1984 Lannee Fabuleuse Collection Onze:

La Fabuleuse histoire du football Jacques Thibert, Jean-Philippe Rethacker, 2012-04-26T00:00:00+02:00 Depuis plus d'un siècle le football chaîne les passions aux quatre coins de la planète. Vritable ouvrage de référence, La Fabuleuse histoire du football raconte l'évolution de ce jeu et de ses règles. Elle évoque l'apogée des plus grandes équipes : Brésil, France, Italie, etc., ainsi que des plus grands joueurs de l'histoire, de Pelé et Zidane en passant par Maradona, Platini, Kopa, Di Stefano, Cruyff, Ronaldo, Benzema. Avec une grande précision historique, ce livre retrace les gestes et buts d'anthologie, ainsi que tous les plus grands moments de ce sport. Un dictionnaire des plus grands joueurs français et internationaux complète cette véritable somme enrichie du palmarès de tous les matchs de l'équipe de France depuis 1904 et de toutes les compétitions mondiales européennes et françaises. Complet et rigoureux, cet ouvrage dont la première édition remonte à 1976 s'impose comme la bible du football.

The Indochinese Experience of the French and the Americans Arthur J. Dommen, 2002-02-20 Dommen's book promises to be the definitive political history of Indochina during the Franco-American era. William M. Leary, E. Merton Coulter, Professor of History, University of Georgia. This magisterial study by Arthur J. Dommen sets the Indochina wars from the French and American perspective as no book that has come before. He summarizes the history of the peninsula from the Vietnamese War of Independence from China in 930-39 through the first French military actions in 1858 when the struggle of the peoples of Indochina with Western powers began. Dommen details the crucial episodes in the colonization of Indochina by the French and the indigenous reaction to it. The struggle for national sovereignty reached an acute state at the end of World War II when independent governments rapidly assumed power in Vietnam and Cambodia. When the French returned, the struggle became one of open warfare with Nationalists and Communists gripped in a contest for ascendancy in Vietnam while the rulers of Cambodia and Laos sought to obtain independence by negotiation. The withdrawal of the French after their defeat at Dien Bien Phu brought the Indochinese face to face, whether as friends or as enemies, with the Americans. In spite of an armistice in 1954, the war between Hanoi and Saigon resumed as each enlisted the help of foreign allies which led to the renewed loss of sovereignty as a result of alliances and an increasingly heavy loss of lives. Meticulous and detailed, Dommen's telling of this complicated story is always judicious. Nevertheless, many people will find his analysis of the Diem coup a disturbing account of American plotting and murder. This is an essential book for anyone who wants to understand Vietnam and the people who fought against the United States and won.
