Sarah Oates

1999 2000 Elections In Russia Their Impact And Legacy:

Television, Democracy and Elections in Russia Sarah Oates, 2006-08-21 Sarah Oates gives a detailed examination on a central theme in political science the relationship between democracy and the mass media This significant book contains a wealth of information and data including public opinion surveys content analysis of television news focus groups and in depth interviews to examine why political parties and the mass media failed so spectacularly to aid in the construction of a democratic system in Russia The analysis presents compelling evidence that television helped to tune out democracy as it served as a tool for leaders rather than a conduit of information in the service of the electorate or parties In addition focus groups and surveys show that the Russian audience are often more comfortable with authority rather than truth in television coverage Within this framework this fascinating work presents the colourful history of parties elections and television during one of the most critical eras in Russian history and captures a particularly significant epoch in contemporary Russian politics

The Regional Roots of Russia's Political Regime William M. Reisinger, Bryon J Moraski, 2017-01-09 Insightful analysis of how regional politics shaped the executive branch's ability to retain power and govern under Yeltsin and Putin

Why Governments and Parties Manipulate Elections Alberto Simpser, 2013-03-18 This book documents the widespread use of blatant and excessive manipulation of elections and explains what drives this practice Alberto Simpser shows that in many instances governments and parties manipulate elections not only to gain votes but also to transmit or distort information This manipulation conveys an image of strength shaping others behavior to the benefit of the manipulators increasing the scope for the manipulators to pursue their goals while in government and mitigating future challenges to their hold on power

State Building in Putin's Russia Brian D. Taylor, 2011-02-21 This book argues that Putin's strategy for rebuilding the state was fundamentally flawed Taylor demonstrates that a disregard for the way state officials behave toward citizens state quality had a negative impact on what the state could do state capacity Focusing on those organizations that control state coercion what Russians call the power ministries Taylor shows that many of the weaknesses of the Russian state that existed under Boris Yeltsin persisted under Putin Drawing on extensive field research and interviews as well as a wide range of comparative data the book reveals the practices and norms that guide the behavior of Russian power ministry officials the so called siloviki especially law enforcement personnel By examining siloviki behavior from the Kremlin down to the street level *State Building in Putin's Russia* uncovers the who where and how of Russian state building after communism

The Origins of Dominant Parties Ora John Reuter, 2017-04-27 This book asks why dominant political parties emerge in some authoritarian regimes but not in others focusing on Russia's experience under Putin

Russia's Authoritarian Elections Stephen White, 2014-06-11 Russia is the world's largest country and its politics affect the entire international community Formally who exercises the power of government is decided as in Western democracies by competitive elections that are held at regular intervals But there have increasingly been doubts about the extent to which Russian parliamentary and

presidential elections can be considered free and fair and it is the argument of this coauthored study that they are better defined as authoritarian elections with a number of distinct characteristics Using a wide range of sources including surveys election statistics interviews focus groups and the printed press the contributors to this important collection analyse Russia's authoritarian elections in a variety of ways how they are conducted what citizens think about them and how the Russian experience relates to a wider international context Elections are the central mechanism by which citizens can seek to hold their government to account this collection shows the ways in which that mechanism can be manipulated from above such that it becomes more of an extension of central authority than a means by which the public at large can impose their own priorities This book was originally published as a special issue of Europe Asia Studies Competitive Authoritarianism Steven Levitsky, Lucan A. Way, 2010-08-16 Based on a detailed study of 35 cases in Africa Asia Latin America and post communist Eurasia this book explores the fate of competitive authoritarian regimes between 1990 and 2008 It finds that where social economic and technocratic ties to the West were extensive as in Eastern Europe and the Americas the external cost of abuse led incumbents to cede power rather than crack down which led to democratization Where ties to the West were limited external democratizing pressure was weaker and countries rarely democratized In these cases regime outcomes hinged on the character of state and ruling party organizations Where incumbents possessed developed and cohesive coercive party structures they could thwart opposition challenges and competitive authoritarian regimes survived where incumbents lacked such organizational tools regimes were unstable but rarely democratized **Russian Politics Today** Susanne A. Wengle, 2022-10-27 An accessible and nuanced introduction to contemporary Russian politics using the theme of stability versus fragility as its overarching framework This innovative textbook explores core themes as well as path breaking insights into the politics of race class gender sexuality and the environment **Symbolism and Regime Change in Russia** Graeme J. Gill, 2013-01-17 Asks why regime change in Russia has not been accompanied by a coherent new political symbolism Russian Civil Society: A Critical Assessment Alfred B. Evans, Laura A. Henry, Lisa Sundstrom, 2016-07-22 A vibrant civil society characterized by the independently organized activity of people as citizens undirected by state authority is an essential support for the development of freedom democracy and prosperity Thus it has been one important indicator of the success of post communist transitions This volume undertakes a systematic analysis of the development of civil society in post Soviet Russia An introduction and two historical chapters provide background followed by chapters that analyze the Russian context and consider the roles of the media business organized crime the church the village and the Putin administration in shaping the terrain of public life Eight case studies then illustrate the range and depth of actual citizen organizations in various national and local community settings and a concluding chapter weighs the findings and distills comparisons and conclusions **The Red Mirror** Gulnaz Sharafutdinova, 2020 What explains Putin's enduring popularity in Russia In *The Red Mirror* Gulnaz Sharafutdinova uses social identity theory to explain Putin's leadership The main source of

