Splendor Years, 1977-1997 Terrie Sultan, James Surls, Eleanor Heartney, 2005-09-01 A prolific artist with a prodigious gift for stimulating the creativity of others James Surls is one of the most important sculptors working in America today His art blends natural forms created of wood steel and bronze with sophisticated sometimes edgy imagery and content to explore fundamental dualities and paradoxes male and female joyous optimism and anxious foreboding conscious rationality and unconscious intuition Fusing personalized folk idioms with the aesthetics of high modernism Surls's sculptures are clearly self expressive yet freighted with universal meaning This beautifully illustrated book which accompanies an exhibition of the same name at the Blaffer Gallery the Art Museum of the University of Houston captures an extraordinarily creative period in Surls's career the two decades he lived and worked in Splendor Texas During this time Surls established a home and artists colony in the East Texas pineywoods where he produced an astonishing body of work while encouraging the creativity of other visual and performing artists Magnificent color and black and white images illustrate the key sculptures and works on paper that Surls created in Splendor Accompanying the images are essays and interviews that offer fascinating insights into

Surls's artistic breakthrough in *Splendor* Terrie Sultan introduces Surls's work and provides a concise biography of the artist Eleanor Heartney places Surls's *Splendor* works within the larger contexts of American and international art Artists and gallery owners John Alexander Joseph Havel The Art Guys Hiram Butler and Sharon and Gus Kopriva as well as curator Jim Harithas and architect Peter Zweig share lively memories of *Splendor* as an artist colony and of Surls's pivotal role as artistic mentor and arts impresario for the whole Houston area arts community James Surls and his wife Charmaine Locke add a personal signature to the book by describing how their love and their work blossomed in an atmosphere of total freedom to experiment and create This publication of James Surls's *Splendor* works clearly establishes that no other artist of Surls's generation has had a greater impact upon the development of Texas as a center of vibrant creativity At the same time it confirms Surls's standing within the contemporary international art world as a revolutionary who has expanded the boundaries of traditional sculpture while maintaining a high degree of aesthetic and intellectual quality

Bruce Nauman Bruce Nauman, 2002-05-29 From the beginning I was trying to see if I could make art that did that Art that was just there all at once Like getting hit in the face with a baseball bat Or better yet like getting hit in the back of the neck You never see it coming it just knocks you down I like that idea very much the kind of intensity that doesn't give you any trace of whether you're going to like it or not Bruce Nauman Bruce Nauman's art is about heightened awareness awareness of spaces we usually don't notice the one under the chair out of which he made a sculpture and sounds we don't listen for the one in the coffin awareness of emotions we suppress or dread It's hard to feel indifferent to work like his Michael Kimmelman New York Times One of America's most important artists Bruce Nauman has worked in a dazzling variety of media since the mid 1960s sculpture photography performance installation sound holography film and video What has been a constant throughout his career however is his persistence in exploring both art as an investigation of the self and the power of language to define that self The latest volume in the acclaimed Art Performance series is the first book to combine the key critical writings on Nauman with the artist's own writings and interviews with him as well as images of his work Bruce Nauman offers a multifaceted portrait of an artist whose determination to experiment with style and form has created a body of work as eclectic and perhaps more influential than that of any other living American artist
