1998 Guide To Accreditation By Nation:

International Handbook on Ecotourism Roy Ballantyne, Jan Packer, 2013-01-01 Roy and Jan have assembled a timely snapshot of our current understanding of ecotourism both as a concept worthy of scientific inquiry and as an increasingly significant segment of global commerce and industry A terrific piece of work Sam Ham University of Idaho US In the 30 or so year since it became established in the tourism literature and in tourism practice ecotourism has attracted as many proponents as opponents This Handbook now brings together some of the leading scholars worldwide in this field to explore the current position of this form of tourism In doing so it offers serious critiques it explores meanings and paradoxes it offers best practices and it looks to the future It is the Handbook for one of tourism's fastest growing and controversial sectors David Airey University of Surrey UK This is a most welcome and needed book With a very strong editorial team and contributing authors the Handbook covers all the key issues of ecotourism It cuts through the confusion surrounding the much misunderstood concept of ecotourism clearly dealing with definitions concepts and research issues The Handbook is particularly welcome for its focus on the visitor experience a strength of the editors and for clearly linking the theory of ecotourism with practice in the field Christopher Cooper Oxford Brookes University UK This Handbook brings together contributions from over forty international experts in the field of ecotourism It provides a critical review and discussion of current issues and concepts it challenges readers to consider the boundaries of what ecotourism is and could be The Handbook provides practical information regarding the business of ecotourism insights into ecotourist behaviour and visitor experiences and reflections on the practice of ecotourism in a range of different contexts The Handbook is designed to be a valuable reference book for tourism scholars and researchers National Voluntary Laboratory Accreditation Program C.

Douglas Faison, 1999 **Quality Assurance and Certification in Ecotourism** Rosemary Black, Alice Crabtree, 2007 Genuine ecotourism can have many positive impacts particularly the conservation of biodiversity and cultural heritage and the creation of economic opportunities for local communities While promoting these it aims to eliminate negative impacts such as environmental degradation cultural commoditisation and playground effects Unfortunately the concept is broadly misunderstood and its true definition is widely debated It is often used as a marketing tool with some operators taking advantage of the ecotourism label to attract more business while behaving in environmentally irresponsible ways This book considers the important topic of quality control and accreditation in ecotourism describing the mechanisms that can be implemented to ensure quality in all aspects of the industry namely protected areas businesses products and tour guides