Putin's political influence she finds lies in how he articulates the shared collective perspective that unites many Russian citizens. Under his tenure the Kremlin's media machine has tapped into powerful group emotions of shame and humiliation derived from the Soviet transition in the 1990s and has politicized national identity to transform these emotions into pride and patriotism. Culminating with the annexation of Crimea in 2014, this strategy of national identity politics is still the essence of Putin's leadership in Russia. But victimhood-based consolidation is also leading the country down the path of political confrontation and economic stagnation. To enable a cultural, social and political revival in Russia, Sharafutdinova argues political elites must instead focus on more constructively conceived ideas about the country's future. Integrating methods from history, political science and social psychology, *The Red Mirror* offers the clearest picture yet of how the nation's majoritarian identity politics are playing out.

Pluralism by Default Lucan Way, 2021-05-04 *Pluralism by Default* will change the way we understand the emergence of democracies and the consolidation of autocracies. Chrystia Freeland, author of *Plutocrats*, exploring sources of political contestation in the former Soviet Union and beyond. *Pluralism by Default* proposes that pluralism in new democracies is often grounded less in democratic leadership or emerging civil society and more in the failure of authoritarianism. Dynamic competition frequently emerges because autocrats lack the state capacity to steal elections, impose censorship or repress opposition. In fact, the same institutional failures that facilitate political competition may also thwart the development of stable democracy. A tour de force brimming with theoretical originality and effective use of in-depth case studies, it will enrich our understanding of post-communist politics and help reshape the way we think about democracy, authoritarianism and regime change more broadly.

M. Steven Fish, author of *Democracy Derailed in Russia: The Failure of Open Politics*

Mass Media and Political Communication in New Democracies Katrin Voltmer, 2006 This book examines how political communication and the mass media have played a central role in the consolidation of emerging democracies around the world. Covering a broad range of political and cultural contexts including Eastern and Southern Europe, Latin America, Asia and Africa, this new volume investigates the problems and conflicts arising in the process of establishing an independent media and competitive politics in post-autocratic societies. Considering the changing dynamic in the relationship between political actors, the media and their audience, the authors of this volume address the following issues: changing journalistic role, perceptions and journalistic quality; the reasons and consequences of persisting instrumentalization of the media by political actors; the role of the media in election campaigns; the way in which citizens interpret political messages and the extent to which the media influence political attitudes and electoral behaviour; the role of the Internet in building a democratic public sphere. This book will be of great interest to all those studying and researching democracy and democratization, comparative politics, political communication, journalism, media and the Internet.

Russia's Federal Relations Elena Chebankova, 2009-12-04 The development of centre-regional relations has been at the forefront of Russian politics since the formation of the Russian state and numerous efforts have been made by the country's subsequent rulers to

create a political model that would be suitable for the effective management of its vast territory and multiple nationalities This book examines the origins underlying foundations and dynamics of the federal reforms conducted by President Putin throughout the eight years of his presidency It offers a comprehensive analysis of the nature of Russia s federal relations during this period as well as an examination of factors that led to the development of the extant model of centre regional dialogue It discusses how and why the outcomes of most domestic reforms and policies significantly vary from the initial intentions envisaged by the federal centre and argues that despite a range of positive developments the reforms resulted mainly in a redistribution of powers between the two levels of government and not in a fundamental rethinking of centre regional relations towards genuine federalism Democracy Derailed in Russia M. Steven Fish,2005-08-29 Why has democracy failed to take root in Russia After shedding the shackles of Soviet rule some countries in the postcommunist region undertook lasting democratization Yet Russia did not Russia experienced dramatic political breakthroughs in the late 1980s and early 1990s but it subsequently failed to maintain progress toward democracy In this book M Steven Fish offers an explanation for the direction of regime change in post Soviet Russia Relying on cross national comparative analysis as well as on in depth field research in Russia Fish shows that Russia s failure to democratize has three causes too much economic reliance on oil too little economic liberalization and too weak a national legislature Fish s explanation challenges others that have attributed Russia s political travails to history political culture or to shock therapy in economic policy The book offers a theoretically original and empirically rigorous explanation for one of the most pressing political problems of our time

