decade of tumult and change. Lucid and engaging, *The Sixties* is a stimulating text ideal for students and general readers interested in one of the most significant eras in American history.

1960s Making Peace with the 60s David Burner,1998-01-11 This history of America in the 1960s covers the civil rights movement Kennedy and the Cold War the counter culture and Beat Generation the student rebellion and the Vietnam War It argues that liberalism self destructed by emphasizing race and ethnicity instead of class and wealth *Extremism in America* Lyman Tower Sargent,1995-05 Contains primary source material **The 1960s Cultural Revolution** John C. 1960s An Annotated Bibliography Of Social And Political Movements In The United States Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this

treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free 1960s An Annotated Bibliography Of Social And Political Movements In The United States PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free 1960s An Annotated Bibliography Of Social And Political Movements In The United States PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of 1960s An Annotated Bibliography Of Social And Political Movements In The United States free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines,

all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About 1960s An Annotated Bibliography Of Social And Political Movements In The United States Books