Building States and Markets After Communism Timothy Frye,2010-06-07 This book examines how democracy influences state building and market building in 25 post communist countries from 1990 to 2004 **Misunderstanding Russia** Magda Leichtova,2016-07-22 Well argued and balanced Leichtova provides an alternative and more constructive understanding of what drives Russian foreign policy The book is based on the concepts of constructivism and orientalism in international relations to analyse the policies of the Russian Federation This book highlights that Russian foreign policy is a complex phenomenon constructed from internal as well as external developments perceptions and expectations At the same time it also highlights that Western states are the most significant Other in construction of the Russian foreign policy and even Russian identity and at the same time actively create an image of Russia in international politics which is widely based on their own Western assumptions about the country The author introduces the reader to an alternate portrayal of relations between Russia and the West which all analysts should take into consideration before drawing conclusions The Politics of Protest in Hybrid Regimes Graeme B. Robertson,2010-12-20 Since the end of the Cold War more and more countries feature political regimes that are neither liberal democracies nor closed authoritarian systems Most research on these hybrid regimes focuses on how elites manipulate elections to stay in office but in places as diverse as Bolivia Georgia Kyrgyzstan Serbia Thailand Ukraine and Venezuela protest in the streets has been at least as important as elections in bringing about

political change The Politics of Protest in Hybrid Regimes builds on previously unpublished data and extensive fieldwork in Russia to show how one high profile hybrid regime manages political competition in the workplace and in the streets More generally the book develops a theory of how the nature of organizations in society state strategies for mobilizing supporters and elite competition shape political protest in hybrid regimes **Politics in Russia** Thomas F Remington, 2015-07-22

Highly regarded for its comprehensive coverage up to date scholarship and comparative framework Politics in Russia is an authoritative overview of Russia s contemporary political system and its recent evolution Area specialist Thomas Remington focuses on four areas of change in this text state structure regime change economic transformation and identity to offer a dynamic context for analyzing the post Soviet era With a consistent emphasis on the intersection of politics and economics and the tension between authoritarian and democratic trends no other text guides students through the complexities and ambiguities of Russian politics today like Politics in Russia **Politics In Russia: A Reader** Joel M. Ostrow, 2013 Covering the major contours of any Russian politics course and comprehensive enough to serve as a core text this new reader includes sections from the Soviet political system and its collapse to the debate about post Communist transition and efforts toward political and economic reform A former journalist who worked in Russia Ostrow s substantial headnotes blend needed background with insights from his experience to create a nuanced treatment of Russian politics

1999 2000 Elections In Russia Their Impact And Legacy Introduction

In today's digital age, the availability of 1999 2000 Elections In Russia Their Impact And Legacy books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of 1999 2000 Elections In Russia Their Impact And Legacy books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of 1999 2000 Elections In Russia Their Impact And Legacy books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing 1999 2000 Elections In Russia Their Impact And Legacy versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, 1999 2000 Elections In Russia Their Impact And Legacy books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing 1999 2000 Elections In Russia Their Impact And Legacy books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for 1999 2000 Elections In Russia Their Impact And Legacy books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural

artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, 1999 2000 Elections In Russia Their Impact And Legacy books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of 1999 2000 Elections In Russia Their Impact And Legacy books and manuals for download and embark on your journey of knowledge?

FAQs About 1999 2000 Elections In Russia Their Impact And Legacy Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. 1999 2000 Elections In Russia Their Impact And Legacy is one of the best book in our library for free trial. We provide copy of 1999 2000 Elections In Russia Their Impact And Legacy in digital format, so the resources that you find are reliable. There are also many Ebooks of related with 1999 2000 Elections In Russia Their Impact And Legacy. Where to download 1999 2000 Elections In Russia Their Impact And Legacy online for free? Are you looking for 1999 2000 Elections In Russia Their Impact And Legacy PDF? This is

definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another 1999 2000 Elections In Russia Their Impact And Legacy. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of 1999 2000 Elections In Russia Their Impact And Legacy are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with 1999 2000 Elections In Russia Their Impact And Legacy. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with 1999 2000 Elections In Russia Their Impact And Legacy To get started finding 1999 2000 Elections In Russia Their Impact And Legacy, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with 1999 2000 Elections In Russia Their Impact And Legacy So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading 1999 2000 Elections In Russia Their Impact And Legacy. Maybe you have knowledge that, people have search numerous times for their favorite readings like this 1999 2000 Elections In Russia Their Impact And Legacy, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. 1999 2000 Elections In Russia Their Impact And Legacy is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, 1999 2000 Elections In Russia Their Impact And Legacy is universally compatible with any devices to read.
